

Rainbow Class Homework

We have enclosed an example of the 'cursive' style of writing that we teach at Beaupre. The class will be learning how to form these letters over the next few months. Although we will be teaching the children capital letters, we predominantly write in lower case.

This week the children have been working hard to learn five different sounds. We have enclosed a copy of the sounds learnt so far and their actions which we hope you will practise with your child. Also, could you please encourage your child to sound out the names of different objects around your home which start with the phonemes (sounds) we have learnt. This may include: stairs, apple, television, pen, ink.

Additionally, every child has now been given a reading folder containing their reading book and a reading diary. Please could you share the book with your child and talk about what is happening in the pictures. It would be really helpful if **you could sign** the diary once you have done this. The reading folder needs to be in school on a Monday, Wednesday and Friday so that we can hear them read and change their books. If you have not heard your child read, we will not be able to change their book.

Thank you for all your help and support.

The Rainbow Team
