

# Orange Class Outdoor Learning

Orange Class have thoroughly enjoyed taking their learning outside. We are currently learning William Shakespeare's 'A midsummer nights dream' as part of our Guided Reading topic this half term. Therefore we created a treasure hunt for the children to locate and retrieve information from the text based on the hidden clues.

Following the learning opportunity, Orange Class are learning about nature for our 'Textiles and Collage' element of Art this half term, so took our learning to the forest to explore and sketch different textures and surfaces of various barks to form a collage.
