Purple Class Parent Assembly - Wednesday 20<sup>th</sup> March  
BFG Mother's Day Gift Shop - Friday 22<sup>nd</sup> March

### Science Day 2019

As part of British Science Week, which continues on until Sunday, Beaupré held its Science Day on Thursday. The theme of the day was journeys. After a Science themed assembly, Rainbow, Red and Blue classes journeyed back in time to learn about dinosaurs and create worlds for the models they made. Key Stage 2 thought about the journey to school and after carrying out an experiment to investigate pollution around the school gates, worked hard to come up with a range of ways to improve the air quality.

Through a range of activities during the afternoon, children enjoyed investigating journeys into space and air travel using paper aeroplanes. We also looked at Matilda's magic journey and the hungry caterpillar's journey. Looking at a germs journey, we thought about how this might be halted. The Children had a busy

and enjoyable day of science learning. Thank you to all the staff who worked so hard to make it a success, and the children who grabbed the opportunities presented throughout the day.

Mr Davies

### Blue Class – Cake Sale

Following the topic in Blue Class about polar bears, we have decided to hold a polar bear cake stall next Tuesday playtime. Cakes will be 30p and polar bear themed. All money will go towards adopting our own polar bear to help with these endangered species.

### World Book Day

Last Friday saw an amazing World Book Day at Beaupré. Among lots of exciting activities, each class decorated their door in the theme of a book. All the doors were amazing and a wide selection of books were used as inspiration. The winners were Rainbow Class, for their 'Cat in the Hat', their prize was extra playtime and cake.

### Maths Day

On Wednesday 27<sup>th</sup> March the whole school will be taking part in Maths Day. Plans for the day include each class taking part in two walks, one around the school grounds and one around the village. The walk around the village will be 1 class at a time and will take approximately 45 minutes. As part of our school permission consent forms you have already agreed that you are happy for your child to take part in village walks. Therefore we do not require a signed consent form from you. If you have any queries concerning this please contact the school office. If you are able to help with classes walking around the village please contact the class teacher or the school office.

### Tempest Photography

The re-arranged date for Tempest Photography to be in school and take whole class and year 6 leaver photos is Monday 1<sup>st</sup> April.

### BFG

#### Mothers Day Gift Shop

The BFG's Mother's Day Gift Shop was held yesterday and was very successful, there will be another chance to purchase gifts on FRIDAY 22<sup>nd</sup> MARCH

#### Disco

Our next disco is on Friday 29<sup>th</sup> March - Rainbow, Red and Blue Classes from 6pm to 7pm followed by Purple, Green, Orange and Yellow Classes from 7:15pm – 8:15pm. Tickets will be available from Monday 25<sup>th</sup> March from the school office or from BFG members on the playground. Please collect children promptly from the middle, breakfast club, door at 7pm and deliver the older students via reception for a 7:15pm start. We cannot let the older students in until the younger ones have left. Tickets are £1.50 per child and every additional child from the same family is £1.00

### Red Nose Day

Today we joined the nation in supporting 'Comic Relief'. It was again amazing to see so many supporting such a worthwhile charity. As a school we have raised £119.07 so far. Thank you for all your support.

### Parents Evening

It was again a very successful parents evening. It was wonderful to see so many of you and to share the progress with you about your children. Thank you to all those who completed the parental questions; these are always very useful to help us move forward. The results are attached to this newsletter. Overall the results were very pleasing, but as always we value your opinions on matters which need improvement. If you would like to discuss any concerns you may have or have ideas to help us develop further as a school, please feel free to come in and talk to me.

### Attendance

Our attendance figures for the week ending Friday 8<sup>th</sup> March are as follows – Gold is awarded to Green class with 98.7%, Silver goes to Yellow class with 97.3% and Bronze to Purple class with 97.1%. The winner of last week's 100% attendance prize is Logan in Green class.

Please remember that if your child is unable to attend school for any reason it is important for parents to notify the school, by phone, **on each morning of an absence** to confirm why they will not be in. This important procedure is in place for safeguarding reasons. I am sure you would agree that it is important for everybody to know where the children should be, as soon as possible, on a daily basis.

Please be aware that if your child has 3 or more days unauthorised absence within 4 weeks the school may be required to refer for a penalty notice. Additionally the school may be required to ask for medical evidence in order to authorise more than 3 days off sick.

### Achievements

Well done to Henry from Purple class who achieved his red belt in karate last weekend.

A double congratulations to Seth in Blue class who also achieved his red belt in karate last weekend and passed his Stage 3 in swimming this week.

We wish Harry S from Green class good luck for tomorrow as he travels away with Peterborough United to play Watford.

**Housepoints**

In 3<sup>rd</sup> place this week is Windmills, 2<sup>nd</sup> place goes to Combines, and in 1<sup>st</sup> place Robots.

**Above and Beyond**

This week's 'Above and Beyond' is awarded to Isabella H from Green Class for her consistent positive attitude to learning and politeness to all.

Hoping you all have a wonderful weekend.

Yours sincerely,
