## Week 20

Welcome to this week's Newsletter.

Yesterday we had a visit from Woodgreen Animal Shelter where the children participated in a whole school assembly and then each class had workshops to learn about ways to look after animals and keep safe around them.

Half term has arrived. Can we please ask that you check all school uniform is named and take the week to ensure that PE kits are in line with the school uniform policy, as we are beginning to see colourful sweatshirts and t-shirts worn.

Next half-term is a short but busy half-term, with many exciting days to celebrate as a whole school including:

- World book day
- Comic Relief
- Science day

Wishing you all a wonderful half term with friends and family.

Mrs Munday  
(Headteacher)

### Dog Safety Day

On Thursday 15<sup>th</sup> February 2024, Beaupre took part in a dog safety day, which was launched with an assembly hosted by Wood Green Animal Shelters; as such, the whole school undertook a variety of activities to deepen their understanding of this subject area. Everyone throughout the morning attended an age appropriate workshop with Hope, the Education Officer from Wood Green.

### **Activities in Year R and Key Stage 1 included;**

Tally charts to find out the type and quantity of pets the children had at home, a vet role play area, match pictures of adult animals to their offspring by reading a written card, matching different animal prints to small world animals, making clay models, painting various animal footprints and portraits of our pets, following instructions to draw a dog, ordering small world animals by height, producing a piece of writing about how to treat dogs.

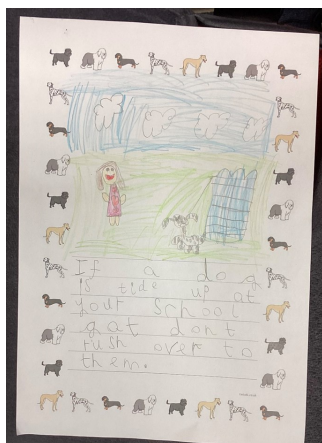

### Yellow Class

Yellow class attended a session about dog safety and performed impressively in the animal knowledge quiz. Afterwards, the children had the opportunity to learn how to sketch a puppy and they completed animal-related Maths tasks, designed a home for an animal, as well as finding out information about the work that the charity Wood Green Animal Shelter performs.

### Orange Class

Orange Class thoroughly enjoyed learning all about animal welfare, in particular 'Dog safety'. We started the day applying our mathematical skills to fraction, decimal, percentage and statistics problems. We discussed which different pets we have at home and used the data to collate bar graphs, tally charts and to calculate the fraction and percentage of each different pet to determine the most popular. Following on, we participated in a workshop delivered by Woodgreen teaching us what dogs do and do not like and how we should approach animals when we see them out and about, as well as how to ensure they are well cared for and feel secure within their own environment.

## Rainbow Class - Maths Lesson

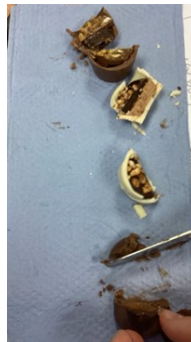

Rainbow Class had a very tasty maths lesson on Wednesday, making jam sandwiches. They have been learning about sequencing and time. Having sequenced pictures for homework, they then put their knowledge into practise. The children were able to use time specific language, 'first', 'next', 'then', 'after' and 'finally'.

Of course, the best bit was eating the sandwich!

## Valentine's Chocolates—Yellow Class

In order to support our persuasive writing, Yellow Class has explored luxury Valentine's chocolates with all of their senses. Their gathered vocabulary proved essential in their final written pieces, which supported the children in recording persuasive advertisements at the end of this short unit of work.

## Pancake Day—Rainbow Class

Tuesday, this week was Pancake Day, or Shrove Tuesday, as it's referred to in the Christian calendar.

Rainbow class learnt about the origins of this festival and took part in a pancake race on the school playground. The children had to walk with their pancake in their frying pan to the finish line without dropping it. It was great fun.
