This Week...

Week

The new half term has started and the children have come back refreshed and ready for learning.

We all know that there are new changes to the national effort to reduce the infection rate and I hope that we can all work together to play our part in this. For schools, there are no changes at present and we continue to have measures in place to reduce infection spread within school. For parents, I would like to reiterate the importance of these new lockdown measures, the guidance states that:

- You must not be mixing with another household and having visitors to your house, unless they are part of your support bubble.
- You can meet one other person outside the house in an open area.

I am aware that some children are still mixing outside of school and although your thoughts may be that they are in the same bubble and at school together, these measures are in place to help reduce the risk of infection as best we can. Mixing houses would mean mixing adults with the children and potentially increasing the risk of infection. Please find attached a Government poster which might help you to understand the new restrictions.

I appreciate that a lot of reminders come from school about COVID19, but we all need to work together to ensure that we help the NHS and keep ourselves and the staff safe so that schools can remain open.

Thank you for your continued support in this local and national effort.

Mrs Munday

Children in Need

As per the Parentmail sent earlier this week, please remember that next Friday (13th November) is Children in Need and children are invited to come to school dressed in 'Lounge Wear' to help raise money for this deserving charity. I think you would agree that over recent months, there have been many families and children affected by the recent situation and all money raised would help support the ongoing charity and those affected by COVID19. We therefore ask for a recommended donation of £1 for those wishing to join us in supporting Children in Need.

Important Information

Lunchtime Co.—Change to School Meal Menu from 9th November

The school menu will change with effect from Monday 9th November. Roast lunches are back! Please see the new menu attached, which you will also find on the school website.

With this in mind, we would also like to let you know that we are currently planning to go ahead with the Christmas dinner, and have provisionally booked it for the last day of term (Friday 18th December). A survey will be sent via Parentmail shortly for you to book your child's place.

Data Collection Sheets

We still have some Data Sheets that have not been returned, or the doodlepoll has not been completed. These sheets are to be checked to ensure we have the most up to date information on our system. If you have not already done so, please complete the doodlepoll below or return the sheet to us as a matter of urgency.

Parking

Earlier this week we had a lot of rain at the start of the school day, it took the vast majority of staff the whole day to dry out!

I know that on such occasions you want to get as close to the school as possible. However, this created a gridlock situation outside the school, which resulted in one car getting damaged and also made some children late.

Parking outside the school has always been an issue and we need to remind you, not to park on the yellow lines. This is to ensure the safety of all. On these two mornings, if the emergency services had needed to get through, they would not have been able to for at least 10 minutes. As you will know, in an emergency situation every second counts and if it was you or a family member you would want the emergency services to be there as soon as possible. Please can I ask you to help save lives, as well as respect the local residents who may wish to enter or leave their driveways, by parking considerably.

Homework

A reminder that homework for all classes is on the school website, this may be set weekly, or was set at the beginning of term.

Royal British Legion Poppy Appeal

We will be supporting the Poppy Appeal again this year.

Poppies are still available for children to buy in each class bubble until 11th November.
