Week 22

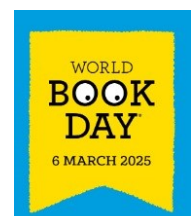

Welcome to this week's newsletter.

It has been another busy week, Year 4 children have had their second session of 'Healthy Body, Healthy Minds', dental workshops by Dentaaid for all classes on Wednesday and of course World Book Day yesterday.

World Book Day was again enjoyed by all, and as always, it was a pleasure to see the amazing outfits worn by pupils and staff. I would like to say a big thank you to you all, for your hard work making costumes and for attending the reading cafés. Thank you to Mrs Summers for yet another successful day and to all the teachers and staff for all their hard work engaging our children in a variety of activities to celebrate books and promote a love of reading.

Have a wonderful weekend.

Mrs Munday (Headteacher)

Science - Chestnut Class

In their science lesson, Chestnut Class have been doing some filtering experiments. They mixed some mud and water to make really dirty water and then used various combinations of coffee filters, crepe paper, paper towels, stones and baby wipes to try to clear the water. The children lined a funnel and watched the water filter through. There was different degrees of success but we all agreed that we wouldn't want to drink the water even after it had been filtered.

World Book Day - 2025

To celebrate World Book Day at Beaupre, the day started with an exciting assembly. After exploring all of the wonderful book character costumes that the children and staff came to school in, each class represented their house in a competition based on book trivia. Children worked together in their houses as a whole team, against a team of adults – made up of representatives from each class.

Parents were then invited to join reading cafes in their children's classes and had the opportunity to experience reading for pleasure and to participate in fun learning activities in classes with their children. During the afternoon, teachers swapped classes and shared some of their favourite books with their 'new' class. A brilliant time was had by all and the message 'Read Your Way' was certainly heard loudly at Beaupre.

Please enjoy sharing what each class did below and we look forward to updating you next week with regard to competition winners. If you haven't entered yet, details are on last week's and this week's school newsletter. Sincere thanks for your support with this event.

Many thanks,

Mrs Summers – English Leader

World Book Day - 2025

Chestnut Class

Chestnut Class looked absolutely amazing in their costumes for World Book Day. As soon as the children came into the classroom, we took a class photo to ensure that everyone was looking their best. After the special whole school assembly, we welcomed Katherine Nightingale from 'Wisbech Reads' who read a story she'd written about recycling. The children joined in and helped with the story using lots of actions. Copies of the book will be available during the next few weeks.

The children absolutely loved seeing their parents and grown-ups and everyone enjoyed the 'Very Hungry Caterpillar' themed carousel of activities provided. These included; stained glass windows, egg box caterpillar craft, making symmetry butterfly hand puppets and creating fresh fruit skewers. Of course, there were plenty of biscuits for everyone. The children also enjoyed showing their adults Chestnut's live caterpillars that we are nurturing and watching develop. In the afternoon we enjoyed the sunshine helping Pete, and the rest of the very kind volunteers from Burmor Construction, who planted some bee and butterfly friendly wild flowers in our outside environment. A big thank you to Mrs Shinn who was our 'mystery reader', we loved listening to the story 'The Go-Away Bird' by Julia Donaldson. It really was an action packed day and I think everyone in Chestnut class slept well that night!

World Book Day - 2025

Oak Class

Oak Class had a terrific time celebrating World Book Day, the children's costumes were phenomenal and incredibly imaginative - well done Oak Class. After their terrific engagement in the whole school reading quiz (thank you and well done to our class representatives) we participated in a reading café with our parents - thank you to those who were able to make it, sharing all our favourite books and enjoying reading for pleasure.

Following that, we engaged in a variety of reading inspired crosswords, word searches and reading puzzles. After break, we designed and created our 'Read Your Way' superhero to produce a graphic novel inspired tale. We were fortunate enough to have our mystery author visit in the afternoon to share a story (Mrs Eaves), concluding the day with a Michael Rosen based reading comprehension and creating our own book reviews around our favourite texts and authors, which we are hoping to feature in the school library.

Cedar Class

Cedar class enjoyed sharing their World Book Day costumes with each other when they arrived at school on Thursday. Following the assembly and book quiz, the children came back to the classroom and enjoyed some character-related activities with their families and friends. These included making character crowns using pictures of favourite characters, feathers and stickers. They also made potato characters using felt tip pens and googly eyes to decorate their potato. They also made bookmarks and enjoyed a biscuit or two whilst sharing books on the carpet.

