## Week 7

Welcome to this week's newsletter. This half term has flown by and children have given their all to the start of a new school year, with their hard work and engagement.

I have seen such a variety of brilliant work and heard amazing feedback from teachers about attitudes to learning and determination to improve work.

Our new children, particularly the new Reception children, have settled in well and are embracing the beginning of their school journey.

Next half term, teachers will be planning many more wonderful learning experiences for your children and we look forward to sharing them with you.

Could you please ensure that coats and uniform are clearly labelled with your child's name as we are beginning to get a large number of unlabelled items in the lost property again. Half term is a good opportunity to check that any names that have been written on in pen have been washed off.

I hope that you all have a wonderful half-term break and time to relax with friends and family.

Mrs Munday (Headteacher)

## Oak Class Assembly

Oak Class hosted their class assembly on Wednesday morning, performing a play about the history of Ancient Greece and the battles between the Athenians and the Spartans. Oak Class did amazingly well during their performance and delivered with conviction and sincerity. Thank you to all our parents for attending and joining us back in the classroom for the children to share their beautiful work with you. Thank you to Key Stage 2 for joining us and most importantly thank you and well done Oak Class, you were all fantastic and we are so incredibly proud of you all.

## Elder Class

This week, Elder Class has been learning about Black History Month. Mrs Summers has been particularly impressed with the children's enthusiasm. At the start of the week, the children explored influential figures from Black History, which enabled them to produce impressive double-page spreads about these individuals' invaluable contributions to society. On Wednesday, the children took part in a social segregation experiment where they were able to experience prejudice and discrimination first-hand and use their powerful emotions to write moving and emotive diary entries in the voice of Minny from Kathryn Stockett's 'The Help'.

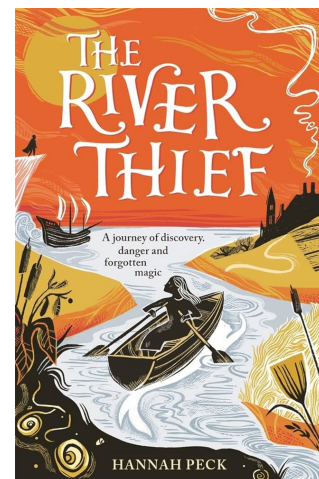

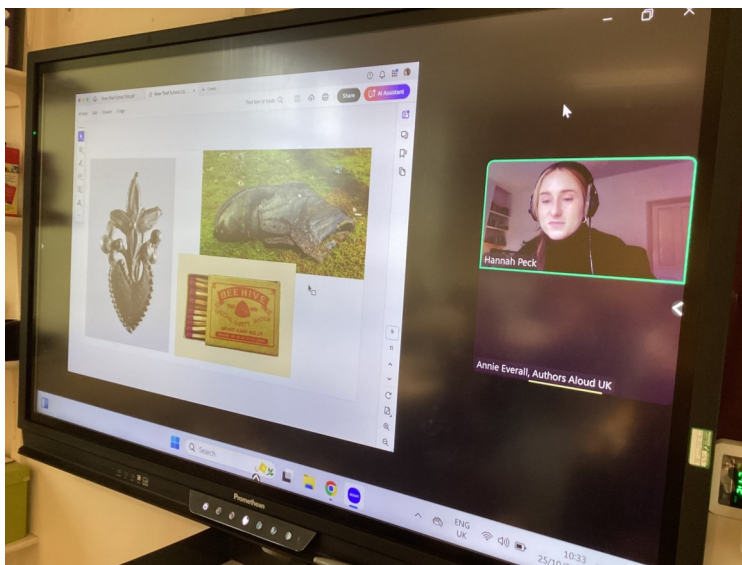

Elder Class enjoyed a lovely morning in our woodland area on Thursday. The children were tasked with creating a 3-course meal in our mud kitchen. Mrs Summers was particularly impressed with their culinary knowledge. There were other carousel activities which the children were able to participate in, which included: Jenga and noughts and crosses in our games area, musical corner and using bamboo and cable ties to create the tallest stable structure. Additionally, the children had to find their favourite piece of forest treasure which they made a special storage box for; they also created a tiny home for a fantasy forest character. Much fun was had by all.

## Author Webinar

On Friday morning, Key Stage 2 had the opportunity to engage in a webinar hosted by author of the 'The river thief' Hannah Peck. The children were read the first chapter of the incredibly captivating, mysterious story, which contained many historical references to ignite their imagination. The children were then excited to select their own historical item to illustrate, imagining they had found it in the bottom of a river. Their ideas and creations were terrific and the comments and questions the children shared were very thought provoking. The children also had the opportunity for a Q and A session to find out more about the life of an author. Well done Key Stage 2.

## Choir Club - After School

Mrs Jennett will be holding a free Choir Club after school every Wednesday 3:20-4pm for years 3-6 only starting after half term. If your child is interested in attending, please complete and return the survey that was emailed. This will be on a first come, first served basis.

## Parking

We have had concerns raised again this week about inconsiderate and dangerous parking and driving on the pavement outside of school.

Do not park on the yellow lines, they are there for the safety of pedestrians and road users. Anyone with concerns around parking can contact Norfolk County Council, Highways Department to raise their concerns.

Can we also remind you not to park in or block the school car park, this is for staff, and deliveries . Parents who are visiting the school are not permitted to park in the car park as there is limited space.

**There is one disabled bay in the staff car park, that can be used by parents with a blue/disabled badge by arrangement with the school office.**

**After half term, we will be issuing passes for parent/carers who have been given permission from Mrs Munday, due to exceptional circumstances. Passes should be collected from the school office.**

Thank you
