

Orange Class

Autumn B

This half term, Orange Class has continued their learning of 'Ancient Greece', but beyond all of our fantastic learning opportunities, we have also enjoyed plenty more wonderful and exciting moments.

We started this half-term with our swimming lesson sessions, as part of the PE curriculum. Attending lessons at the Hudson Centre in Wisbech, every week, to improve our swimming skills and confidence in the water. We also thoroughly enjoyed engaging in our first 'Woodland' session in the forest, where we were clearing all the overgrown areas alongside Year 6. We discovered various creatures, got our hands dirty and discovered lots of information about sustainability and nature. Mrs Riley got so carried away she ended up chopping down a 'HUGE' branch, which we were able to chop into logs for our den building. We applied our knowledge of sustainability to contribute to a recycling workshop, exploring how we can better protect our planet.

ABC

To pay tribute to memorial day, Orange Class visited Outwell St Clements Church, where we recited to famous poem 'In Flanders Fields' by John McCrae and held a two minute silence.

We also learnt about Anti-Bullying week, applying our school policy of RID to create inspirational acrostic poems, to promote the eradication of bullying. To enhance our understanding of different cultures and religions across the world, we participated in a Hindu Diwali dance workshop, depicting through movement the story of Rama and Sita.

Finally, besides all the excitement and creative artistic opportunities building up to Christmas, we also took part in History curriculum day; celebrating 100 years of Walt Disney. We created flip cartoons, wrote an information text all about Walt Disney and his amazing contributions.
