7th July	Chestnut Class - Forest Session for Parents/carers 1.45-2.30pm
8th July	Laurel Class trip to Hunstanton
8th July	DMA Transition Day (Confirmed)

Week 35

It has been a very eventful week starting with Sports Day. It was a pleasure to see so many families supporting the event and staying for the picnic. The children all had a wonderful day and the additional ice cream was a real treat. A very big thank you to the staff for their support and a special thank you to Mrs Connell for her organisation in making the events run smoothly. Winners are further in the newsletter.

Many classes have continued with the litter picking around the village to support the work we have done on sustainability.

Cedar Class visited Banham Zoo and had an amazing time. A big thank you to all the adults who joined us and helped with supporting the children.

On Thursday, Oak Class participated in the Year 5 Reading Festival with other schools from the Wisbech area. The children all had an amazing time, visiting the castle with an author and a visit to the museum and library.

Have a great weekend.

Mrs M Munday
(Headteacher)

Digging Fun with OPAL

It has been another exciting week of OPAL play! The children have been thoroughly enjoying the newest addition to our playground — the sandpit! We've had digging, burying each other and some fantastic sandcastle building.

Our digging pit has been a huge success over the past few weeks and quite a few of our children are showing a real interest in archaeology. We have found lots of intriguing items, including a 10p coin from 1992 and most recently, a bone! After thorough investigation and receiving advice, we have discovered it is a hip bone from a fox which has really excited our diggers. Knowing the history of our local area, who knows what else we may find, so keep on digging!

Our "Amazing play" this week goes to the group of children who made a fantastic obstacle course out of the den building items. Lots of fun was had and I really enjoyed watching them complete their course.

- Mrs Fordham - Play Leader

As we are progressing with OPAL, we have looked at how our children play. With the rising costs of uniform and to support the OPAL activities, we would like to introduce an 'Active School Uniform'. This would be very similar to what we have and be the same school uniform colours of black, grey and navy, and keeping our current sweatshirt/jumpers. It would however allow more active items, such as tracksuit bottoms, leggings, polo shirts, sweaters, closed toes shoes/trainers, waterproofs and wellies.

We value your opinion on taking on an Active School Uniform and would appreciate you taking the time to complete the survey below:

[Active School Uniform Survey - Beaupre](#)

You may find the following BBC News and Sports England articles on this subject of interest.

<https://www.bbc.co.uk/news/articles/c79eg0w59y8o>

<https://www.sportengland.org/blogs/time-rethink-school-uniform>

OUR SUSTAINABILITY WEEK!

As we are working towards improving our sustainability, we decided it a good idea to celebrate this so last week each class has participated in different types of 'sustainable' activities.

Everybody has had the opportunity to litter pick around our local community. Hopefully, the children will learn the impact of litter in our beautiful village and go on to teach others about it and grow up learning to look after our planet and to be kind members of society.

Everybody also learnt about renewable energy, focussing on solar power (what a wonderful week of weather we had for this!) To demonstrate the impact of solar power, each class made their own solar oven and cooked Smores in them. They were delicious and went down a treat and all cooked just by the energy from the sun. Thanks to Dominos for donating 20 pizza boxes to us!

To reflect our thoughts on sustainability, each class participated in some form of collaborative art, which is being displayed in the main corridor for everyone to see! The work produced was fantastic and each class should be very proud. Our corridor looks much brighter for it too.

To learn about the impact of plastic and reusable bags, every child was given a tote bag in which they decorated with leaves and dye. They left them out in the sun so that the dye absorbed to create a wonderful personalised bag that they can make use of at home.

Last but not least, each class participated in a bird survey in different parts of our school grounds. The data collected has been sent to a national survey to hopefully help with future research and science. The knowledge of bird identification within lots of classes was surprisingly impressive! Some birds spotted were swifts, buzzards, pied wagtails, long tailed tits and goldfinches, to name but a few. What a wonderful array of birds that use our wonderful outdoor grounds!

All in all, a very successful and worthwhile week. Thank you to all the classes for their enthusiasm for each activity.

Music Lessons

Is your child musical? Do they love singing or have an instrument they've always wanted to learn?

The fantastic JMP Music provides a range of music tuition sessions for children of all ability levels, held after school.

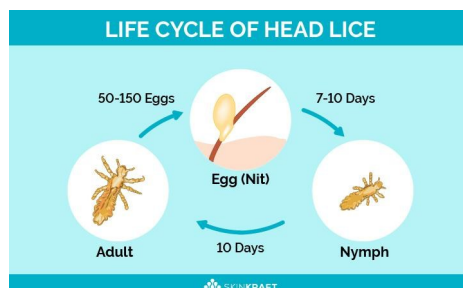

Your child could learn piano, keyboard, ukulele, violin, drums or singing, all guided by an experienced and dedicated teacher.

For more information, please contact us via phone on 01945 772 439 or email at office@beaupre.cambs.sch.uk.

Head Lice

We have had a confirmed case of head lice in school. Please can you check your child and treat if necessary. All long hair should be tied up.

Banham Zoo Trip—Cedar Class

On Wednesday, Cedar Class enjoyed a beautiful day at Banham Zoo. Following on from our recent Geography topic about the rainforest, we were particularly looking out for rainforest dwellers. These included the sloths, green tree boa and various broad-leaved plants in the tropical house, howler monkeys (which put on a loud show in the treetops to show us how they got their name) and the spider monkeys who cleverly showed us acrobatics using their tails. We also spotted a sleeping tiger, wallabies hiding amongst bamboo, three tall giraffes, miniature marmosets and the adorable red panda.

The children had a great day and enjoyed exploring the zoo. A big thank you to all the adults who came with us and helped to make the day run smoothly.

