

Purple Class Home Learning Summary
Wednesday 2nd December

On Microsoft Teams, there is a section for each piece of work (except reading) under assignments. Here is where you will find more detail of the work, any resources to go with the work and where you hand your work in.

If you have troubles with Microsoft Teams, work can alternatively be emailed to purple@beaupre.cambs.sch.uk

Reading	Please log in to Purple Mash: https://www.purplemash.com/sch/beaupre Read through the chapter which you have been assigned and then complete the online multiple choice quiz to go with it.
Writing LIVE LESSON @ 9:30 am	Tune in to a live lesson at 9:30am on Microsoft Teams. The link is in the Purple Class channel and has been sent to your email accounts which the school sent the details of on Friday 27 th November. The lesson is going to look at using fronted adverbials.
Maths LIVE LESSON @ 11:00 am	Tune in to a live lesson at 11:00am on Microsoft Teams. The link is in the Purple Class channel and has been sent to your email accounts which the school sent the details of on Friday 27 th November. The lesson is going to look at missing number problems.
Science	In science this week we are going to be looking at the attraction and repulsion between magnets. Watch the following clip: https://www.bbc.co.uk/bitesize/clips/zk9rkqt which looks at the poles of magnets and how they can attract or repel each other. Once you have watched this video, there is a worksheet on magnetic poles under assignments on Microsoft Teams.
