Maths Learning Day

"Beaupre school celebrated Maths this week in a whole day of problem solving, reasoning and Maths related activities. Each class had a turn going on a Maths trail around the village and around the school to investigate Maths questions in the real world. We estimated the height of the clock tower, found shapes, numbers and days of the week in our local area. Each class took part in their own Maths activities during the day as well, including writing a Maths story, calculating how many legs in different groups of animals and making sandwiches using fractions and percentages. Everyone enjoyed the day and it really opened our eyes to Maths all around us!"

Rainbow Class – Breaking News

“Today we said farewell to the Big Good Wolf who had escaped from Banham zoo. It all started two weeks ago when we received a letter from Banham zoo telling us that a wolf had escaped. Rainbow class wrote letters to each class warning them about the wolf. We took them around the school and read them out. Everyone got involved looking for him. Rainbow class have been working hard to find him and make friends after he left us a letter saying he was lost, sad and lonely. We then received another letter, this time from Little Red Riding Hood. It said that the wolf had been seen in the woods sneaking around Grandma's cottage and that her teeth had gone missing. After a lot of discussion, Rainbow class decided to make a picnic for Grandma containing 'soft' food which she could eat without her teeth in. We made jam sandwiches and filled a picnic basket with cake, yogurt and watermelon. However, Little Red Riding Hood did not get the chance to collect the basket as the wolf found it first and ate the picnic.

We caught him on our surveillance camera. What a mess he made!!! He left us a note to say thank you for the food and apologising for the mess. He was hungry and lost. Rainbow class made missing posters in the hope that they could find him and make friends. We made a list of all the things we could do to cheer him up and decided to give him a party on Friday afternoon. Everybody wrote an invitation.

However, Mrs Connell managed to find him early this morning and agreed to take him home to his family. Thank you Rainbow class for all your hard work and enthusiasm. We shall celebrate the wolf going home.”

Please remember that if your child is unable to attend school for any reason it is important for parents to notify the school, by phone, ***on each morning of an absence*** to confirm why they will not be in. This important procedure is in place for safeguarding reasons. I am sure you would agree that it is important for everybody to know where the children should be, as soon as possible, on a daily basis.

Please be aware that if your child has 3 or more days unauthorised absence within 4 weeks the school may be required to refer for a penalty notice. Additionally the school may be required to ask for medical evidence in order to authorise more than 3 days off sick.
