Week 33

Welcome back to the final half term of the school year!

I hope that you all enjoyed the extended week and Jubilee celebrations with your family and friends. This week has already been busy with our Year 1 children carrying out their Phonics checks.

We have got a very busy half term with school trips, visitors, special days, sports day, transitions to new classes and high schools. Year 6 children are involved in a variety of activities in the run up to the end of year as part of their farewell to Beaupré.

Please check the 'Dates for your Diary' page each week for new events and updates.

I wish you all a great weekend.

Orange Class meets author Maisie Chan:

On the afternoon of Thursday 9th June, Orange Class were fortunate enough (as part of the Wisbech Reads Programme) to virtually meet the author of 'Danny Chung does not do maths' Maisie Chan.

The children had previously collated questions they would like to put forward not just about the book, but about Maisie's inspirations when growing up. I am very proud to say Beaupre, for another year running, were chosen to have a majority of their questions answered across the County. The children asked Maisie questions such as: Do you like Maths? How long does a book take to publish? Do you have a regular job, as well as being an Author?

Myself and Mrs Connell were impressed by the children's engagement and enthusiasm throughout the conference. We will again this year be entering the writing competition so watch this space!
