Week 2 and it's gone so fast!

It has been a busy second week back, the children have all been busy and settling into their work with enthusiasm. It has been a real treat to see a whole school homework project to help us focus on reading. The Reading Rivers displayed around the school have been amazing and show us all that we read daily for a variety of purposes. Please look further in this newsletter for some wonderful examples.

Myself and Mrs Summers carried out an environmental work after school on Monday to look at the classrooms and the school. The reading corners and classrooms look so inviting! I even had a nice little rest in Blue Class' campsite reading corner! The children's work is already displayed around the school to celebrate their hard work and achievements.

Wishing you all a wonderful weekend.

Headteacher

Baby News

I would like to share with you that Miss Monck gave birth to another bundle of joy this week – Rose Charlotte, weighing in at very healthy 9lb 4oz. Mother and baby are doing well.

I know that you will join me in congratulating her and her family and wishing her all the very best.

School Collection

Could I please ask that at the end of the school day, you allow space around the school gate at 2:45pm for the collection of the children from the Under Five's Centre. Our gates do not open until 3:15pm which should allow half an hour for these children to be collected. I know you will agree with me that, for these very young children, it is essential for their safeguarding and wellbeing to be able to be collected in a secure and stress-free manner.

We have been monitoring the collection of children at the end of the day and the need for safety. We ask that to try to ease congestion around the gate, parents keep a fluid movement and stay to the left when walking in and out of the gate. We are continuing to monitor this and will notify you of any further changes.

Important Information

Class Teachers

Now that children have settled into their new classes, please remember if you have any questions about your child or their learning, that you can contact their class teacher using the class email address. Alternatively you can telephone or email the office to make an appointment for the teacher to telephone you.

Harvest Festival

Harvest is a time of appreciation and thanks, for the food that we eat and for those who work so incredibly hard throughout the year to provide good, fresh produce for us from all around the world.

This year, our Harvest Festival will be taking place on Friday 1st October. The children will participate in a whole school assembly lead by Daphne Calvert and as always donations will be given to Wisbech Food Bank.

If you would like to kindly donate any non-perishable goods, such as; tins of produce, dried pasta or cooking sauces, please can I ask that you send these items into school with your child starting from Monday 20th September.

I would be incredibly grateful for your continued support and generosity as every item is supporting our local community.

Kind regards,

Mrs Riley

ParentPay

We have a number of parent accounts which are in debt. We ask that you bring you account up to date, if you are having problems with Parentpay please contact the school office. Thank you.

Reminders:

If you have a change in circumstances; move house, change your telephone number or want to add or remove people to your child's contacts please contact the school office as soon as possible. This ensures we have the most up to date information in case we need to get hold of you.

If your child requires medication to be held in school (i.e inhalers, creams) and you have not been in contact with us, please call the school office as soon as possible.

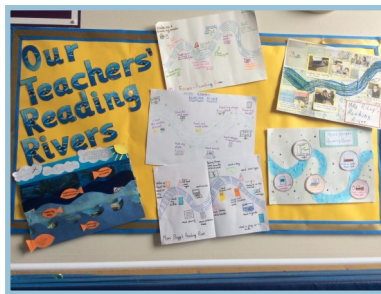

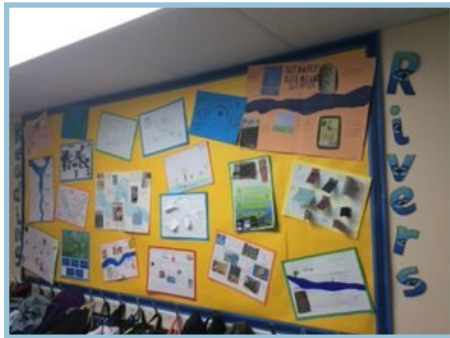

Reading Rivers

We have some exciting news with regard to Reading at Beaupre!

The whole school has been involved in a homework initiative where each child in each class has been asked to produce a Reading River. The idea reinforces to children, parents and carers that all reading is important and that everyone is a reader. Over the course of a set period (24 hours) children were encouraged to record everything that they read (their flow of reading). Examples included reading: books, magazines, signposts, writing on phones/electronic games/TV, food packets etc. Beaupre's teachers also took part, to reinforce these important reading messages to the children.

We have included photos of some of our displays, these will grow over the following weeks and we will share more of these with you soon.

New School Representatives

Peer Mediators

We are pleased and proud to announce that we have recruited new peer mediators for this academic year. Following peer mediation training for all of Yellow Class, Year 6 children were asked to formally apply for these vacancies.

The role will involve working under the supervision of an adult to aid other children in resolving conflict. Following a successful interview, we would like to say a 'huge congratulations' to: Sophia, Hollie, Ruby, Billy, Hayley, Holly, Charlie, Lily-Tayla, Isabella and Albert! You all excelled during your training and we feel that we are very lucky to have you helping to generate maturity and harmony within our school.

Laura Summers – PSHE Co-ordinator and Year 6 teacher

House Captains

As you are no doubt aware, we are in the process of developing our team houses at Beaupre and, subsequently, we are looking to recruit two House Captains for each house: Swans, Cranes, Kingfishers and Marsh Harriers.

This week, our Year 6 children drafted manifesto speeches, with their homework task being to edit, improve and rehearse their speeches. On Tuesday morning, the Year 6 children, who wish to, will have the opportunity to present these speeches to other KS2 members of their house in an attempt to secure votes. We are very proud of our Year 6 children and think that voting will be an extremely difficult task.

We look forward to updating you, in next week's newsletter, of the successful candidates.

Safeguarding

Attendance

Can we please remind you that if your child is not going to be in school for any reason, that you **MUST** contact the school every morning. The purpose is to record accurately their attendance, but most importantly so that we know where children are. We have had a number of cases where we have not been informed of why a child is off school and have been unable to make contact with parents via text, calls or emails. Our procedure in line with our policy for those that do not contact us is:

- Text parents/carers
- Email parents/carers
- Make phone calls to parents/carers
- Make phone calls to other contacts provided
- If we can not make contact, we will carry out a home visit. If no one is there we will leave a letter to ask you to make contact. If we do not hear following this, we will contact the police as a matter of a safeguarding concern.

After School Clubs at Beaupre

After a long absence, we are delighted that Premier Education will be returning for four afternoons a week with after school activities for both Key Stage 1 and Key Stage 2 children. If you would like your child to attend, you can sign up via the Premier Education website by using the link below:

Awards and Celebrations

Fundraiser!

Congratulations to Hollie who completed a Memory Walk in honour of her Great-Grandad to raise money for Alzheimer's Society on Sunday! Hollie walked from Hunstanton to Heacham and back again. She managed to double her fundraising target and raised a total of £460 for the charity which is close to her heart. Well done Hollie!

Football News

Well done to Lexie, she has recently joined Leverington U10 girl's football team. In their first match last weekend Lexie won Player's Player from her team and also was nominated as the best player by the opposing team!

Above and Beyond

Above and Beyond goes to Elsie in Orange Class for independently challenging herself in her learning.

Well done Elsie!

Well done to Ollie in Green Class who won a place on the Norwich City Development Programme over the summer. Amazing news!

Congratulations to Harri who won several awards at his first football presentation at the weekend. Brilliant!
