Week 27

Welcome back to the start of the Summer Term and I hope that you all had a lovely break and time to catch up with friends and family and enjoy the sunny weather.

The Summer Term always seems to go so fast! Finally, we can enjoy some of the normal activities such as school trips and summer events that we have missed out on for the past two years. It is a busy term with SATs, transitioning to high school for our Year 6 pupils and welcoming the new children who will join us in September 2022.

The children have returned with a good attitude to learning and I know that the teachers have many wonderful learning opportunities planned, which I am looking forward to seeing and sharing.

Wishing you all a wonderful weekend.

Mrs Munday
Headteacher

Queens Platinum Jubilee - 70 Years of Service.

To celebrate the Queen's Platinum Jubilee, we will be having a special day in school on Friday 27th May just before we break up for the May Half Term.

We are currently working with the children who have written persuasive letters on the activities that they would like to take place, on top of those already planned.

On this day we would like the children to come dressed in red, white and blue.

Lunchtime Co. will be offering a special Jubilee Lunch on the day for those wishing to order. We are hoping to come together on the school field for Royal Picnic Lunch (weather permitting!).

Further information on the day's events will be shared with you in the coming weeks.

Important Information

Assessment and SATs time!!

We are approaching the time of year when National Assessments will be taking place.

Year 6 children will be carrying out their end of Primary School SATs in the week commencing 9th May. **We ask that all Year 6 children are in school for this week.**

Year 2 will be carrying out their 'Quizzes/Tests' during May, with Key Stage 1 children carrying out Phonics checks in the week commencing 6th June.

Year 4 children will taking part in Multiplication Table Checks between 6th and 24th June.

Attendance

Can we please remind you that if your child is not going to be in school for any reason, you **MUST** contact the school every morning. The purpose is to record accurately their attendance, but most importantly so that we know where children are. We have had a number of cases where we have not been informed of why a child is off school and have been unable to make contact with parents via text, calls or emails. Our procedure, in line with our policy for those that do not contact us is:

- Text parents/carers
- Email parents/carers
- Make phone calls to parents/carers
- Make phone calls to other contacts provided
- If we can not make contact, we will carry out a home visit. If no one is there we will leave a letter to ask you to make contact. If we do not hear following this, we will contact the police as a matter of a safeguarding concern.