After break, the children made their own mini-books using favourite characters and making up new stories for them. We then enjoyed listening to a story from our mystery reader (Mrs Riley) and finished off the afternoon designing a superhero to promote the message of 'Read Your Way'. Everyone had a wonderful day.

World Book Day - 2025

Maple Class

During World Book Day, Maple Class enjoyed a range of activities. After the World Book Day assembly quiz, the children enjoyed making bookmarks, designing their own fantasy lands and exploring the book corner with their parents. After break, the children explored a range of book quizzes including an emoji quiz, dingbats and wordsearches. During the afternoon, the children enjoyed listening to Mrs Summers read them a story and then creating their own reading superheroes.

Elder Class

To start the session, the children listened to an extract from 'The Lion, The Witch and The Wardrobe', which they were familiar with from our previous English learning. They were then tasked with designing their own ornate decanter worthy of the White Witch pouring her magical potion from it – with their parents and families. Afterwards, the children needed create their design from clay and decorate it beautifully. Additionally, it needed to function correctly, which caused lots of debate! At the same time, small groups took it in turns to make Turkish delight with Mrs Calver, which the children enjoyed sampling! Following on from this, the children were asked to design a new fashionable outfit made from recyclable materials for the White Witch. Others chose to design a product and pitch for an improved Fry's Turkish Delight wrapper/ product. After a visit from, Mrs Chalkley, our mystery reader, in the afternoon, the children designed their own super hero to spread this year's World Book Day message of 'Read Your Way'

Information

Parent/Carer Consultations

Parent/carers consultations will take place on **24th and 25th of March 3:30pm onwards**, we are pleased that these will again be held face to face in school.

Bookings will need to be made using the Pupil Asset Parent Portal.

The Parent Portal can be found: secure.pupilasset.com

If you are a new parent, you will have received an email from Pupil Asset. This email gives you online access to Pupil Asset to enable you to book a Parents' Evening appointment with your child or children's class teacher/s.

We suggest that you open the email and follow the instructions to set up an account with Pupil Asset, **using the email address that we hold for you**. You will be asked to set your own password.

After you have registered, you can book your appointment using the account details you have set up. If you have not received an email or have any problems please contact the school office.

The portal also allows you to update your personal details, such as address and telephone updates.

The booking facility date will be open on Monday 17th March

Mental Health Support Team

The Mental Health Support Team will be at Parents Evening on Monday 24th of March at 3.30-4.30pm in the school hall. The theme for the MHST session will be resilience, and although individual children's concerns cannot be discussed, the referral process can be explained. **All parents welcome to pop in.**

Stop norovirus spreading

Norovirus, also known as the 'winter vomiting bug', is the most common stomach bug in the UK. It can spread easily through close contact, or by contaminated surfaces, food or water.

The main symptoms of norovirus include a sudden onset of nausea, followed by projectile vomiting and diarrhoea, usually 1 to 2 days after becoming infected. Other common symptoms include a high fever, a headache and aching arms and legs.

Good hand hygiene is important to stop norovirus spreading.

To stop norovirus spreading, you should:

- wash your hands thoroughly using soap and warm water after using the toilet or contact with a sick individual and before preparing and eating food.
- stay off school or work until you have not been sick or had diarrhoea for at least two days
- not rely on alcohol gels instead of washing your hands, as these do not kill the virus
- wash any contaminated clothing or bedding using detergent at 60°C using disposable gloves to handle any items
- use bleach-based cleaners to disinfect surfaces

If you catch it, stay home for 48 hours after your symptoms clear

DO ✓

Wash clothes and bedding at 60°C

Wash hands with soap, clean surfaces with bleach-based disinfectants

DON'T ✗

Go to work or school, visit care homes or hospitals

Prepare food for others

Sustainability and Waste

If your child brings a school packed lunch, we have asked them to take home their left-over lunch and rubbish. This is so that you are aware of what they are eating, as we are finding a lot of thrown away lunch that has not been opened. This will also help us as a school, as we are looking at sustainability and what waste we are creating as a school and how we can cut back on this.

Help for Homes

Big Thank you to Burmor Construction

Staff from Burmor Construction have tidied our EYFS area by planting bulbs, adding new plants, trimmed our willow arch, and added new bark. The Woodland Area also had a make over with new bird and bat houses, new hammocks and a general tidy
