29th June Sports Day - In school event

Welcome to this week's newsletter.

This week we have seen many of the children practicing events in preparation for sports day, which will be held next week on the 29th June, weather permitting. As per last week's newsletter, this will be an in-house event to ensure we maintain COVID safety measures for all. Please can we ask that all children attend school in their PE kit on this day and if we encounter any bad weather we will let you know of the change of date so that the children can be in appropriate PE kit for any reschedule day. Can we please also remind you that the kit should be the school PE uniform.

We have also informed all the children this week with regard to the teacher and teaching assistants that they will be with next academic year.

You should have received this via email and it is also included in this newsletter below.

I hope you all have a wonderful weekend.

News....

Rainbow Class

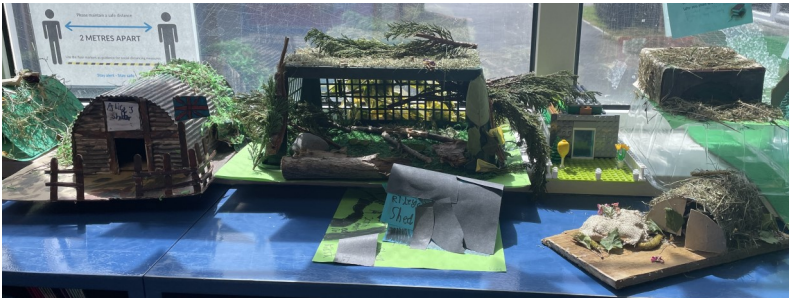

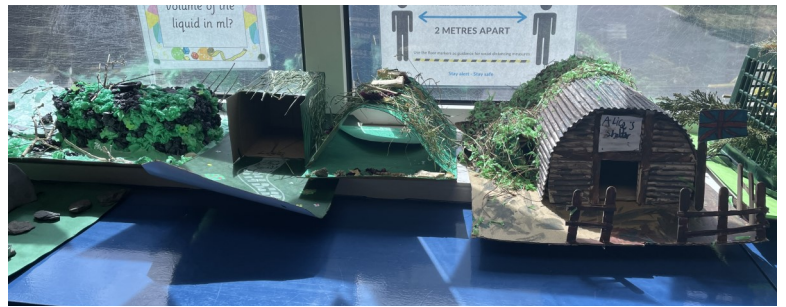

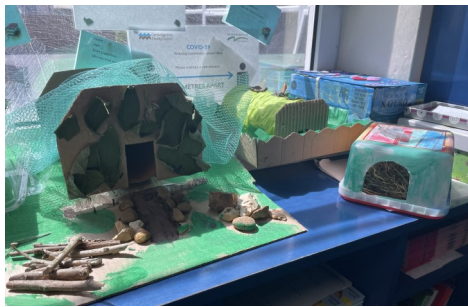

Rainbow Class have been learning about rainforests this week. We all made a rain stick, which are usually made using cacti, but we couldn't find cacti at Beaupre, so we used cardboard tubes. We then formed a rainstick orchestra and played along to our rainforest song. The effects of which can be seen today.

Blue Class

During the Summer, Term Blue Class have been enjoying their learning all about World War 2. For last week's homework I asked them to build their very own air raid shelters and gave them the freedom to build them in any way they chose. I have been so impressed by the children's projects that have been coming in that I have had to display them in the main corridor for the whole school to see! The ideas and creativity have been outstanding and every shelter has been so individual and unique. Well done, everyone!

The BFG also have their own Facebook page for the Flamingo Paperie Cards, please come and have a look and like our page and help support the school. All profits from the sales from Flamingo Paperie go straight into the school fund raising bank account, which helps towards events, resources and equipment for the children at Beaupre, every little bit helps.
