### Year 6 – Journey of Peace Competition

We are very proud of Year 6 for entering the Journey of Peace poster competition hosted by Wisbech Lions. All entries were very impressive and the children's maturity was reflected through their themes. Huge congratulations to Ellie for her winning entry and to Molly for receiving honorary mention. Both girls received book vouchers as their prizes. Wishing Ellie much luck in the next stage of the competition.

### Sports Day – Wednesday 26<sup>th</sup> June

I look forward to welcoming our parents and families to our annual sports morning on Wednesday from 9.30am. Please ensure all children have sun cream, sun hats, water and correct PE kit in school for this event. As the weather has been very unsettled over the last few weeks we will advise as soon as possible if we are postponing to our reserve date of Wednesday 3<sup>rd</sup> July.

### Rainbow Class – Mini Beast Hotel

Rainbow class are learning about 'mini beasts' this half term and this week they have created a mini beast hotel. *The children were asked to bring items to contribute to the construction and I provided the pallets. We are extremely pleased with the results and everyone is really enjoying hunting for guests for our hotel.*

### Purple Class Trip – Flag Fen

*Purple Class went to Flag Fen in Peterborough on Monday to enhance their learning about the pre-historic period which they learnt about last half term. During the morning, we took part in a range of activities such as pre-historic medicine making, rock art, making a pre-historic house wall, pre-historic bread making and nettle art. In the afternoon, we further explored the site where we looked at ruins from wooden boats in the Bronze Age and practiced our hunting skills by throwing spears at a model deer. We ended the day with a campfire in a Bronze Age roundhouse where we discussed whether we would have survived or thrived in those times. An enjoyable time was had by all.*

### Road Safety Concerns

Please be vigilant when walking to and from school with your children, a local resident has raised concerns about children being in the road on the journey home from school. If you have a child in Year 5 or 6 and have given permission for them to walk home please re-iterate the importance of being safe and sensible near roads. We will discuss road safety in assembly again.

### Attendance

Our attendance figures for the week ending Friday 14<sup>th</sup> June are as follows – Gold is awarded to Blue Class with 97.7%, Silver goes to Orange Class with 96.9% and Bronze to Purple Class with 94.3%. The winner of the 100% attendance prize for week ending 14<sup>th</sup> June is Kalvyn in Rainbow Class.

Please remember that if your child is unable to attend school for any reason it is important for parents to notify the school, by phone, **on each morning of an absence** to confirm why they will not be in. This important procedure is in place for safeguarding reasons. I am sure you would agree that it is important for everybody to know where the children should be, as soon as possible, on a daily basis.

Please be aware that if your child has 3 or more days unauthorised absence within 4 weeks the school may be required to refer for a penalty notice. Additionally the school may be required to ask for medical evidence in order to authorise more than 3 days off sick.
