Yellow Class News

Yellow Class has had an exciting and fun-filled week following their SATs!

At the start of the week, the children explored recipes and followed a recipe to allow them to make chocolate cakes. They then used this information to write instructions. Additionally, the children spent time considering suitable adjectives to describe the look, smell and taste of their chocolate cake. This enabled them to write a narrative about spotting the cake, naughtily eating and then getting caught in the act!

The children have also extending their science knowledge with regard to living things this week. The children conducted an experiment to explore the best conditions in which yeast will activate and were able to formally record their experiments. On Thursday, the children were fortunate to have a visit from a Police Constable. They were able to further their knowledge about the Law and the Criminal Justice System. Subsequently, the children were able to write informative non-chronological reports using this information.

On Thursday 23rd May, Yellow Class were fortunate enough to benefit from a visit by PC Tracey James. The children learnt about what happens when someone is arrested and how this is consequently referred to the courts. The children learnt about the equipment and resources available to the police and were able to use this information to write non-chronological reports.

During some afternoons this week, children have been busy auditioning for roles in our forthcoming summer musical (Mary Poppins). I was sincerely impressed with the children's enthusiasm and ability in this regard. Main roles have been allocated and scripts have been sent home. Happy practising!

Attendance

Our attendance figures for the week ending Friday 17th May are as follows – Gold is awarded to Green Class with 97.9%, Silver goes to Purple Class with 97.5 and Bronze to Yellow Class with 97.3%. The winner of the 100% attendance prize for week ending 17th May is Oscar in Green class.

Please remember that if your child is unable to attend school for any reason it is important for parents to notify the school, by phone, ***on each morning of an absence*** to confirm why they will not be in. This important procedure is in place for safeguarding reasons. I am sure you would agree that it is important for everybody to know where the children should be, as soon as possible, on a daily basis.

Please be aware that if your child has 3 or more days unauthorised absence within 4 weeks the school may be required to refer for a penalty notice. Additionally the school may be required to ask for medical evidence in order to authorise more than 3 days off sick.

We have continued to see a rise in lates, and would remind you of the importance of your child being in school on time every day to ensure they get the best start to the school day and do not miss out on any learning.

What sort of start is your child getting?			
Just a little bit late doesn't seem much but...			
He/She is only missing just...	That equals...	Which is	Over 13 years of schooling that's
10 minutes per day	50 minutes per week	Nearly 1.5 weeks per year	Nearly half a year!
20 minutes per day	1 hour 40 mins per week	Over 2.5 weeks per year	Nearly 1 year!
Half an hour per day	Half a day per week	4 weeks per year	Nearly 1 and a half years!
1 hour per day	1 day per week	8 weeks per year	Over 2 and a half years.

Did you know your child's best learning time is the start of the school day?
That's when every minute counts the most!
School starts at 8:40am
Ask about help with getting your children to school on time everyday.
