Week 21

Welcome back to the second half of the Spring term, I hope that you all had a wonderful week.

The week started with an assembly about chasing the clouds away, where we talked about how we all have times where we feel gloomy and things can sometimes get on top of us. We discussed how we could help ourselves and others to chase these feelings away and feel better by using strategies and helping each other out during difficult times.

This half term is looking very busy and eventful and I look forward to many of the exciting days, including next week's World Book Day, followed by Science day, Comic Relief and Maths Day later in the term.

Enjoy your weekend,

Mrs Munday
Headteacher

Yellow Class

Valentine's Chocolates

In order to support our persuasive writing, Yellow Class has explored luxury Valentine's chocolates with all of their senses. Their gathered vocabulary proved essential in their final written pieces which supported the children in recording persuasive advertisements at the end of this short unit of work.

In today's lesson, the children completed their unit on luxury Valentine's chocolates by recording a persuasive advertisement in I-Movie. The children were able to explore the I-Movie features and incorporate the vocabulary and persuasive techniques that they have learnt over the week. The advertisements were then shared and critiques were given. A prize (chocolate, of course) was awarded for the best advert! With the help of Mrs Munday and Mrs Riley, it was decided that the winners were: Szymon, Bella-Eve, Levi and Matilda

World Book Day - 2022

On Thursday 3rd March 2022 Beaupre will be celebrating World Book Day. Children are invited to come to school dressed as a book character of choice. Exciting opportunities will be planned around reading throughout the day in school.

Please read on for details of our competitions that you might wish to support your child in entering.

Your child will have brought home a £1 book voucher before the half-term break which can be used to purchase or put towards a book of choice (many major retailers will redeem these vouchers).

This year's theme is 'Everyone's a reader' which supports reading for pleasure. Please see the following information that you might find of interest.

World Book Day 2022

To celebrate World Book Day, Beaupre are hosting, not one, but two competitions!

Class Competition:

You are invited to decorate a potato as your favourite book character!

Please feel free to be as creative and unique as you desire!

Please bring your potato book character into school for judging:

Before 9am on Tuesday 8th March 2022

There will be a winning prize for one child in each class!

Whole School Competition

You may remember that at the start of this school year, all of Beaupre's classes took part in a reading river homework project. This gave every child the opportunity to document their daily reading journey and recognise how essential reading is, that all reading is valid and that everyone is a reader.

Everyone is a reader - this is the theme for World Book Day 2022

Reading is everywhere! We read for functional reasons: a road sign, a recipe, or even a text messages. We read to become better informed about matters big and small. We read to be inspired by new ideas and experiences. But most importantly, reading is for everyone. There should be boundless opportunity to access books and reading material that speaks to your curiosity, your experiences and your heart. Nowhere is this more important than in childhood where you can build a foundation for a lifetime of reading.

Reading for Pleasure is reading of your own free will, reading a subject matter of choice and gaining satisfaction from it.

You are invited to send in photographs of yourself or you and your loved ones reading for pleasure.

Please send your photographs to: admin@beaupre.cambs.sch.uk

Closing date: 9am on Tuesday 8th March 2022

There will be a first, second and third prize from all entries across the school.

Lunchtime Co - Sticker On Your Plate Competition

Children having a school meal on Thursday 3rd March will be entering the 'sticker on your plate' competition. Once lunch is finished, check the bottom of your plate, if you have a sticker, you win a prize.

Old but Gold

This week, Miss Brand, would like to share her treasured childhood book with you:

I remember reading the Animorphs series as a child and being gripped by the action and sci-fi genre.

The premise is that there are five children who have the ability to transform into any animal they touch. They use this power to try and battle a secret alien invasion of Earth.

The aliens, or 'Yerks', are a slug-like creature that get inside their human host through the ear canal and take over their brain.

The animorphs can assume the form of any animal they touch by acquiring the DNA of that animal. But there is a catch; if they stay in animal form for more than two hours, they would be stuck like that forever and never be able to return to human form!"
