## Week 6

Welcome to this week's newsletter.

This week has again provided lots of wonderful learning opportunities including: a whole school assembly to commemorate Black History Month, Orange Class assembly on the Greeks following their Greek day last Friday, a guest speaker from the NHS for Orange and Yellow Class, Yellow Class WWII day and work on Black History month, plenty of cooking for Rainbow, Green and Yellow Class and Rainbow visited the Church. The children have been highly engaged and learnt many new things.

Next week, we are sharing your child's achievements with you at parents evening and we look forward to seeing you all.

Wishing you all a wonderful weekend.

Mrs M Munday (Headteacher)

## School Photographs

Tempest Photography will be in school on Monday 16th October to take individual photos of the children.

If your child has PE on a Monday, please ensure they come into school in their school top and jumper with their PE tops in a bag.

### Orange Class assembly

On Wednesday Orange Class welcomed our parents to come to school and enjoy our class assembly, along with key stage 2 children. The children put on a fantastic, informative and humorous performance of the history of Ancient Greece. Certainly some budding actors were seen in the making. Children invited their families back to the classroom to share our wonderful learning, it was brilliant to hear the children discussing their achievements. We are very proud of all of the children and their amazing performance, dedication and hard work at short notice to deliver such a performance.

Congratulations to you all and thank you to our families for joining us.

## GREEK WORKSHOP

Last Friday, Orange Class had a wonderful day immersing themselves and expanding their knowledge of Ancient Greece. They entered into the temple and were assigned their social status in what we discovered was a very corrupt society, despite its claims of being a democracy. Once we had worshipped at the alter to Athena Poleis- meaning 'of the city' we created wax tablets, used for writing and marble making for sculpting. Symbols we sculpted included a fish for Poseidon, an owl for Athena and a thunderbolt for Zeus. We created mosaics to decorate our temple, and filtered olives to make oil, pottery for lamps and dishes. We sampled Greek cuisine such as olives, cheeses and figs, some items proved more popular than others. Orange Class thoroughly enjoyed each learning opportunity and thank you to 'Phil the Greek' for providing our experience, to Mrs Greenwood, Mrs Adams and Mrs Bartes for volunteering their time to support our day, to all our parents for the amazing costumes and mostly to Orange Class for making it such an amazing day.

## Bread making - Rainbow Class

Rainbow class have been continuing to learn about the Harvest. We found out about crops in the UK that are grown, particularly wheat. We then found out how wheat is turned into flour and looked at pictures of Heygates Limited in Downham.

Mrs Eaves read us the story about 'The Little Red Hen' and we all made some bread rolls.

### Guest Speaker

Mrs Summers and Mrs Riley would like to say a huge 'thank you' to Georgie who provides Cancer support at the Queen Elizabeth Hospital, Kings Lynn. To complement and consolidate their collaborative learning week around Cancer, Georgie provided an information session for children from Years 5 and 6. The children were able to enrich their understanding and ask, and have answered, numerous probing and carefully considered questions. We were very proud of the children's maturity and sensitivity during this learning opportunity.

### Black History Month

This week, Yellow Class has been learning about Black History Month. They spent Monday exploring influential figures from Black History which enabled them to produce double page spreads about their impact on society. On Tuesday, the children took part in a social segregation experiment where they were able to experience prejudice and used this to write in the voice of Minny from Kathryn Stockett's 'The Help'.

## WW2 Day – Yellow Class

On Thursday 12th October, Yellow Class had the opportunity to take part in a WW2 day to enhance their History topic. The children spent the morning making gas masks, taking part in air raids, learning WW2 songs and cooking (Spam sandwiches also made an appearance) with an online interactive history zoom workshop on WW2 in the afternoon, where original artefacts were shared and stories and activities took place.

Please enjoy sharing Yellow Class's singing of Run Rabbit Run:
