

<b>2025</b>	
21st July	Parent Meetings regarding reports 3.30-4.30pm. Please make an appointment with the school office.
23rd July	Yr 6 Leavers Assembly 9:05am. Yr 6 parents are invited to attend. <b>Pupils break up for the summer holiday!</b>

## Week 38

Welcome to this week's newsletter.

This will be the last full newsletter for this academic year and what an absolutely wonderful week we've had!

Monday brought a taste of France to our school as we celebrated Bastille Day. The pupils sampled delicious French foods and immersed themselves in engaging French activities. It was heart-warming to see our children embracing different cultures with such enthusiasm and curiosity.

Our Year 5 pupils have been particularly busy this week, developing their cycling skills through Bikeability sessions that ran throughout the entire week. Watching them grow in confidence and competence on their bikes has been truly rewarding and these essential life skills will serve them well for years to come.

On Tuesday, I had the pleasure of joining our Year 6 pupils embark on their much-anticipated trip to Wicksteed Park. The joy and laughter they had was infectious and I know they created precious memories that will last a lifetime. Thank you to Mr Gibb and Mr Fairbrother for joining us.

Wednesday was particularly special as we held our Sports Champion assembly, followed by an inspiring sponsored event with Ade Adewale. The energy and enthusiasm our pupils demonstrated was remarkable and it was wonderful to see them engaging with such a positive role model who encouraged them to pursue their dreams and aspirations.

Thursday brought another exciting opportunity for our Year 5 pupils as they visited Marshland High School. These transition experiences are invaluable in helping our children prepare for their next educational journey and I'm grateful for the strong partnerships we maintain with our local secondary schools.

Our Year 6 pupils have been participating in Aspirations Week, being involved in various workshops designed to broaden their horizons and help them think about their future possibilities. It's been inspiring to see them engage with different career paths and begin to envision their potential futures.

I'm absolutely thrilled to share that our Sunflower Growing Competition on Monday was a tremendous success, raising nearly £1000! This achievement reflects the incredible generosity and community spirit that makes Beaupré such a special place. Thank you to everyone who contributed to this wonderful cause.

These moments of learning, growth and community connection are what make our school truly exceptional.

Wishing you all a wonderful weekend,

Michelle Munday (Headteacher)

# Important Diary Dates

2025-2026	
1st & 2nd Sept	<b>Inset Days - School Closed</b>
3rd Sept	<b>Pupils return to school</b>
11th Sept	<b>Elder Class swimming session 1 of 7</b>
30th Sept	Guitar lessons start
13th Oct	Individual Photographs by Tempest Photography
24th Oct	School breaks up for half term
26th Nov	Flu Vaccines - Whole School
4th Dec	Big Sing at TCA
9th Dec	Flu Vaccines - Mop Up session
18th Dec	Pantomime - 'Rapunzel' performed by Purple Dreams
19th Dec	Break up for Christmas
24th Feb	Group/Class Photographs with Tempest
23rd March	Yr6 Careers Event at TCA
1st June	Yr1 Wisbech Reads Festival
1st-3rd June	Residential Trip to Shacklewell Hollow Yr6
8th June	Yr5 Wisbech Reads Festival
18th or 19th June	Yr5 STEM Conference event at TCA
22nd June	Area Athletics Event at TCA
3rd July	Year 3 Bikeability
13th July	Year 5 Bikeability

This week saw a visit to the woodland with Laurel Class with the added benefit of parents and carers being invited.

There were plenty of activities on offer, such as:

**Team building competition to create shelters for the fairies and goblins that visit the woods at night.**

**Den building**

**Fairy potion making in the mud kitchen**

**Making wands and dream catchers by using the skills of whittling with knives, threading and decorating,**

**Making decorative birds with drills and hammers.**

**Creating a mini beast garden with pebbles and pens.**

**Wild life spotting using binoculars and ID cards**

**Making weaponry with sticks and string**

A few of our children even found some sticks to help them balance along the slack lines

For a last session in the woodland together, the children did themselves proud. What a lovely way to spend our afternoon.

Last week, Year 6 had a lovely forest session. They made hedgehog animals out of clay and cones. There was also the opportunity to recreate a robin or a fox from forest materials. Additionally, the mud kitchen was a firm favourite where the children were encouraged to use food and spices to create culinary delights from recipe cards. Some impressive dens were built from logs, canes and tarpaulin – I can certainly see careers in architecture or construction being undertaken by many of the class. Thank you to the parents and grandparents who attended the session.

On Thursday afternoon, Maple Class headed out to the forest area for the final time this academic year. The children enjoyed making leaf people and practicing their hammering skills by hammering nails into wood and then weaving wool to make patterns. The class also enjoyed their time in the trees, the slack line, making dens and cooking in the mud kitchen.

# Marshland High School

## Experience Day

On Thursday the Year 5 children experienced a day at Marshland High School. They took part in a science experiment seeing if they could separate a mixture. They played zig zag rounders and created a piece of art in the form of the artist Alexandre Farto.

# Sports for Champions UK

The whole school had a fantastic day on Thursday with visiting Olympic athlete Ade Adewale. Ade spent time with the whole school, answering questions and talking about his journey to become an Olympic 100 metre sprinter. Hopefully, he inspired many pupils to achieve more in their own sporting endeavours.

Ade delivered a great assembly with the pupils and everyone thoroughly enjoyed their experience participating in the circuit exercise challenge. This event was designed to raise money for both the Sports for Champions fundraising company and for our school.

Due to the very generous sponsorship from family and friends of pupils throughout school, we have received £311.50 of the money raised. A huge THANK YOU to all those who donated and supported this worthwhile cause.

Pupils who qualified for reward postcards, and those who had their photos taken with the athlete, will receive them when they are received by ourselves, possibly after the summer holiday.

Thank you all once again for your continued support.

# Important Information

## ACTIVE UNIFORM GUIDE

Our active uniform supports our pupils' physical wellbeing and active learning throughout the school day. Items can be purchased from most supermarkets, second-hand, or through our uniform supplier; TL Productions. There is no requirement for items to feature the school logo.

All items below are appropriate for PE, except for polo shirts. Please instead use t-shirts.

Royal Blue Polo Shirts

Royal Blue PE T-Shirts

Navy Blue Sweatshirt, Cardigan, Fleece or Jumper

Coat or Jacket (cold weather)

Black/Grey Jogging Bottoms, Leggings, Shorts or Skort (skirt with integrated shorts)

Black Closed Toed School Shoes, Trainers or Plimsolls

Stud Earrings and Watches may be worn. No other jewellery is permitted. Long hair should be tied back.

# ADDITIONAL UNIFORM

During your child's time at school, they will use items outside the standard uniform for special activities, events and in day-to-day school life. There is no requirement for these items to feature the Beaupré logo, although some additional items with the logo are available through our uniform supplier; TL Productions

## Daily Use

Water Bottle

School Bag

Sun Hat (hot weather)

Gloves (cold weather)

## OPAL Play and Woodland Sessions

Items to remain in school for wet play days and woodland sessions.

Wellies

Waterproof Clothing

## Swimming Sessions

Items to be brought in when requested for school swimming sessions.

One Piece Swimming Costume or Trunks

Towel

# Year 6 - Wicksteed Trip

Elder Class enjoyed their class trip to Wicksteed Park on Tuesday. During their last primary school trip, the children behaved impeccably and thoroughly enjoyed the experience. The children sampled a variety of activities from riding on thrilling roller coasters to studying meerkats - and the day was topped off with a tasty ice cream. Sincere thanks to parent helpers on the trip and a big well done to all the children who maturely and impressively represented Beaupre School.

We are very grateful to our governors for their fundraising that paid for the end-of-school treat for our children.

## Bikeability

Year 5 have participated in Bikeability this week, having the opportunity to learn the Highway Code and improve their cycling skills when travelling on the road. This included: safety, signalling, turning a corner, stopping and starting, setting off and manoeuvring around vehicles. Certificates and badges were handed out in class today.

Well done, Oak Class. We are very proud of you all.