Marshland High School Performance

On Thursday morning, Years 5 and 6 took part in a unique transition opportunity. Students from Marshland High School Music Department (ranging from Year 7 to Year 11) supported by their Music teacher delivered an amazing performance to our children. Songs and performances were mostly from musicals, which the children were able to join in with – for example, ‘In the Jungle’ and ‘Do you want to Build a Snowman?’ The children clapped and sung along with these recitals, as well as songs from Taylor Swift and Elton John which - proved very popular. This was a great demonstration of the opportunities that our children will have to pursue musical extra-curricular activities, when they get to secondary school. The confidence and bravery that Marshland’s students demonstrated was impressive and their ability to support and encourage each other was admirable.

Sports Day 2025

4 th	Kingfishers	823

Sports Day 2025

The children were all excited with a tinge of nerves as they prepared to go head-to-head for the events which would determine which team would proudly lift the Beupré Sports Day Trophy.

The racing was close, competitive and ran in good spirit with excellent support from a really positive crowd of parents and family. The sprints and hurdles provided a showcase for those who are all about speed; the skipping race needed careful co-ordination; balancing an egg on a spoon required a steady hand and concentration. Scores were close and it came down to the team race to finish in real team spirit.

It was wonderful to see the determination to succeed and the sportsmanship that was shown – thank you for your cheers and applause.

This year, Cranes managed to retain the trophy in the overall competition. [Congratulations](#) to Cranes and well done to all the teams for their efforts to chase them down.

Once again, the post-event picnic was very well attended. The BFG had organised an ice-cream van which was very much appreciated by everyone who took advantage of it. Thank you to the BFG for buying a lolly for any child who wanted one.

A massive thank you to all the school staff, it genuinely is a whole school effort to make the event run smoothly. From the practices and recording; the preparation and set up on the day; the judging and scoring; the starting and finishing, to the packing away and tidying afterwards – everyone helped in some way.

A massive well done to all the children involved: they competed fiercely for themselves and their teams with superb sportsmanship and gave us a day to remember.

Mrs Munday

Yr5 Wisbech Reads Trip

On Thursday 26th June, Oak Class attended the Wisbech Reads festival alongside a variety of other local schools. Once we arrived, our first activity was at Wisbech Castle, where we participated in a workshop with author and illustrator Matty Long, creating our own 'Super Happy Magic Forest' characters. We then attended Wisbech library, where we created our own bug hotels, before having an opportunity to explore different texts within the children's library. Finally, we concluded the day in Wisbech Museum, where we took part in using our problem solving skills to solve riddles, which the children thoroughly enjoyed. The children had a terrific time and were thoroughly engaged, constantly wanting to share their creative ideas and imagination. Well done Oak Class and thank you Mrs Connell and Mrs Brooker for supporting us during the trip.

Awards & Celebrations

Attendance

For the week ending Friday 20th June
Chestnut and Maple classes had
attendance above 96%.

Chestnut ★★

Cedar

Laurel ★★

Maple ★★

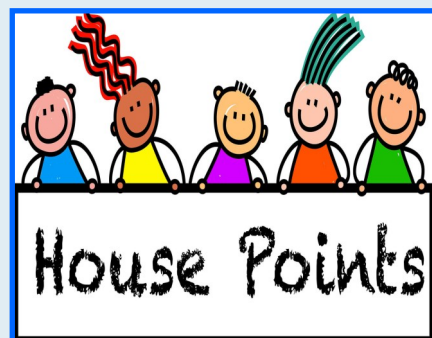

Oak

Elder

The winner of the 100% attendance
prize for week ending 20th June is
Ryan in Maple Class.

Above and Beyond

This week's Above and Beyond
certificate
goes to Mia in Cedar Class

1st Kingfishers

2nd Swans

3rd Marsh Harriers

4th Cranes

A vibrant, colorful poster for the 2025 Beaupre Leavers Festival. The background is a mix of light yellow and light blue with wavy patterns. At the top, there's a string of colorful triangular bunting flags. A large pink rounded rectangle contains the year '2025' in blue. Below it, the festival name 'BEAUPRE LEAVERS FESTIVAL' is written in large, bold, dark blue letters with a pink outline. To the right is a pink hand with a 'rock on' gesture and a wristband. A yellow trumpet is on the left, and a pink guitar is below it. A pair of blue sunglasses is on the right. A yellow banner in the middle contains the date and time: '18TH JULY 2025' and '5.30 - 7PM'. Below this, the text 'MUSIC, FOOD, DRINKS & FUN!' and 'BE PREPARED TO GET MESSY!' is written in white, bold letters over a large, colorful splash of paint. At the bottom, 'DRESS CODE FESTIVAL WEAR' is written in white, bold letters. The poster is decorated with various icons: a pink and blue lifebuoy, a black speaker with yellow accents, a surfboard, and palm leaves.

Summer Holiday Scheme Places

FULLY
FUNDED

Would your child like to attend a fully funded holiday scheme this summer where fun experiences, a meal and snacks are included?

Children in receipt of benefit-related free school meals are eligible to attend a participating holiday scheme for up to 64 hours.

For details and the wider eligibility criteria please scan the QR Code or visit:

www.cambridgeshire.gov.uk/haf

Questions: **HAF@cambridgeshire.gov.uk**

Beaupre Sunflower Grow

This term, we are hosting a whole school sponsored sunflower grow!

Each child will receive a paper pot, compost and three sunflower seeds to nurture this term, as well as a sponsorship form. Sponsorships will raise money for the enhancement of our outdoor areas.

The competition will close on 11th July and prizes will be awarded for the tallest sunflower and the most money raised. Good luck!

We'll also be joining in with the fun here in school! Each class will grow their own sunflower in the green space at the front of our school, and there will be a prize for the winning class!
