### **Week 1!**

Welcome back to the new school year, I trust you all had a lovely summer holiday. I would like to welcome all the new children and families who have joined us; please remember to just ask if you are unsure of anything. It is always a pleasure to see the children on their return and how much they have grown over such a short period of time.

The children have all come back looking smart in their school uniforms and ready for their learning this academic school year. Please can I remind you to label all the school uniform in the hope that we can reduce the amount of unnamed lost property this year!

You should have received a letter this week from your class teacher welcoming you and giving information about the learning and homework for the class. A class timetable and 'What we are learning this half term' was also attached. Please remember to just ask if you are unsure of anything.

We are very excited about the new school year and all the wonderful learning opportunities ahead, which I look forward to sharing with you.

Mrs Munday (Headteacher)

### Contact with Class Teachers

We are still using the class emails to support you with communication with your child's class teacher. Please be aware that the teachers will not be able to answer your emails during teaching time or outside of working hours, but will endeavour to get back to you as soon as possible, this could be up to 48hrs. If it is essential that the teacher needs to know the information that day, then please either email or phone the school office so that the information can be passed on.

# News

We've had a fabulous start to the year welcoming all the new children into Rainbow Class. They have been amazing! Everyone has settled in really well, demonstrating maturity and confidence. We have taken advantage of the beautiful weather and spent much of our time outside. The children have been investigating the water trays, our waterway canal system, the sandpit, making clay models of their own faces, painting, hand printing and making dens. There has been plenty of laughter and lots of fun.

Mrs Eaves, Mr Hutchings and Mrs Vickers

Red Class have made a smashing start to the new academic year. They have been very quick at learning the new routines in Year 1 and have all enjoyed showing us what they can do.

The children have enjoyed learning new things and exploring their new classroom. We look forward to the academic year ahead.

Miss Knight and Mrs Shinn

Blue Class have had a fantastic first week back at school. Myself and Mrs Secker have been very impressed with the hard work, good manners and positive attitude from all of the children, despite the unseasonable heat! We have enjoyed painting lines to represent movement, including responding to different types of music and recreating artwork by Beth Krommes to represent the waves of the sea. We also voted for a class book to read and the children chose 'Russell Troy, Monster Boy' which we have enjoyed reading so far.

Miss Brand and Mrs Secker

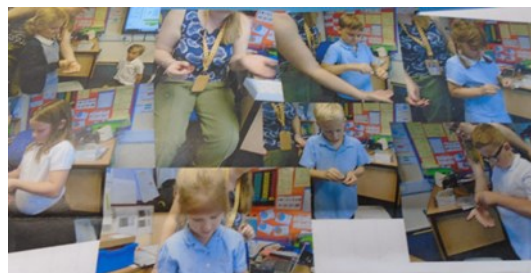

We have had a fantastic first week with Purple Class. All of the children have settled into the new routine extremely well and we have had an amazing start to the year. They have had fun in all of the lessons, learning a new song in Music, trying new fruits in English and starting to learn about the wonderful topic of the Stone Age era.

Everyone was very enthused and asked lots of thought provoking questions.

What a great week! Long may it continue.

Miss Monck, Miss Bagg and Mrs Maryon

## News

Green class have come back from their holiday with a positive attitude and are eager to learn. They have already impressed with their teamwork and the way that they support each other in their learning, enjoying their visit to the forest area this week in a hunt for biodiversity.

Mr Davies, Miss Bagg and Mrs Bingham are looking forward to seeing what this enthusiastic bunch can do this year!

Orange Class have had a fantastic start to the new academic year and have settled in beautifully, demonstrating excellent enthusiasm for learning. We have enjoyed 'Getting to Know You' discussions and have shared lots of laughter. The children have demonstrated fantastic language skills throughout the week. All the children should now have brought home reading records and a school reading book to share with you at home and earn those treats. If this week has been a reflection of what is to come, then I have no doubt that we are going to have an amazing year and can't wait to get stuck in and see the children flourish.

Mrs Riley, Mr Elliot and Mrs Connell

On their return to school, the new Year 6 have swiftly met the expectations of being Beaupré's eldest year group by demonstrating that they are mature and responsible role models and have been considering associated roles. We have been very impressed by their enthusiastic attitudes towards their learning and it has been a pleasure to work closely with them and to get to know them.

We are looking forward to an important and busy year where the children will be provided with lots of memorable learning experiences, we've started with static electricity on balloons in Science.

Mrs Summers, Mr Davies & Mrs Calver

# Important Information

## REMINDER

Please remember that we are a nut free school. Your child should not bring in nuts or nut products for snacks or lunch.

We will have someone in school that has a severe nut allergy, therefore to keep everyone in the building safe we ask you to be vigilant with snacks and lunches.

## ATTENDANCE

Can we please remind you that if your child is not going to be in school for any reason, you MUST contact the school every morning. The purpose is to record accurately their attendance, but most importantly so that we know where children are. Our procedure, in line with our policy for those that do not contact us is:

- Text parents/carers
- Email parents/carers
- Make phone calls to parents/carers
- Make phone calls to other contacts provided
- If we can not make contact, we may carry out a home visit. If no one is there we will leave a letter to ask you to make contact. If we do not hear following this, we will contact the police as a matter of a safeguarding concern.

If your child is unwell we will ask for the type of illness they have to ensure we have their attendance record marked correctly. Not all illnesses require your child to be kept off school. Please see the NHS link below which gives guidance on timescales children should be kept at home for different illnesses.

## Term Time Leave Absences

If you know your child will be absent from school, we request that you complete a notification of absence form. These are available from the school office. Any leave of absence requests will be considered by the Headteacher and will be looked at individually, however the Government has removed the discretion on Headteachers to agreeing term time leave, therefore you are strongly urged to avoid booking family holidays during term time.

Any absences where a request is not received but evidence suggests your child has been on holiday will result in a suspected holiday letter being sent, this will ask for a reason and evidence for the absence.

Any unauthorised leave of absence could result in a Penalty Notice fine being issued. Penalty fines are £120 (reducing to £60 if paid within 21 days) per child, per adult. Non payment of fines will result in a case being listed for prosecution in the Magistrates Court, without further warning being issued.

If you have any questions regarding attendance please contact the school office.
