Week 5

Welcome to this week's newsletter.

On Tuesday, the entire school enthusiastically took part in our Cardio Dance Event. It was wonderful to see pupils of all ages moving with such energy and joy. The event not only promoted physical well-being but also fostered a strong sense of togetherness across the school community. It was truly a celebration of health, happiness and teamwork I am delighted to report that it was enjoyed by all.

Moving on to Thursday, our pupils were treated to a special school meal themed 'Jungle Fest.' This imaginative and delicious menu was met with great excitement and appreciation. It's always a pleasure to see our pupils engaging with healthy eating in such a fun and creative way, and I would like to extend my thanks to our catering team for their hard work in making this event a success.

However, Thursday was also a bittersweet day for us as we said farewell to Mrs Taylor-Shaw, our School Business Manager, who has been an invaluable member of our team for the past seven years. Her dedication, professionalism and commitment to our school have had a profound impact and she will be greatly missed. On behalf of the entire school community, I wish her every success in her future endeavours.

Have a lovely weekend.

Michelle Munday (Headteacher)

Exciting OPAL News

This week, the children have thoroughly enjoyed exploring Opal activities. The Conker Maker has been a particular highlight, with many children creating necklaces and other imaginative items to take home. The chinks have been a favourite lately too, and it has been lovely to see the children's creativity shining through in so many ways.

As the weather is turning Autumnal, please make sure children have appropriate clothing for the drizzly and chilly days ahead. We have been pleased to see many children coming out to play decked out in their coats and gloves, please keep it up!

We are also looking for donations of cold and wet weather clothing, especially rain macs. When your little ones grow out of their jackets and coats, please keep us in mind! These will make up a stock of spares that we can lend out in emergencies, to ensure everyone can join in the Opal fun, even on the drizzly days.

Free Healthy Relationship courses for parents

All relationships have their ups and downs, but if parents are regularly arguing in front of their children, it can have negative and lasting consequences. Help is available for parents who want to communicate in a healthier way. Family Hubs are running courses to support parents who would like to improve the relationship with their partner or ex-partner. Courses bookable directly via the QR code.

A Bit About Me

Hi, my name is Jurate Trumpickiene, I'm your school's link EIFA. As an EIFA I offer advice and strategies to parents and carers with a Primary School aged child that may be experiencing some challenges such as routines, sleep, sibling rivalry, challenging behaviour, worries or self-esteem. If you'd like a chance to chat about any of these topics, just contact me on the details below.

Top Tips Parenting Top Tip

October brings half term and Halloween fun, which can bring its own challenges for us as parents due to the change in routine, and expectations from children!

Things to try and remember:

- Try to remain calm and step away from the situation when it is safe to do so.
- Before you begin the activity or before going out, clearly explain the behaviour expectations and possible consequences for your child/ren if those behaviours are not followed. For example: 'I can't wait to go trick or treating with you, just remember it will feel really exciting, but I want you to stay with me to be safe'.
- If your child struggles with those boundaries in place, remember to gently remind and follow through with any consequences that you have previously explained.

Remember consistency is key!

Activity Idea

Autumn is finally here, and amongst the fallen leaves are plenty of opportunities for crafting and having fun with nature. Try out this spooky fun idea for Halloween or any other time!

1. On your next autumn walk, have a look around for fallen leaves.
2. Place the leaves under a heavy item for a couple of days to flatten them out. (This makes it easier to paint them)
3. Paint the leaves white and let them dry.
4. Draw funny faces on them.
5. You could even stick them on your windows to scare the neighbours!

Another Resource

We know that parenting during the holidays can be stressful on the parents. Try to remember to find time to relax and breathe to try and stay calm. Here is a video from Place2Be that explains why it is important to stay calm when children push your buttons. [My child pushes my buttons | Place2Be's Parenting Smart](#)
