Harvest Festival – Friday 19th October 9am at Beaupre

Harvest Festival

This will take place on **Friday 19th October 2018 at 9.00am** in the school hall. Parents and Families are welcome to attend. The celebrations and thankfulness will consist of readings from Rev Skillings from St Clements Church as well as Wisbech food-bank.

This year we are again asking the children to bring in gifts of food which will be distributed to Wisbech food-bank. The food-bank are especially short of teabags, sugar and cereal this year but any donations of tinned food, soups, dried packet foods or jars would be very welcome. If you would like to help us celebrate by donating a gift, please send the gifts into class with your child on Thursday 18th October. They will then take their gifts into assembly and will later present to a member of Wisbech food-bank.

Fire Station/Parking

I have received an email today from our local fire station with regards to parking. We are both very aware of the need to park to collect your children, however, cars are still parking on or yellow lines outside the school and in some cases, double parking along the road. Unfortunately it has been reported that cars are now also parking on the yellow lines outside the fire station and also blocking the road.

Our Children's safety is paramount and this is the reason for the lines outside the school. However, the current parking is not only placing our own children in danger, but we are also putting others' lives at risk if the fire service are unable to leave the fire station or exit through the road.

Please can I ask again that you are considerate about parking and think about the safety for all.

Because of 'The Emergency Workers (Obstruction) Act 2006' it is an offence and unlawful to knowingly park or act in a way that could prevent us from fulfilling our duties in the community, including the way parents park down Church Drove and Churchfield Road. This act is being acted upon more and more across the Uk, for similar reasons.

Blue Class

This week Blue class have been scientists...

Blue have been learning about habitats this term and so they have investigated where woodlice like to live. They created 4 different types of habitats and then observed their behaviour for an hour to see where they chose to go. We found out that woodlice like dark damp places such as bark. This is because they eat off the wood, they need to stay damp to survive and they can camouflage and hide from predators. It was a very interesting afternoon.

Rainbow Class

Rainbow class corridor monitor is Peter, he is doing a great job. Well done Peter.

Term Times

The Term Times magazine will be coming home with children tonight.

Clubs

There will be no Computing Club for Y1 on Thursday next week.

Packed Lunches

Important Reminder

Please do not send peanuts or peanut butter into school in children's lunches or for snacks, we do have children in the school with nut allergies.

Flu Vaccination Programme YR, 1,2,3,4,5

This year's Flu Vaccination Programme will take place in school on 2nd November. This year's letter and consent form is electronic and will be sent out today to those with children in Years 1-5.

Lost Property

We continue to have a substantial amount of lost property, which continues to grow, please can we ask that you name all items of your child's uniform, it is very difficult for us to return items to their rightful owner.

Pupil Information Reminder

Please can we ask and remind you to keep us updated with information regarding your child at all times. This includes changes of addresses, contact details, dietary needs, allergies and most importantly changes of mobile numbers.

Please remember that if your child is unable to attend school for any reason it is important for parents to notify the school, by phone, **on each morning of an absence** to confirm why they will not be in. This important procedure is in place for safeguarding reasons. I am sure you would agree that it is important for everybody to know where the children should be, as soon as possible, on a daily basis. Please be aware that if your child has **3 or more days** unauthorised absence within 4 weeks the school may be required to refer for a penalty notice.

Attendance

Our attendance figures for the week ending Friday 5th October 2018 are as follows – Gold is awarded to Blue Class with 100%, silver to Yellow Class with 98.5% and bronze to Red Class with 95.3%.

The winner of last week's 100% attendance prize is Lindon from Purple Class.
