Week 16

Welcome to this week's newsletter.

Yesterday, I took Green Class swimming. It made a real change from ploughing through emails and paperwork on a Thursday afternoon. I was really impressed with the behaviour of the children on the bus and at the pool. It was wonderful to see the children make progress within the session and really shows the benefit to children learning to swim at a young age. They moved quickly from using floats for confidence to learning how to use their legs and arms for backstroke, then putting it all together to swim a width of the pool. I was really impressed with some pupils who showed strong swimming skills and the growing confidence of others in taking their own small steps to learn new skills in the water. It was a really enjoyable afternoon - but don't tell all the teachers, as they will want me to go every week!

Updates to Lateral Flow Testing and reporting

We will no longer be sending home a general letter to the whole school about cases, **but will inform relevant classes and close contacts by letter to advise to carry out LFT testing in line with the relevant updated guidance.** Should you wish to discuss this decision, please feel free to make contact.

Please see the updated guidance for testing in the UK:

Please note from the above guidance, you will still need to book a PCR if your child develops one of the three main symptoms:

- a high temperature
- a new, continuous cough
- a loss or change to your sense of smell or taste

Important Information

Poetry at Beaupre

Please use the link below to see Orange Class's performance of Tiger, Tiger Burning Bright by William Blake. This was recorded before the Christmas break, all of the class worked very hard on it.

Thank you Orange Class.

Healthy Eating

Monday's assembly focused on healthy snacks for children. The children were encouraged to consider the benefits of healthy snacks which keep them fuller for longer and provided them with the nutrients and vitamins that their bodies need. They also learnt about the problems associated with unhealthy snacks which are high in fats and sugars and are linked to tooth decay and adult obesity and don't leave their bodies satisfied for long.

All classes suggested the following healthier snacks that they could bring to school:

Oranges, grapes, celery, raspberries, blueberries, pineapple, peach, avocado, nectarine, cucumber, banana, watermelon, yoghurt, apple, tomatoes, carrots, strawberries, blackberries, pear, gooseberries, apricot, plums, raisins, sandwich, melon, kiwi, peppers, mango, crackers, popcorn, Mini-Cheddars, cheese, breadsticks, houmous, cereal bars, gherkins, cherries, rice cakes, Babybel, breakfast bars, fruit smoothies, oats, lettuce, custard, beetroot, Ritz biscuits, parsnips, wholemeal wrap, cherry tomatoes, tangerines, Berry mix, carrot sticks, cauliflower, peas, apple juice, orange juice, Fruit Winders and Greek yoghurt.

We suggest that if you wish for your child to bring a snack to school each day that they are benefiting from a snack that is healthy.

The children made a very simple healthy snack in their classes which they had the opportunity to sample.

Banana Oat Cakes

ALL YOU NEED IS: OATS, BANANAS, FRUIT (BLUEBERRIES/RASPBERRIES/STRAWBERRIES/SULTANAS/GRAPES ETC) AND A TOUCH OF CINNAMON (NO NEED FOR WEIGHING AND MEASURING).

STIR UNTIL A STICKY CONSISTENCY IS FORMED.

DIVIDE THE MIXTURE BETWEEN THE HOLES IN A BUNTING/YORKSHIRE PUDDING TRAY.

THESE WILL NEED TO BE BAKED AT 180 DEGREES FOR APPROXIMATELY 15 MINUTES.
