3rd September Children Return to School

## Welcome to this week's newsletter

WOW! – What an end to the year! Not one any of us were expecting or wanting. I would, firstly, like to apologise for the amount of emails and information that have been arriving in your mailbox lately, but I wanted to keep you updated with information on the current situation, the end of term and preparing for the new academic year.

It has been an exceptionally busy couple of weeks here and I would like to say a very big 'thank you' to you all, for your patience, support and kind words through a very testing time.

It doesn't seem long ago that we welcomed you all back in September 2020 and the 'New Norm' began. The children were truly amazing on their return and so enthusiastic for learning. Although restrictions meant we weren't able to meet as a school together, there was a lovely buzz around the school and it felt good to all be back. The New Year didn't go quite as planned, but we were all able to quickly adapt and get going with remote learning. It was great to have some children in school, see others on screen and see so many smiles to keep us all going. We have had some wonderful curriculum days and enjoyed having participation from parents in the virtual World Book Day too. We have tried desperately to keep things going as normal and have enjoyed some virtual visits to support the children's learning within the classrooms. Sports Day was an event we didn't want the children to miss out on and although you, as parents and carers, were unable to attend, it was great to finally all be together outside in our socially-distanced bubbles.

Sadly, we didn't get to say personal 'goodbyes' to our Year 6 pupils or families. I would therefore like to take this opportunity to wish them all the very best for the future; they will be truly missed. It is starting to sink in how long I have been the Headteacher as the final few years that I taught in Rainbow Class filter through and leave us.

I want to say the biggest 'thank you' I can to you all:

Children – you have been amazing this year, you have taken all the new measures and changes to your routine in your stride. Your enthusiasm for learning and daily smiles remind me why I do the job I do – thank you

Parents/Carers – Your support for your children and the school staff has truly been appreciated. Your personal kind words, understanding and support throughout the year have kept me going through some difficult times – thank you

Staff – this has not been an easy year, you have worked exceptionally hard, supporting the families and children, as well as adapting to many changes and many new demands! – thank you.

It only leaves me one last thing to say and that is:

Have a wonderful summer everyone, you all truly deserve it and I look forward to seeing you all again in September.

Keep safe and well.

Mrs Munday  
Headteacher

## **News....**

### **Goodbye Yellow Class**

Well, Year 6, that certainly wasn't the end to the year that we were expecting or hoping for. It's really sad that we haven't been able to spend our last few days of your primary education together. We've battled on with our online lessons though and have supported each other. Thank you for all the kind and supportive words from parents too.

It's fortunate that you were able to enjoy your leavers' party on Friday, where you played volleyball, ferociously extracted your sweets from piñatas and crazily soaked each other in a water fight. The sun set off the tropical theme brilliantly and you all had such a lovely time. A big thank you to the BFG for organising this.

Additionally, I am pleased that we were able to produce our Talent Show (just in time). For anyone who hasn't seen it, please click on the following links.

These are unlisted videos which means that they can only be accessed through these links and can't be found through searches on YouTube.

On Thursday morning, we were also able to host our Leavers' assembly remotely. It was lovely to see how you've grown physically, academically and emotionally in your time at Beaupre. As you leave us for the next stage in your educational journey, I'd like to say that it's been a privilege to be your teacher (twice for some of you) and I wish you the very best of luck.

Mrs Summers

### **Maternity Leave.**

Miss Monck will be starting her Maternity leave at the beginning of the new academic year. We wish her and her family all the very best as they await their new arrival. We will miss her during her time at home and can't wait to see another Beaupre Baby!

### **Some Goodbyes**

As well as our Year 6 children leaving, I sadly need to let you know that Mrs Iwanicka, better known as Miss Gosha to the children, will also be leaving us at the end of today. She has worked with us for many years and will be sadly missed by staff and children.

## News....

### Accelerated Reader news

We were very pleased and proud to be able to send certificates to the following word millionaires!

Keira from Yellow Class has managed to read a staggering 2,055,425 words this academic year and Caitlin from Green Class has managed to read an incredible 1,294,104 words. These were the only two children in the school who have read in excess of one million words this academic year. Very, very well done! Will you be able to achieve this next academic year?

### 100% Attendance Certificates

Certificates for children who have achieved 100% attendance this year will be given out when we return in September.

Well done!

## Important Information....

### ParentPay

We have a number of parent accounts which are in debt. We ask that you bring your account up to date, any debt on your account will carry forward to the new school year.

### Lunchtime Co - Change of Menu

#### **Change of Menu for Friday 3rd September:**
