Week 19

Welcome to this week's newsletter.

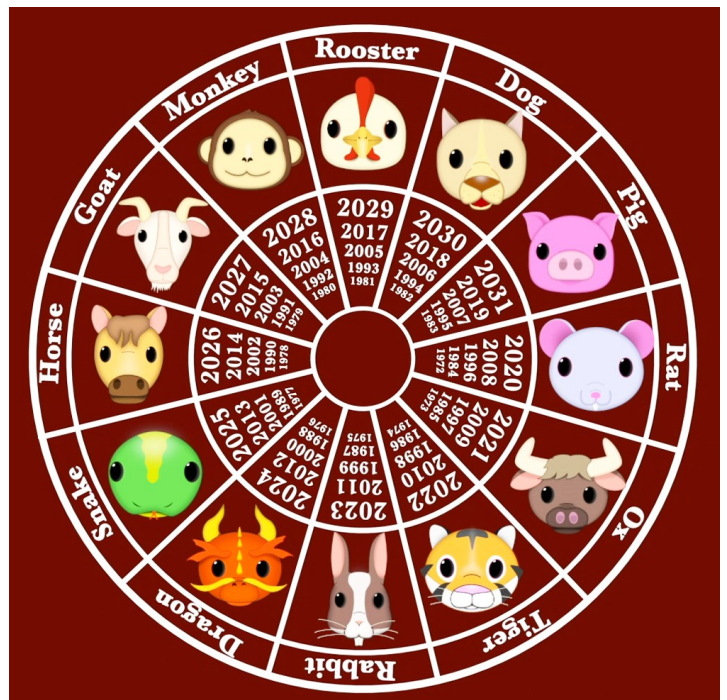

This week was the start of Chinese New Year. Miss Bagg led an assembly on Wednesday about the Chinese celebrations and customs.

This year is the year of the Tiger. The tiger embodies **courage and bravery**, so the new year could symbolise resilience and strength - even in times of struggle.

You can use this Zodiac wheel to find out which Zodiac animal you are by the year you were born in. Which animal are you?

Wishing you all a wonderful weekend.

World Book Day 3rd March 2022

Beaupre will be celebrating World Book Day on the 3rd March, with more details of the days plans to follow after half term.

We will be sending home World Book Day Vouchers next week so that the children have them for half term.

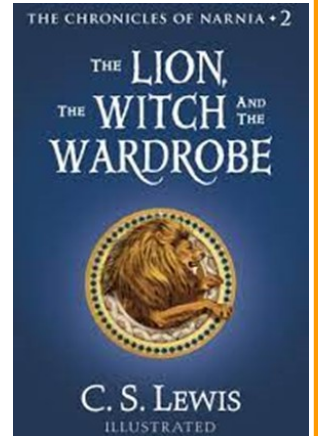

News

This week, Mrs Munday, would like to share their treasured childhood book with you:

The Lion, the Witch and the Wardrobe, by C.S. Lewis

Growing up, as a child the book I remember the most was a story that grabbed my imagination, took me into another world and allowed me to think beyond the normal world into a magical one.

The Lion the Witch and the Wardrobe, follows four siblings, Peter, Edmund, Susan and Lucy, as they are evacuated from London during World War II and go on to live with a professor. To their surprise, the wardrobe in the professor's spare room is actually a portal to another world, Narnia.

Narnia has lived in winter for over one hundred years as all those there live in terror under the White Witch's reign. As the children enter the mysterious world through the wardrobe, they meet many characters including a Faun and Mr and Mrs Beaver. The children set off on a long and perilous journey to find Aslan - the King and Lord of Narnia. Together, the children join forces with Aslan's army against the heartless and wicked White Witch. The children each learn how they individually can help save Narnia. But will any of the children get enchanted by the wicked Queen and change sides?

World Religion Day 2022:

World Religion Day at Beaupre Community Primary School took place last Friday, 28th January. I was lucky enough to have a small glimpse into every classroom to see the wonderful, creative and engaging activities, which were taking place.

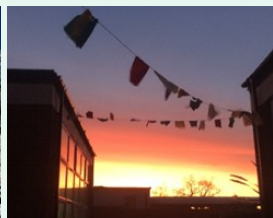

It was delightful to see how far the children have come in developing their knowledge of the 6 main religions of the world and the enthusiastic conversations I had with the children certainly emphasised this. Please do ask your children as to which religion they were learning about and what they learnt, as their vocabulary and cross-curricular links to Maths, Art and Design, as well as, History and Geography really blew me away!

Rainbow had been learning about Sikhism, creating their own 'Gurus' which they were able to explain meant 'Teacher'. Red Class were building Hindu temples from geometric blocks and were discussing that a temple is a place Hindus visit to pray. Blue Class were learning about Christianity and developed their knowledge of Christian symbols and created their own stained glass windows. Purple Class learnt about the religion of Islam and decorated jars to represent and symbolise the Islamic festival of Eid. Green Class were learning about Buddhism and created flags including Buddhist symbols and a prayer they had written using the core Buddhist beliefs. Orange Class explored Hinduism linked to our Geography topic of the Indus Valley, we sampled various Hindu cuisine including poppadums' and chutneys. We created Hindu gods from felt and lanterns to symbolise the Diwali festival of light. Similarly Yellow Class also made cross-curricular links to History and Geography linked with their current learning of WW2. The children were learning about Judaism and created Dreidels using chocolate and marshmallows.

Overall the children said they had a wonderful day and it certainly supported their religious knowledge and understanding.

Thank you to everyone for making this day such a success!

BFG - NOTICE OF AGM

Thursday 24th February 6.45pm via Zoom

Beaupre Fundraising Group is a small, friendly committee made up of parents, carers, grandparents and staff at Beaupre. We have a lot of fun organising events for the children in a relaxed and welcoming way. In the past we have organised Halloween Discos, Christmas and Summer Fayres, Easter celebrations as well as Year 6 leavers events and much more. All of the profits made from events go into the school to help buy equipment and resources for the children of Beaupre. We have previously funded picnic benches, playground toys, wooden classrooms, and each year fund the new Reception children with a book bag and Year 6 leavers hoodies.

We usually meet once every half term for a couple of hours to organise dates and events for the coming term, obviously this has been difficult in the last couple of years but we are still here and have tried to remain active throughout the pandemic.

To continue all of the great work of previous committee members **WE NEED YOU!**

If you are interested in being part of the BFG, or attending the AGM please contact me on anicholas@beaupre.cambs.sch.uk for the details.

Without the parents/carers of Beaupre the BFG would not be able to exist. Your ideas, volunteering and support is so important and very much appreciated by the committee, staff and children. Please continue to support the BFG so we can continue to fundraise for the children of Beaupre.

Kind regards

Alison Nicholas
