**Our Christmas Nativity**

This year marks the first year our infants put on a community performance of our nativity play. Residents from Beaupré Hall, the Church and local community attended the performance: bringing the community together to celebrate Christmas and its true meaning with this wonderful school tradition. The responses were overwhelmingly heartwarming and I am sure it will now be part of our school calendar; continuing to bring many smiles to our community at such a wonderful time of the year.

Thank you to the BFG for donating the refreshments and serving our guests at the end of the performance, it is much appreciated.
