Week 17

Welcome to this week's newsletter!

I started the week with an assembly on Winnie the Pooh as it was his 96th Birthday on Tuesday. It got me thinking about classic books from my childhood and Winnie the Pooh by A. A. Milne is one of my favourites. I read the story 'In which Eeyore has a birthday and gets two presents' to the children in Wednesday's assembly. There are so many classics that bring back lots of childhood memories and I hope you agree that we should be promoting these to our children. Another one of my favourites is 'The Lion, The Witch and the Wardrobe' by C.S. Lewis, which I know our Year 6 children have been looking at some extracts of in English within the last few weeks. Maybe it would be nice this weekend to share with your children stories that you and your family enjoyed when you were younger.

Face coverings and New Guidance

As of the 27th January 2022, there is no requirement to wear face coverings in communal areas or for visitors. As cases are on the rise locally, we will support anyone who wishes to continue to wear face coverings at drop off and collection and when coming to the school office.

Positive cases

We will send a letter to the class affected and possible close contacts. We continue to ask that you advise us of positive LFD and PCR results for your child so that we can correctly mark their absence and know when to expect them back in school.

Guidance appears to be changing weekly at present and we would advise that you continue to check on the Government website for the most up to date information on reporting cases and isolation requirements.

Important Information

Attendance

Can we please remind you that if your child is not going to be in school for any reason, that you **MUST** contact the school every morning. The purpose is to record accurately their attendance, but most importantly so that we know where children are. We have had a number of cases where we have not been informed of why a child is off school and have been unable to make contact with parents via text, calls or emails. Our procedure, in line with our policy for those that do not contact us is:

- Text parents/carers
- Email parents/carers
- Make phone calls to parents/carers
- Make phone calls to other contacts provided
- If we can not make contact, we will carry out a home visit. If no one is there we will leave a letter to ask you to make contact. If we do not hear following this, we will contact the police as a matter of a safeguarding concern.
