### Week 5

Welcome to this week's newsletter.

This week we supported MacMillan coffee morning, with our Yr6, Yr5 and School Council hosting. Thank you to all those who donated cakes and helped, we are very grateful for all the support for such a worthy charity. The Yr5 and Yr6 children have been carrying out research and writing some very emotive pieces of writing around the subject.

We have been working really hard to organise the development of the forest area for all our children to have greater access to enhance their learning. Miss Monck is sending home a poster tonight to ask for any donations of equipment to help get the project off the ground. Please could you also complete the survey that was sent home earlier this week to help us ascertain those that have appropriate clothing and footwear. We are very excited about this opportunity for the whole school and are grateful for all your support.

Wishing you all a wonderful weekend.

Mrs M Munday (Headteacher)

## MacMillan Events at Beaupre

# MACMILLAN. CANCER SUPPORT

Beaupre's Year 5 and 6 decided to spend a week collaboratively learning - with the theme being based around MacMillan and the support that they provide for families coping with Cancer.

Although it was a little bit of a squish, both Upper Key Stage 2 year groups kick-started their learning by spending the Monday researching MacMillan Cancer Support together and were able to produce information leaflets all about this charity.

## MacMillan Coffee Morning

On Tuesday 3<sup>rd</sup> October, Beaupre opened it's doors to welcome members of community to their MacMillan Coffee morning. The event was hosted by our Year 5 and 6 Children with members of the school council from across the school in attendance. Our children were able to share their knowledge about MacMillan and the vital work that they do with visitors, as well as enjoying cakes and biscuits and most importantly making lots of money for this crucial charity.

Sincere thanks to all who supported this event by attending, donating and purchasing cakes!

## Staff Bake Off

Staff were invited to compete in a staff 'bake off' to see whose creation would be deemed a winner! With 11 entries, it was a hard task for the judges: Mrs Whyatt (our school chef) and our two Year 6 School Councillors (Connie and Jack). Judging was based on both taste and presentation.

After much deliberation, Mrs Secker was deemed the winner, with Mrs Shinn achieving second place and Ms Nicolas coming a close third.

Huge congratulations to our winners and a big 'thank you' to all those who entered.

With entry fees and the selling of these cakes, again we were able to increase the amount that we could raise for MacMillan.

## Guess the number of Colin the Caterpillar Faces

Guests at the coffee morning were given the opportunity to guess the number of Colin the Caterpillar faces on a poster for a suggested donation of £2. There were many close estimates, however, the winner was James Stott (Junior) who correctly guessed with 121 faces. He received a box of chocolates as a prize, which were kindly donated by Outwell Post Office.

## Mile for MacMillan

Despite having to wait for the grass to dry - following the previous evening's downpour, Years 5 and 6 completed a charity run for MacMillan. With a £1 entry fee, the children ran, jogged or walked around the school field (6 times) to raise even more money for MacMillan.

A well-deserved sit down was needed afterwards for most participants, however, there were one or two children who ran extra laps for fun!

## Further Collaborative Learning Opportunities

Further learning opportunities will be based around the genre diary entries, considering Cancer survivors' testimonials, as well as producing news report videos and newspaper articles about their thought-provoking week of learning.

Next week, a representative from Queen Elizabeth Hospital in Kings Lynn has kindly agreed to come and give a talk to Years 5 and 6 to further embed their learning about and understanding of Cancer.

## Fundraising Efforts

A grand total of £320 was raised by Beaupre Community Primary School for MacMillan Cancer Support.

## Rainbow Class

Rainbow Class children joined 108,000 other children, from around the world, to take part in a live lesson on Wednesday hosted by the NFU. The theme was Thali Harvest and Rayeeta, the special guest Indian chef, cooked Palak Paneer. Before the lesson we tasted some of the ingredients that the presenters were going to use in a recipe. We tasted chives, spinach, ginger biscuits and paneer cheese. We discussed, as a class, what each item looked like, smelt like, how it felt and what it tasted like. We submitted lots of question and Lexi P's question was read out on live TV and our school got a mention. "How do you become a farmer?" We were told that you could start working at the weekends on a farm and you could even do a farming course at college or university. We followed the life cycle of onions and spinach and were shown round a dairy farm to see all the robots used in modern dairy farming.

If you would like to make a Palak Paneer at home, please click on the link below for the recipe

## Purple Class

Purple Class have borrowed REAL Stone Age artefacts from Wisbech Museum and used our detective skills and knowledge of the Stone Age to infer what they were all used for. After using our detective skills, we learnt about their real use during the Stone Age. I was very impressed with their knowledge of the Stone Age and their care when handling such wonderful artefacts.

## **Parent Consultations**

Parent/carer consultations will take place the last week before October half term. These will again be held face-to-face in school.

**Monday 16th October** 3.30pm—6.20pm Rainbow, Red, Blue, Green, Orange and Yellow

**If you have not done so already, please book your parents evening slot by calling the school office on 01945 772439.**

## **School Photographs**

Tempest Photography will be in school on Monday 16th October to take individual photos of the children.

If your child has PE on a Monday, please ensure they come into school in their school top and jumper with their PE tops in a bag.

## **School Mid-Term Reports (prior to parents evening)**

**School reports will be handed to parents next week at school collection time.**

**If you are unable to collect the report in person, it will be held in the school office for you to collect at a later date, in person.**

**If you would like someone else to collect it, on your behalf, please email the office on [office@beaupre.cambs.sch.uk](mailto:office@beaupre.cambs.sch.uk) to give permission for who you would like to collect it.**

**If you are a non-resident parent and require a separate copy of your child's school report, please contact the school office by telephone or email on [office@beaupre.cambs.sch.uk](mailto:office@beaupre.cambs.sch.uk) to arrange this.**
