Week 8

Head's welcome

Welcome back and I hope that you all had a restful half term. It has been a pleasure to see all the children back and settled back into their learning. This week started with an assembly delivered on the origins of Bonfire night, the plot to blow up the Houses of Parliament to kill King James I and the capture of the plotters including the infamous Guy Fawkes.

Although many of you have already attended firework displays, as it is officially Bonfire Night today, please enjoy any displays you are visiting safely.

The weather is definitely changing. Can I therefore remind you to ensure your child comes to school with a coat. Please, as with all uniform, can you ensure that it and any hats and gloves, are labelled with your child's name.

The changing of the clocks and the season also means that the nights are getting darker, can I please remind you, particularly for those children who walk home alone, that they are visible to oncoming traffic and if there is any way you can add reflective items to bags/coats that this is an easy way to keep your children safe at this time of year.

I wish you all a wonderful weekend and I look forward to hearing about all the fireworks!

News

At the start of the academic year, Beaupre undertook a very exciting initiative, where classes across the whole school were asked to produce a reading river for their homework. The idea strengthens links between home and school reading and reinforces that all reading is valid and that

everyone is a reader.

After much consideration and debate, due to the high standard of all entries, are pleased and proud to announce the winners from each class.

Upcoming Events

Parents' Consultations

We are currently organising parental consultations for 15th-19th November and 22nd-26th November. These will be throughout the day and after school via telephone as last year due to COVID measures.

We use the **Pupil Asset Parent App** for booking Parents' Evening appointments.

If you are a new parent, you will receive an email from Pupil Asset shortly. This email gives you online access to Pupil Asset to enable you to book a Parents' Evening appointment with your child or children's class teachers.

We suggest that you open the email and follow the instructions to set up an account with Pupil Asset, **using the email address that we hold for you**. You will be asked to set your own password.

After you have registered, you can download from Google Play or IOS App Store. It is called the Pupil Asset Parent App - it is a free app. Once you have the app, you can log on using the email address and password you have set.

If you do not receive an email or have any problems please contact the school office.

The app also allows you to update your personal details, such as address and telephone updates.

We work across Cambridgeshire linking parent/carers to the right professionals.

We work to make sure you get the services you need in a way that works for you by feeding back to those who are responsible for them.

What do we do?

We offer practical sessions with visiting speakers and specialists who will be able to help you. We can support you to better help your child or young person with high quality information, practical ideas, tips and techniques.

We specialise in signposting to relevant organisations. We hold virtual coffee mornings called 'Tii Hubs' where you will always find a friendly face to chat to and can meet with other parent/carers in similar situations.
