Dear Parents / Carers,

I am sure you will have all watched the update on the new National Lockdown and more importantly, the closure of all Primary provision except for those who are vulnerable or are children of Key Workers.

With this in mind, **if you are a Key Worker**, please can you complete the below Doodlepoll to inform us of your requirements for a school place during this school closure. We do request that if you are able to keep your children at home, then please do so to ensure we are abiding by the national guidance as places are only available for those of Key Workers.

This provision will be in place for children of Key Workers from tomorrow (5th January 2021) however, it is imperative that you respond to this poll to ensure provision is in place.

I can confirm that remote learning logins for your children via Microsoft Teams will be with you as soon as possible.

I would like to mirror the apology that Boris Johnson issued in relation to the notice the Government have given to parents and schools alike. We are in unprecedented times and an incredibly fluid situation and we would like to thank you, once again, for your patience and understanding.
