

### Important Dates:

24th May Green Class Ancient Egypt Day

26th May Whole School Art Day - In school activities

8th June Return to School

## Welcome

Well, what a busy week it has been here at Beaupré! On Wednesday we had a whole school Maths day, followed by a whole school Geography day on Thursday.

I saw some exciting opportunities to explore maths in real life experiences. These included: Organising a party and best value for money; designing a Zoo, including size of enclosures and cost of fencing these, exploring volume and capacity using ingredients, decorating cakes with shapes and symbols and exploring volume to make different drinks. In the Early Years, following on from last week's pirate visit, the children were finding hidden coins, counting and sorting them.

Myself and the office staff were treated to some magic tricks from Mrs Summers which she shared with the class as part of her introduction to organising a party. I am not sure if Mrs Summers is thinking of a career change, and although impressive, I am not sure if the magic circle will be calling you up to join them just yet, although

Paul Daniels would have been proud (sorry Mrs Summers)!

Thursday was just as exciting and very thought provoking for the children, as all of the children took the day to explore the environment and ways we could help save the planet and animals. Learning about the effects of plastics on the sea life, researching, creating posters, I even saw some children making clothes out of recycled material!

Next week the children will be involved in a whole school Art day and I am really looking forward to seeing the creative side of the children. They will be combining their work for a whole school collaborative piece, which I will be very excited to share with you.

Look out for next week's newsletter, where we will have a collection of photos and information from all of the curriculum days!

On Wednesday the Children in Yellow class were presented with their Leavers' Hoodies from the BFG, the first step in their goodbye to Primary School.

I hope you all have a wonderful weekend

Mrs Munday  
Headteacher

We have had lots of smiles this week from our Year 6 Leavers as the BFG presented them all with the Leavers' Hoodies. Mrs Summers also had lots of fun trying to guess the nicknames on the hoodies, she only got a few wrong, so well done Mrs Summers!

The BFG held an online meeting on Tuesday 18th May. The main topic discussed was the organisation of a Year 6 Leavers' Party. Lots of suggestions were put forward.

Due to Covid restrictions, we will be holding an outside BBQ in a large gazebo (as we can never trust our lovely English weather!). Mrs Summers is asking the children if they would like a theme, what food they would like and maybe some games.

Do you have a large BBQ we could borrow, or maybe a few smaller ones? If so please email me at [ANicholas@beaupre.cambs.sch.uk](mailto:ANicholas@beaupre.cambs.sch.uk) or contact the school office to let us know. We would be very grateful, thank you.

The next meeting will be held via Zoom on 8th June at 7.45pm. If any parent/carers or grandparents wish to join the BFG then please feel free to contact me on the email address above or if you would just like some information I would love to hear from you.

Kindest regards

Alison Nicholas

Chair of BFG

## News....

### Rainbow Class

On Monday morning, Rainbow Class found a bottle in the classroom with a message in it from Captain Booty. In the letter he explained that he was very sorry for taking Princess Mermaid's crown and making everyone so sad. He said that he'd seen it lying on the rock sparkling and wanted to keep it safe. Captain Booty said that he'd left the crown in the school grounds and asked if Mrs Eaves could hand it into the Police. He left some clues around the school for the children to follow to find the crown.

Rainbow Class read each message which took them to various parts of the school. Eventually, they ended up at the tallest tree on the field. There they found a box, high up in the tree, which contained the crown! With the help of Mrs Pepper, the box was safely lifted out of the tree.

We were all very pleased that the crown had been recovered and that Captain Booty turned out to be a friendly, kind pirate. Mrs Eaves dropped off the crown at Wisbech Police Station on her way home.

Well done Rainbow Class!

### Playing a fine tune in Orange Class:

On Monday 17<sup>th</sup> May, Orange class were very fortunate to have one of our parents, Miss Golding-Mills (Bella and Louis' mum) come into school to teach our class music. Miss Golding-Mills, is a professional singing teacher, who Bella tells me has played live shows and performed in a band, so very much an expert! She kindly taught the children a variety of music theory including; the treble clef, bass clef and other musical notes and rests, which they thoroughly enjoyed. It was an amazing afternoon and thank you again for providing an engaging learning opportunity for our children, Miss Golding-Mills.

Mrs Riley, Miss Heath & Orange Class

### Poetry at Beaupre

Red Class performed a poem called 'There's a rang-tan in my bedroom' as part of their Geography day activities, it is from a Greenpeace video about Palm Oil. Red Class's performance is available to watch on the school website. [Red Class Poetry Page](#)

# Celebrations.....

## Attendance Matters

### Attendance

Our attendance figures for the week ending Friday 14th May are as follows:

<b>Gold</b>	Purple Class	97.67%
<b>Silver</b>	Rainbow Class	97.64%
<b>Bronze</b>	Orange Class	97.45%

The winner of the 100% attendance prize for week ending Friday 14th May is Olivia in Rainbow Class.

### Above and Beyond

This week's Above and Beyond goes to Rhys in Orange Class for his enthusiasm in his learning and amazing attitude to overcoming challenges to achieve great results.

### House Points

1st	<b>Combines</b>
2nd	<b>Robots</b>
3rd	<b>Windmills</b>

### Congratulations

Well done to Oscar in Purple Class for getting not one, but two, "Man of the Match" medals in the last four weeks. Oscar plays for Wisbech St Mary Under 8s. The team finished their season on Saturday winning 4-0 to an un-defeated team YDP Peterborough.

Congratulations Oscar.