## French Day 14th July, 2025

### Chestnut Class

The day started with traditional French café music being played while the children entered the classroom. After assembly we looked at a map of Europe and found France. We then looked at a map of France and discovered where Paris was. Then, we watched a short film about French landmarks and how croissants are made, we created models of a stereo typical French man out of toilet rolls and had our photos taken holding them. After break we tasted warm croissants with butter and jam, while listening and singing 'Sur le pont d' Avignon' and 'Frere Jacques'. Mrs Eaves read the story A Walk In Paris by Salvatore Rubbino

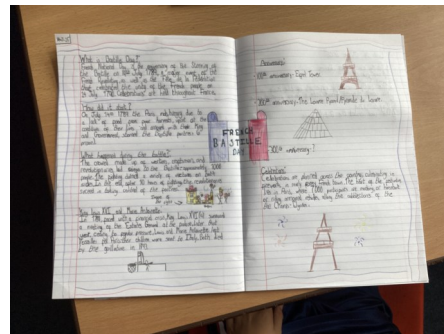

After lunch we looked some art work by Ludwig Bemelmans and then dug up the garlic we had grown. We all had a go at turning the garlic into a paste using a pestle and mortar and mixing it with butter to create garlic butter. Mrs Eaves spread it on French baguettes and warmed them in the oven. We enjoyed eating it hot with a cup of French cordial

## French Day 14th July, 2025

### Oak Class

Oak Class had a fantastic day celebrating the French holiday of Bastille Day. We started the day with a very informative assembly delivered by Mrs Summers explaining the history and rationale for why Bastille Day is celebrated within French traditions. Following this learning opportunity, we created some beautifully impressive double page spreads in the form of a non-chronological report about Bastille Day, participated in a reading comprehension and sampled traditional French cuisine, such as croissants, pain au chocolat, brie, baguettes and pate (which was a particular hit with the children). In the afternoon, we explored the artist Monet and replicated one of his famous pieces.

## French Day 14th July, 2025

### Cedar Class

On Monday, Cedar Class started the day by learning about the history of Bastille Day. We learnt the significance of the Eiffel Tower and then drew a picture of it. We followed an instructional video and then finished our drawings with our own chosen background. After that, we learnt some simple French greetings and practiced short conversations with each other. The children were also able to demonstrate what they had learnt about the significance of Bastille Day in an informative report.

Later, we learnt the names of the colours in French using a fun crayon song and practiced using them to complete colour naming sheets. In the afternoon, we made our own 'tricolore' French flag and decorated them with words and pictures to do with the French revolution.

## Cedar Class - Cooking

This week, Cedar Class made potato rostis as part of their DT topic on Food and Nutrition. We learnt lots about the different forms of potatoes that we can eat and discussed which ones were healthier than others and which you could make at home. We made these potato rostis as a healthier alternative to ready made potato waffles. The children enjoyed using the peelers and graters to prepare the potatoes before squeezing out the liquid starch. Just before lunch, we were able to try the rostis and it was a firm thumbs up from many members of the class. Please use the recipe attached if you would like to have another go at making potato rostis at home.

1. Line a baking tray with greaseproof paper.
2. Pre-heat the oven to 190°C.
3. Peel the potato. Potato peelings could be crisped in the oven with a little oil and salt.
4. Grate the potato and place in a mixing bowl.
5. Place the potato in a clean tea towel and squeeze as much water out as possible.
6. Season with salt and pepper.
7. Using your hands, form the potato into a pattie shape. Ensure the pattie is not too thick and place on the baking tray.
8. Brush with a little olive oil.
9. Bake in the oven for 15 – 20 minutes until golden brown.

## Elder Class - Aspirations Week

Year 6 have had a very exciting week, where they have experienced a multitude of guest speakers and new experiences to allow them to broaden their horizons and consider their futures in the big, wide world.

On Monday, the children had a Teams meeting with a post-graduate, who was able to share her experiences of secondary school and further and higher education and extra-curricular opportunities that are available.

This was followed by a talk by Sarah Fairbrother, who shared her journey of becoming a solicitor, then legal director over the course of her career. The children learnt about different areas of law, running a business and learnt more about the court system.

Very impressive and engaging questions were asked to both of our guest speakers.

Croissants and brie were also enjoyed (to mark Bastille Day) whilst the children were encouraged to think about foreign travel and opportunities abroad – being reminded how accessible and close France is.

