

Week 8

I can't really believe it has been 8 weeks since the beginning of term and how things have changed since the Government announcement on 4th January. I would really like to say a very big thank you to all the staff for their hard work in supporting your children in providing a remote education in difficult times and their continual adaptation to my demands on improvements.

I want to thank you all for all your hard work, I do fully understand and appreciate how difficult this has been for you all. Your children have truly benefitted from your support. I believe that not only the children have learnt lots, but also us adults, particularly around developing our own ICT skills in using Microsoft TEAMS.

We are very excited to have the children back in school on Monday and get back to some normal teaching and routine. Although we have had some children in the school throughout, the environment has felt very quiet and empty without all the children and I am truly looking forward to seeing their smiley faces.

This week ended with World Book Day, although very different to previous years, great fun was had by all. I did however, have to explain my additional makeup and attire to a few adults as I had two separate virtual meetings with professionals on Thursday morning!

We look forward to seeing you all on Monday. Have a wonderful weekend.

Mrs Munday
Headteacher

Pupil Asset

We have moved over to a new system for holding information and recording assessments.

Going forward SMS and emails will be sent via this new system rather than ParentMail. When you receive SMS messages from school they will show as 'Beaupre CP' and emails will show from 'BeaupreCommunityPrimary@pupilasset.co.uk'. To ensure that your emails do not go into your junk or spam folder you may wish to add BeaupreCommunityPrimary@pupilasset.co.uk to your trusted addresses. As always please ensure that we have all of your contact information up to date and any updates or changes are advised as soon as possible.

Absences

Attendance is expected for all children, however if your child is ill or has a medical condition that you have been advised by a medical professional that they should not attend due to Covid-19 then you must contact the school to inform us. As you will appreciate, it is important that we all know where the children are and the reasons for absence. If you or your child do shows any signs of COVID19, then you must not bring them to school, but make contact with NHS 111 who will be able to advise you if you need to book a test.

Please remember that although schools have reopened for all children, the national lockdown is still in place and all other restrictions and guidance must still be adhered to.

BEAUPRE WORLD BOOK DAY - 2021

On Thursday 4th March Beaupre celebrated World Book Day. Despite the majority of the children not being in school, this did not stop us from thoroughly enjoying this special occasion. It was lovely to see all of the children's book character costumes with some adults even dressing up too. Please enjoy looking at the amazing costumes that the children in school dressed up in.

This year's theme was 'Share a Story' and children at home had the opportunity to listen to stories from not only teachers across the school, but Mrs Munday too. The links for stories by all teachers are now on the website. Please enjoy sharing these with your children.

Children enjoyed a variety of activities provided by their teachers and we were thoroughly impressed with their enthusiasm and the commitment to work produced. This year provided the unique opportunity for parents, grandparents and siblings to be more involved in World Book Day and we were so pleased with how families have supported this event and the importance of reading for pleasure at home. A huge 'thank you' for this.

We are running a competition for the children to create a facemask for a book character of choice. The closing date for this is Monday morning at 9am (full details are attached). We have already seen some wonderful entries. Details of competition winners to follow in next week's newsletter.

Again, many thanks and we hope you too have thoroughly enjoyed this event. Please keep us updated with any enjoyable reading activities that you and your children share.

Mrs Summers - English Leader

Story Links

The theme of World Book Day 2021 was 'Share a Story'. All of our teachers became mystery readers and recorded one of their favourite stories for another class to share. Mrs Munday also joined in the fun by sharing one of her favourites. Please enjoy sharing these.

BEAUPRE WORLD BOOK DAY - 2021

World Book Day 2021

To celebrate World Book Day, Beaupre are hosting a competition!

You are invited to design a facemask for one of your favourite book characters!

THIS WILL BE ONE OF THE PIECES OF WORK THAT YOU ARE SET ON WORLD BOOK DAY. HOWEVER, YOU WILL HAVE A LITTLE BIT OF EXTRA TIME TO COMPLETE IT!

The aim of the facemask is to reflect your character's personality and preferences and this is what you need to bear in mind when designing their facemask.

Please add a short description when handing in your entry to explain your choices.

Please feel free to be as creative and unique as you desire! You might choose to use paints, felt tips, stick bits onto your face mask, or you might even showcase your sewing skills!

