27th June	Reserve Sports Day
26th June	Year 5 Literacy Festival Trip to Wisbech Castle
30th June	Parent Info Evening - TCA 6-7pm

Week 29

This week has been an exciting week.

Yesterday, we joined in celebrating the 80th anniversary of VE day, with many dressing in red, white and blue. All classes took poppies they had made the church, one poppy for each of the 47 veterans that had died in both world wars from the village.

Next week, we see the start of the national SATs testing for our Year 6 pupils. The children have been working really hard since starting in Year 6. I would like to say how impressed I am with their commitment to their learning and to say a big 'thank you' to Mrs Summers and Mrs Calver for giving them the very best to prepare for these tests. I wish them the best of luck, but more importantly, I want them to know that they have made us incredibly proud with all of their hard work and progress. Good luck, Year 6, do your best, that's all anyone can ask of you. You've got this!

Wishing you all a wonderful weekend.

Mrs M Munday (Headteacher)

Cedar Class - Flower Homework

Please enjoy looking at Cedar Class' recent homework project.

The children were asked to make 3D flowers to tie in with our Science topic of 'Plants' and our Art topic '3D sculpture'. We made a beautiful display to brighten up the classroom and we're very impressed with everyone's efforts.

VE Day 8th May

As a school, all classes at Beaupre walked to St. Clements in Outwell to commemorate VE day on Thursday 8th May. Dressed in red, white and blue, to mark the occasion, the children laid the painted clay poppies, that they had all been involved in creating, at the memorial to remember those who had died in both world wars. As there are 47 veterans from Upwell who sacrificed their lives for us remembered on the memorial, 47 poppies in total were laid as a mark of respect. Classes across the school took part in activities to celebrate the 80 year anniversary of VE day.

Beaupre Sunflower Grow

This term, we are hosting a whole school sponsored sunflower grow!

Each child will receive a paper pot, compost and three sunflower seeds to nurture this term, as well as a sponsorship form. Sponsorships will raise money for the enhancement of our outdoor areas.

The competition will close on 11th July and prizes will be awarded for the tallest sunflower and the most money raised. Good luck!

We'll also be joining in with the fun here in school! Each class will grow their own sunflower in the green space at the front of our school, and there will be a prize for the winning class!

Information

Our school milk scheme

Beaupre will be providing a milk scheme that will be available to all of our pupils from 12th of May. Milk is provided by 'Cool Milk' and will be delivered each week starting on 12th May. Thank you to those parents that have registered, your children will have milk in school on w/c 12th May. If you have not yet registered and you would like your child to have milk, please register as below.

- Free for children under 5
- Subsidised for over 5s
- Pupil Premium children will receive milk paid for by the school. Pupil Premium children do not have to register online. Please ask for a form from the office
- When your child turns 5 you can choose to pay for milk - this is done directly with 'Cool Milk'
- We recommend that you register with Cool Milk online www.coolmilk.com
- 189mls of semi-skimmed milk every day. Provided in recyclable Tetra Pak cartons

Summer Reading Challenge

The Reading Agency is delighted to announce the theme for the 2025 Summer Reading Challenge.: Story Garden - Adventures in Nature and the Great Outdoors. This exciting new theme will inspire children to tap into the world of imagination through reading.

The Challenge launches online on 21st June, and on Saturday 5th July in England. Children can sign up at their local library to join the adventure and discover the magical world where stories grow.

Tuesday 20th May 2025
7.00pm

Wisbech St Mary C of E Academy
Church Road, Wisbech St Mary, PE13-4RJ

Many parents are preparing their children for life as it was in 1990 and not life as it is today.

Most children over the age of 8 would be able to design an 'E Safety' poster that would cover all the points required by their Parents/carers, but would this knowledge keep our children safe online?

Parents and professionals believe that they are fully up to date with regards Internet Safety and with this assured mindset they then seek to keep children safe.

In our experience this mindset leads to a false sense of security and often results in young people being unable to speak to parents and professionals when things go wrong.

Police are advising parents to be vigilant amid a spate of suspected child exploitation and grooming across the county.

You may think children aren't exploited where you live or it won't happen to those you know – but recent cases prove differently.

Do you know the signs to spot Child Exploitation?

Please take the time to speak to your children, those you care for, or family and friends, about any concerns you have.

One conversation could be a start towards making a real difference.

John and John, known as the '2 Johns', have years of experience as Police Detectives tackling Online and Offline Child Exploitation. They are recognised experts who engage with hundred of schools annually, interacting with children, teachers and parents.

Join us to help support your children online!