# The Sky Is the Limit...

The afternoon was topped off with the children learning the ballroom dance – the Waltz – guided by expert visitors. After learning the steps and holds, they took part in a tea dance, where refreshments were enjoyed, as was dancing with a variety of partners. Sincere thanks to parents for their refreshment donations.

On Thursday, Elder Class visited The Crown Lodge. Tim Gibb gave a tour of the business, including the accommodation, kitchen and restaurant. He talked about the career possibilities that can be created by 'thinking big'. The children had the opportunity to make cookies and mocktails which they enjoyed before heading back to school.

During Thursday afternoon, the children took part in a healthy lifestyles workshop where they learnt about keeping their bodies and minds healthy through a balanced diet and the benefits of exercise were shared.

# The Sky Is the Limit...

The week was topped off with mini-medics training on Friday. The children were reminded of essential life-saving skills such as CPR and how to put someone in the recovery position. Additionally, basic first aid skills such as bandaging and slings were also taught.

Sincere thanks to all of the people who have given up their time this week to support our Year 6's in this aspirational learning journey. Your time, expertise, enthusiasm is hugely appreciated.

# Amazing OPAL

It has certainly been a fun-filled week of OPAL play! Despite the end of the school year approaching, the children are still finding endless energy to use in their play sessions! There has been den building and scooter racing galore, and mud chefs and mini mechanics have been hard at work each lunchtime.

Thank you to all who have already participated in our donation bingo. We have seen a surge in donations that is sure to make the next phase of OPAL into another amazing success. Please remember, if you have not had a chance to donate, there is still time, as the contest doesn't close until Monday 21<sup>st</sup> of July.

With some exciting new additions to the creative station, the children have been busy using their imaginations and creative minds to produce some truly wonderful work. It's been amazing to see their ideas come to life through play and creativity. This has to be my "amazing play" for the week!

- Mrs Fordham - Play Leader

# Parent Information:-

## Staff Structure 2024-2025

Year Group	Teachers
Reception & Year 1	Mrs Eaves
Year 2	Mrs Chalkley
Year 3	Miss Monck (Mon, Tues, Fri) Mrs Kirwin (Weds, Thurs)
Year 4	Mrs Jennett
Year 5	Mrs Riley
Year 6	Mrs Summers (Mon-Thurs) Mr Wilcox (Friday)
Teaching Assistants	Mrs Vickers, Mrs Shinn, Mr Hutchings, Mrs Maryon, Mrs Connell, Mrs Calver

### Summer Reading Challenge

The Reading Agency is delighted to announce the theme for the 2025 Summer Reading Challenge: Story Garden - Adventures in Nature and the Great Outdoors. This exciting new theme will inspire children to tap into the world of imagination through reading.

The Challenge launches online on 21st June, and on Saturday 5th July in England. Children can sign up at their local library to join the adventure and discover the magical world where stories grow.

<https://summerreadingchallenge.org.uk/>

# Awards & Celebrations

## Attendance

For the week ending Friday 11th July  
Cedar Class had  
attendance above 96%.

Chestnut	★ ★ ★ ★ ★
Cedar	★
Laurel	★ ★ ★
Maple	★ ★ ★
Oak	
Elder	

The winner of the 100% attendance  
prize for week ending 11th July is  
Sidney in Oak Class.

## House Points

- 1st Swans
- 2nd Cranes
- 3rd Kingfishers
- 4th Marsh Harriers

# Sunflower Competition

The Sunflower Competition was something that I remember doing when I was a little girl at Primary School. My grandad would take it very seriously, nurturing my plant daily and feeding it his 'top secret' ingredient plant food. I am thrilled that so many people joined in. On Monday, the very experienced judging panel, Mrs Taylor-Shaw and Mrs Brooker, emerged from the privacy of the school office after deciding the winners of our Sunflower competition. The children really embraced this competition and worked hard to both grow their sunflowers and raise money for the school. I am so proud of everyone who joined in and the tremendous effort from all concerned. On Monday I presented prizes to the winners in the school hall at the end of the day. Prizes and certificates were given out and we were all super surprised when the total raised was announced. This has got to be the most money the children have ever raised at Beaupre School and I want to shout a huge THANK YOU!