Please send a picture of yourself wearing your character's face mask to your teacher

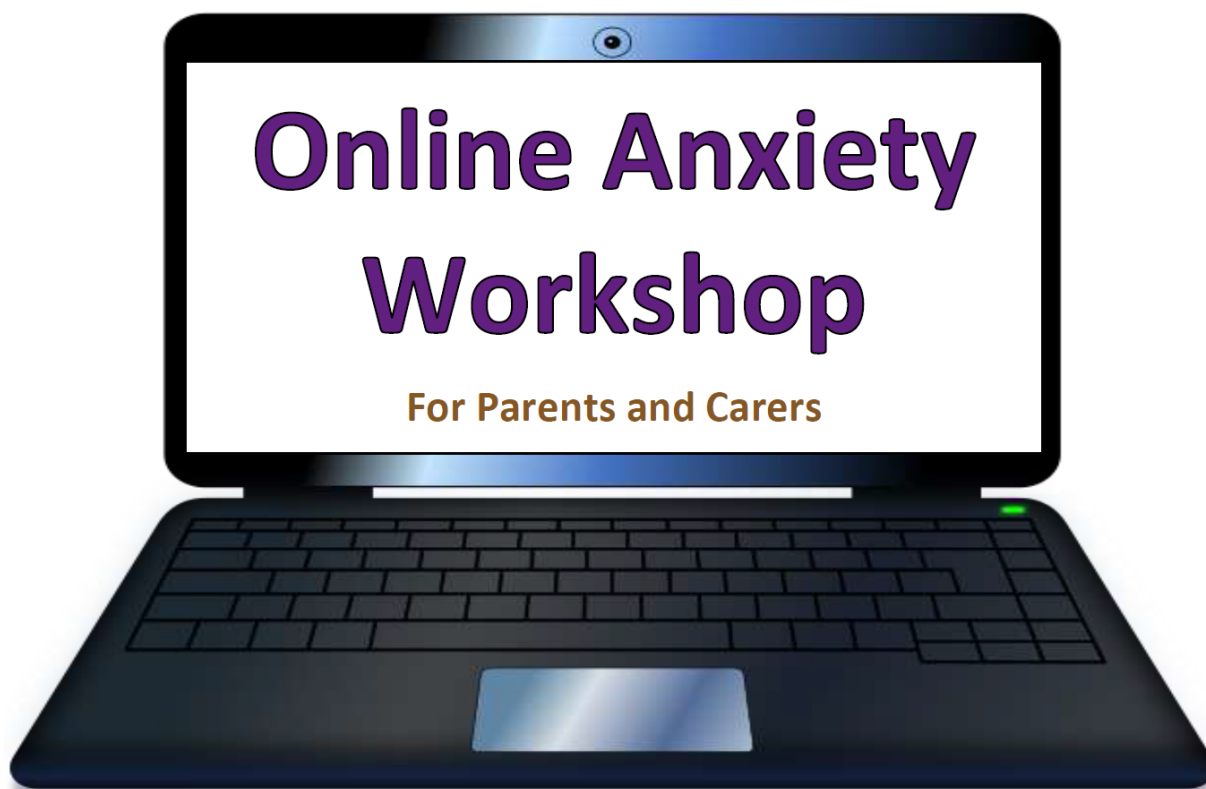

before 9am on Monday 8th March 2021.

Please upload it as an assignment attachment.

Don't forget to explain your choices!

There will be a winning prize for one child in each class!

This workshop, led by Early Intervention Family Workers, is aimed at parents and carers that would like to learn more about causes of anxiety, what anxiety is, how to help as a parent, tools, calming techniques and key strategies.

Tuesday 16th March @11am
(approx. 1hour)

If you'd like to join the workshop you will need internet access and a device able to connect to Microsoft Teams via web browser. (Full access instructions will be given once your place is booked).

We understand that you are likely to have children in the house with you and so there is no obligation for you to stay on the call the entirety of the workshop, as we appreciate you may have to leave the call from time to time.

***This workshop is for parents/carers of Primary school aged children.**

Please email to book by 12noon Monday 8th March

Link to the workshop will be sent by Monday 15th March

To book your place please contact Jurate Trumpickiene
