### **Training to Teach**

Have you ever thought about becoming a teacher but never known where to start?

To provide further information on teacher training within Fenland and East Cambridgeshire, there are information evenings being hosted in the region. The information evenings will offer the chance to hear about the training pathways available and how you will be supported through the process.

Please see attached flyer for information on the evenings and how to reserve your place.

By attending an information evening, you will learn about the qualifications needed to apply, the training you will receive and all other aspects of the programme, as well as having the chance to discuss specific queries.

A school-based training route gives you the opportunity to learn about key teaching practices while gaining invaluable experience within local schools and is ideal for a variety of different people including graduates, teaching assistants or volunteers, career converters or people wanting a different and rewarding challenge.

No matter what stage of your career you are at, you are warmly invited to attend an information evening and hear about how you can progress your career while making a real difference to the lives of young people in our community.

### **Playground after school**

Can I please remind you that after school when children have been released to you, that they are then your responsibility. If you remain on school grounds, then the normal school rules and respect for the school environment still apply. This week, some children returned to school on their bikes to ride on the playground. No bikes or scooters should be ridden on the playground at any time. Please be aware of where your children are after school for their safety.

### **Uniform Order Dates**

Many of you may be thinking ahead to the new school year, please make a note of the last order dates and delivery dates of uniform on the Dates for Your Diary.

### **The Brinks Colour Run**

Please see attached flyer for The Brinks' Colour Run, taking place in Wisbech Park on Sunday 19<sup>th</sup> May.

### **BFG – Bags 2 School**

Bags need to be back in school on **8<sup>th</sup> May before 9.00am** please. Unwanted clothing, shoes, bags, soft toys, bedding, curtains and throws can be included.

### **Attendance**

Please remember that if your child is unable to attend school for any reason it is important for parents to notify the school, by phone, ***on each morning of an absence*** to confirm why they will not be in. This important procedure is in place for safeguarding reasons. I am sure you would agree that it is important for everybody to know where the children should be, as soon as possible, on a daily basis.

Please be aware that if your child has 3 or more days unauthorised absence within 4 weeks the school may be required to refer for a penalty notice. Additionally the school may be required to ask for medical evidence in order to authorise more than 3 days off sick.

**Above and Beyond**

This week's 'Above and Beyond' is awarded to Dalton from Orange Class for his dedication to his homework project.

Wishing you all an enjoyable bank holiday weekend.

Yours sincerely,
