Week 36

Welcome to this week's newsletter!

It was great to see so many of you attend our Sports Day on Tuesday morning, with the weather remaining warm and dry for us all. For many it was their first sports day and I was incredibly proud of all the children with their behaviour, support for each other and great sportsmanship too. I would like to say a big thank you to Mr Davies for organising the event and to all the staff for their support and hard work to make the event run smoothly.

This week, we have received a book for each child from the DFE to celebrate the Queen's Jubilee. Children will bring their book home with them today or early next week. This will add to the other jubilee memorabilia they have already received.

Wishing you all a wonderful relaxing weekend.

Mrs Munday
Headteacher

Sports Day 2022

SPORTS DAY 2022

With a warm sun, a cooling breeze and seats filling before the athletes had even taken their places, the scene was set for a busy and highly competitive morning. Sports Day was back! The day that the children had been practising for and building towards had arrived.

After such a long break, it was brilliant to have the parents back in with us again, cheering and encouraging the children along as they raced determinedly down the track. We'd like to thank you all for making the effort to join us. Your presence really does help to make it special.

Children had competed in heats before the big day to try to keep the racing close, which worked when we began with some very closely contested sprints. The egg and spoon race followed, creating some surprise results.

Then a new event, the long distance race, was run for the first time with Orange and Yellow classes competing for their teams. Children were given the choice of whether they wanted to run and we were delighted that so many did. A mass start and one lap of the field with points available for every runner taking part.

The skipping races were next, showing real perseverance from some children before the final track event; the obstacle race, demonstrated by Charlie. This set us up for the team through a hoop challenge which is always slightly chaotic, but highly entertaining.

There was great sportsmanship on display and we were impressed with the positive attitude and the way that everyone was prepared to give it their best go. All the children played their part wonderfully. There were brave performances in all classes, top quality racing and very close finishes in many races.

A massive thank you to all the school staff who helped set up before school, and who worked hard throughout the event to make sure that the children were looked after and in the right place at the right time. A big thank you to the Year 6 house captains and volunteers who helped distribute stickers, support races and shuttle equipment back to the start to keep the event running smoothly.

Mr Davies

Important Information

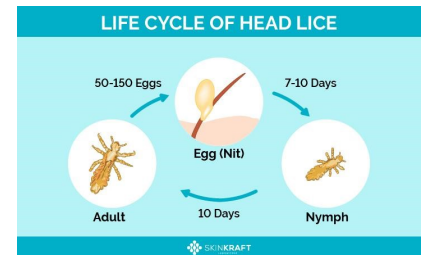

Headlice

We have had a report of a case of head lice in school. We would like to remind you to check your child's hair regularly for head lice and treat accordingly.

Long hair should be tied back in school at all times.

Appropriate Online Games

We are aware that some children have been playing or viewing videos of an online game called Poppy Playtime. This game contains frightening images that are paired with child friendly items.

As part of our safeguarding we would like to remind you of age appropriate TV, games and videos and to be mindful of what your children may be viewing on line.

Parents who wish to access further information about online safety, such setting up parental controls and protecting young people on the internet, can visit www.internetmatters.org.

Rainbow Class

On Friday, Mrs Slade, a Dental Nurse, visited Rainbow Class. She explained how we needed to look after our teeth and demonstrated how to clean them properly with the aid of 'Malcolm', a prosthetic set of teeth. We talked about what food was good for our teeth and what food is not so good. Mrs Slade then read us a story about visiting the dentist and gave us the book to keep. She asked us all to draw our faces on a paper plate and to pay particular attention to our teeth. Mrs Slade also gave us our very own little 'Malcolm' to keep in class so that we can practise brushing teeth.

We had such a great afternoon and we do hope that she will visit us again next year. Thank you Mrs Slade!

Orange Class

In Orange Class, our topic is the Tudors this half term. We re-enacted the execution of Ann Boleyn, (Mrs Riley) her ladies/men in waiting were devastated as they lead her to her death. The hostile unruly crowd threw rotten fruit and vegetables as she walked through the streets to The Tower and to the hooded executioner who would slice her head off with his sword. The children thoroughly enjoyed the experience and produced some excellent pieces of writing.
