Week 8

Welcome to this week's newsletter and I hope that you all had a wonderful half term.

This week has already kick started the many exciting learning opportunities we have planned for this half term, including a story teller for Rainbow Class and our introduction to the forest area for Rainbow, Orange and Yellow Class. At the BFG on Monday night, plans were discussed for the Christmas Fayre and Santa's grotto; please see below for the posters.

Mrs Munday (Headteacher)

Poppies for sale

To help raise money for the British Legion, Poppies will continue to be on sale on the school gate next week.

We, as a whole school, will join together on Friday 11th November with the nation at 11am for a minutes silence.

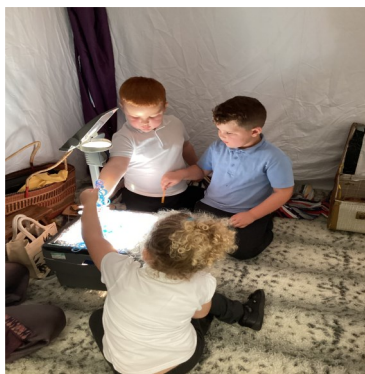

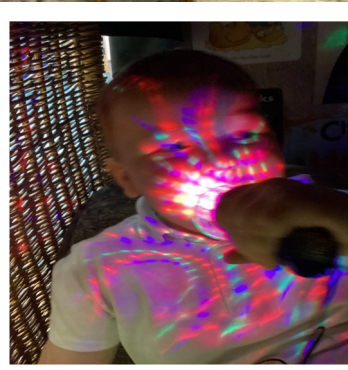

Rainbow Class—Storyteller Workshop

On Thursday, Rainbow Class welcomed The Storyteller for the day.

We took part in lots of fun stories and activities and even created our own stories. We made sock puppets, silhouette puppets and strings of paper dolls which we decorated. Marion welcomed us into her amazing magical Bedouin type tent, adorned with intricate embroidery, silk, tassels and fairy lights. She told stories themed around light and dark, bringing them to life with the help of atmospheric illumination, song and rhythm, capturing everyone's imagination. Stories about a Rooster's Crow and how it made the sun come up every day until one day he lost his crow! And about 'Ilmarinen', a Blacksmith, and his annoying pet 'thing'.

All the children had the chance to participate in their own story telling, creating enchanting tales of unicorns, fairies, water and fire, using props and sound effects.

The whole day provided the children with a rich immersive learning experience to ignite their imagination and fuel their desire to create and tell stories. We also had lots of fun.

Thank you!

Edward from Rainbow Class and his dad not only gave their time up on Sunday, but provided all the materials and labour free of charge for our new insect sensory garden. Massive thankyou to Edward and his amazing family.

Rainbow Class—Clothing

We kindly ask for donations of outgrown/ unwanted clothing items to be used as spares in Rainbow Class.

We have had quite a lot of trips and falls in the wet this week and our stock of spares in KS1 is very low until they are washed and returned.

Most needed sizes are 5-6yrs and 7-8yrs to include jogging bottoms/trousers/ skirts, girl's leggings/ tights, boy/girl socks and boy/girl underwear (we are ok for top half clothing),

Thank you for your help.

BBC Children in Need Friday 17th November

This year, Beaupre will be celebrating Children in Need on Friday 17th November, by having a SPOTACULAR day! Children are invited to come into school wearing spotty clothing, this could be a top, scarf or even just spotty socks.

A £1 suggested donation to this worthwhile charity can be made on Parent Pay.

Awards & Celebrations

Clark in Rainbow Class attended a Halloween day at the village hall and won best costume, he wanted to show his friends his outfit (he was the joker).

