## **Collaborative Learning Opportunity – Years 5 and 6 – Crime Solving**

Years 5 and 6 have had an incredibly exciting week with their learning! The police have been in attendance twice! On Monday, Years 5 and 6 commenced a collaborative unit of work based on the disappearance of the school's caretaker! The children were asked by Denise's '*husband*' to help to discover her whereabouts following her not returning from work on Monday morning. Mr Dawe also expressed his concern at finding her treasured duster at the bottom of the school field! The children used the information provided by Mr Cochrane to produce missing posters and victim profiles for Denise. PC Wise briefly visited and asked the children to find as much information as they could, whilst he made preliminary enquiries.

On Tuesday morning, Mrs Summers and Mrs Riley further examined where the duster had been found and were shocked at discovering further suspicious items, including a ransom note! They promptly called on Years 5 and 6 for their assistance in compiling a list of suspects and possible motives.

On Wednesday afternoon, Denise still had not been found and the children were informed that Denise's disappearance had made local news. During the programme, breaking news was announced: the police had arrived at Beaupre!

### [Fen News Report](#)

PC Wise listened to the children's suspicions and searched the crime scene himself, carefully placing the clues into evidence bags. Mrs Munday and our English governor, Mr Gibb, were even drafted in for support.

## Collaborative Learning Opportunity – Years 5 and 6 – Crime Solving

The circumstantial evidence of: finding a missing hoop earring (witnesses had spotted that Mrs Riley was missing on the day before); the fact that the ransom note had splodges of tomato soup on it (Mrs Riley's favourite); Nissan keys being found at the scene and Mrs Riley's erratic and dismissive behaviour surrounding Denise's disappearance, which all resulted in her subsequent arrest!

The police interview (audio only) <https://www.youtube.com/watch?v=HTJh83j88bg>

Mrs Riley was charged with kidnapping Denise, the motive being primarily Denise's undeserved recent lottery win, alongside concerns that Denise's cleaning capabilities didn't always meet Mrs Riley's impossible expectations! After consideration, Mrs Riley was released on bail, due to PC Wise recognising the importance of her commitments as a teacher.

But...Where is Denise now?

Well, Mrs Riley was right! She's recovering from her ordeal in the sun!

## Gressenhall and Farm and Workhouse

On Monday, the children in Purple Class had a fantastic day out at Gressenhall, a Victorian Workhouse.

The day started with the children being introduced to the four characters that they would meet during the day. They discovered that there had been a crime that they needed to solve by finding clues throughout the day!

The children got to experience a Victorian lesson led by a Victorian Master, who took them through some handwriting, times tables, History and Geography. One child even got to wear the Dunces' hat!

Mr Clacket, an inmate of Workhouse took the children around and told them how horrible the conditions were and how the people that had to live there were treated. After lunch, the children went down onto the farm and completed some work including; sweeping the yard, cleaning the equipment and practicing milking a cow. We met the Farmer and saw a working horse, attached to Victorian machinery.

The children got to have a look around a Victorian house. Whilst in the kitchen, the children had the chance to eat pancakes made on a coal stove. Finally, the children helped do the laundry, Victorian style!

At the end of the day, we discussed which characters could have committed the crime. The culprit was revealed with most of the children in the class having correctly guessing the guilty party!

All children and staff had a fantastic day, filled with learning, new experiences and completing different activities.
