

Orange class homework this half term:

Dear parents/carers,

This terms history and geography learning is 'The Vikings' therefore the topic homework will be to create a project based on the Vikings- this could include an information report, building a longboat (from materials such as cardboard, wood or even sponge!) creating a Viking inspired narrative, newspaper report, poem or creating a Viking shield or weaponry. This homework shall be due in by the 23rd October 2020. Due to the current situation, a photograph or emailed copy of projects produced at home is sufficient, as anything brought into school would need to be isolated for at least 48 hours.

In addition to this, weekly literacy homework has been set via purple mash, this will be activated every Friday and due the following Wednesday- if you have any issues accessing, please email class email address orange@beaupre.cambs.sch.uk. Daily reading is fundamental to the children's progress as well as regular interaction with Times Table Rockstars.

Many thanks,

Mrs Riley, Miss Heath and Mrs Secker