Awards and Celebrations

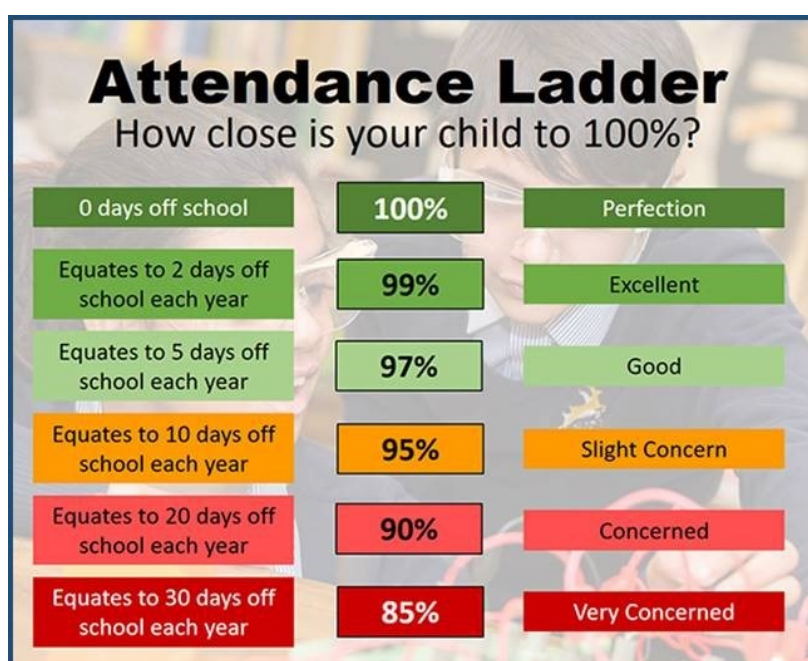

Attendance

Our attendance figures for the week ending Friday 20th October are as follows:

Gold **Purple 99.2%**
Silver **Rainbow 97.14%**
Bronze **Green 96.3%**

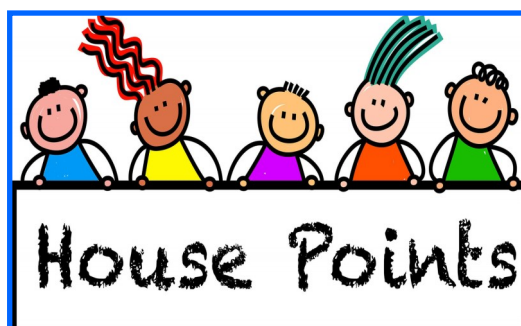

The winner of the 100% attendance prize for week ending Friday 20th October is Ryan in Purple Class.

Above and Beyond

Above and Beyond this week goes to Edward in Rainbow Class for using his time in the holidays to help improve the school environment.

- 1st **Marsh Harriers**
- 2nd **Cranes**
- 3rd **Swans**
- 4th **Kingfishers**

and
10th November 2023

Tours will be available
in small groups on the
above dates at
9.30am. Please
contact the school
office to book a tour.

Warm Homes Brochure

Information for Landlords and Tenants

Information for landlords

Being a private landlord can be challenging, but support and information are available online (search: 'UK landlord guidance'), or phone 0800 131 6400.

Information for tenants

For rented property, a landlord has a legal duty to provide tenants with a copy of the Energy Performance Certificate (EPC).

The EPC of a private rented property, should, by law, be A B C D or E. If a property is rated F or G, the landlord is obliged to improve its EPC rating. Should the landlord refuse to do anything to stop the heat loss, the tenant has a right to report them to the Borough Council.

This leaflet is part of the United for Warm Homes Campaign.

The campaign asks the government for:

- financial support with energy bills
- insulation to make homes warmer and so cut bills
- more clean energy - wind and solar

Energy Saving Ideas!

- Leaving things on standby could save up to £65 a year.
- Thick rugs and curtains keep warmth in and draughts out.
- If curtains hang in front of radiators, they block heat.
- Draught excluders for internal doors can be made by stuffing some old tights.
- Extra insulation to your hot water tank (£16 for a tank jacket) could save up to £70 a year.
- Using your heating when you need it is cheaper than running it all the time on a low setting.
- A tumble dryer is an energy guzzler!
- Washing your clothes at 30°C is fine, but towels and bedding need a higher temperature.

Save Energy, Save Money!

Electrical Items	Costs
Boiling a full electric kettle once	7p
One load in washing machine	17p
One dish washer cycle	31p
One load in the tumble dryer	£1.02
Leave a 60-inch TV on standby for one year	£97.24
One year use of a fridge freezer	£99.28

Sign the United for Warm Homes petition!

It is one thing that you can do to help us get clean, cheaper energy.

Find support, information or help

The Borough Council has information about several different schemes. Eligibility varies and they say very few households will miss out.
Please contact Jacob.Medlock@West-Norfolk.gov.uk or call 01553 616227 for further information

Information about insulation or heat pumps
Search for "Green Deal energy saving measures" or:
● for insulation, phone 0800 107 8578
● for heat pumps, phone 0800 029 4547

If you have no central heating (no boiler, no radiators)
Search for "first time central heating grants"
or phone 0808 506 4143

To find out if you are eligible for free help
Search for "connected for warmth" or phone 0800 029 4547

This leaflet is produced by Fenland and W Norfolk Friends of the Earth, and Climate Concern, August 2023