**The total raised is £971.42**

It gives me great pleasure to announce the winners.  
Tallest Sunflower Grown in KS1 – Melisa – Chestnut Class  
Tallest Sunflower Grown in KS2 – Sidney – Oak Class  
Most Money Raised in KS1 – Ines – Chestnut Class  
Most Money Raised in KS2 – Oliver – Laurel Class and Jamarie in Elder Class

The Tallest Class Sunflower winners – Chestnut Class who all got treated to an ice cream and an extra half an hour break time.

[Congratulations](#) to the winners and to everyone who made this such fun. A big thank you to the ladies in the school office for the difficult job of collating all the money and photos.

Mrs Eaves

# **Seaside Lunch**

**Wednesday 23rd July 2025**

***Battered Fish and Chips  
with Peas or Beans***

***Veggie Fingers and Chips  
with Peas or Beans***

***Rocket Lolly***

***Jacket Potato, Hot Pasta and Rolls also available.***

# FOOD FESTIVAL

By Aspens

## TAKE YOUR CHILD'S IMAGINATION ON A FOOD JOURNEY WITH ASPENS

Aspens has been chosen to provide the meal service at your child's school. Take a look below for a glimpse at a typical menu...

### Knowing Where Your Food Comes From

We take our responsibility of catering for today's children and young adults seriously. All of our dishes are prepared every day using quality, fresh and seasonal ingredients that are responsibly sourced. Our supply chain is traceable, so we can ensure the provenance of all produce.

Our dishes are created and served by experienced and enthusiastic staff. As well as ensuring the food on the plate is healthy, we want our customers to understand the importance of eating the right foods and help them with their food and nutrition journey.

SAMPLE

### Our Great New Menu

	MAJIN EVILS	RED-PIE MAGIC	RAINBOW ALLEY	BIG BAKING	DESERT TROUBLE	NOT AROUND, BUT WE'VE MADE YOU FEEL LIKE YOU ARE!
<b>MONDAY</b>	500 Swimmers Pasta Bake with Sausages	Meatless Cheese	Steak Salad	Beans, Cheese or Soya Beans	Strawberry Savoury Ragout	NOT AROUND, BUT WE'VE MADE YOU FEEL LIKE YOU ARE! SUGAR FREE!

<b>FRIDAY</b>	Golden Fish Fingers and Chips	Homemade Kebab and Chips	Robot Burger	Beans, Cheese or Soya Beans	Roast Potatoes and Peas	NOT AROUND, BUT WE'VE MADE YOU FEEL LIKE YOU ARE! SUGAR FREE!

### FUN THEME DAYS

### OUR FANTASTIC FOOD

We don't only create delicious favourite dishes from home and around the world, we make it fun!

We aim to make lunchtime the best time of the day and it definitely is when we hold one of our regular theme days! Planned to link in to the school calendar or seasonal healthy food initiatives, our staff may dress up and decorate the counter to serve something deliciously different on the menu - it's the stuff of great school food memories!

## NOT JUST GREAT TASTING FOOD!

The food children eat at school plays an important role in their wellbeing and eating a well-balanced diet will not only maintain and improve their health but will also set them on the right track for later life. We understand this and that's why we are passionate about serving fresh, high quality and locally sourced food that is cooked in our kitchen.

## SPECIAL DIETS AND FOOD ALLERGENS

Don't think that your child can't enjoy our great food if they have a special diet - this is an important part of our catering service. We can provide food if they have an intolerance, an allergy, or require an alternative choice due to religious beliefs.

Aspens already caters for lots of children with allergies, we have robust food safety procedures and our staff has regular allergen and food safety training. It is still important that parents talk to us so we can work together and continue to provide meals that are safe for their child to eat.

**HELP YOUR CHILD SOAR WITH A SCHOOL MEAL!**  
And it could be FREE! Check to see if your child is now eligible.

**Ask at the office to find out more!**

Save money,  
Save time,  
Save hassle.

All Reception,  
Year 1 and  
Year 2 meals  
are FREE!!

Fuel your child with energy!

For more information and to check if your child can get free school meals, even after year 2, please visit this website - [www.gov.uk/apply-free-school-meals](http://www.gov.uk/apply-free-school-meals) or scan the QR code on the left.

If eligible, not only will you be saving money, but you will also be giving your child a nutritionally balanced meal to fuel their bodies for the rest of their learning day.
