Week 7

This week, we celebrated our half term handwriting winners, recognising the fantastic effort and progress our pupils have made. The improvement and standard of handwriting has been impressive across the school and we are delighted to acknowledge their hard work.

Today, we were privileged to have Peterborough Football Club visit during our school assembly. Peter Burrow their mascot provided an inspiring opportunity for our pupils to learn about teamwork, dedication and pursuing their passions. POSH will be offering families free tickets to watch a game. Details to follow.

I'm also thrilled to share that our Years 3 and 4 pupils participated in a wonderful Collaborative Day, where they had the experience of product tasting and designing. They even had a guest appearance from the renowned Mary Berry (even though she was a cardboard cut-out). This hands-on learning experience not only developed their culinary skills but also encouraged teamwork and creativity. We look forward to their outcomes next week.

We continue to be committed to providing enriching learning experiences for our pupils and our Year 3 pupils finished our week with a visit to the woodland area to enrich their learning outside.

Wishing you all a wonderful weekend.

Mrs M Munday (Headteacher)

Laurel Class Trip

Last week, Laurel Class had the amazing opportunity to visit Cambridge University's Botanical Gardens. A garden in Cambridge City Centre that grows over 8,000 species of plants! Wow. What an experience. The children spent the first part of their day working with some volunteers, creating poems and art, inspired by nature. The work they created was excellent!

After lunch, the class had time to explore on their own. They spent their time in the glass houses, some of which mimicked rainforests and were very warm but the plants they saw were so very unique and special. They also explored a winter garden and some glass houses that were full of weird and wonderful dragonflies. All in all, we had a beautifully brilliant day and would strongly recommend visiting in autumn when the colours in the gardens are so vivid and bright.

One child commented during the trip " I've had the bestest of days."

Miss Monck

We are excited to share a new initiative with you, with the aim of improving our children's handwriting across the school. Each half-term, the child with the most beautiful handwriting, will have their work displayed in our Office Reception area as they will have achieved 'Hand writer of the Half-Term'. They will be awarded a special gold star award to wear, to celebrate their excellence in this area. Very well done to you all for this impressive achievement. Classroom and other school incentives will continue to encourage all with their handwriting efforts. Please enjoy sharing their beautiful handwriting, when you visit.

Our Vision Statement

'Together unlocking the potential of every child; inspiring children and changing lives'.

This is an important statement devised by staff, to drive the ethos of our teaching practice and around everything that we do to support our children.

As part of our aspirations learning, the children were encouraged to re-design our Vision Statement posters, so that children feel a shared ownership of this vision and so that posters are more visually engaging.

The following children will have their designs of our Vision Statement displayed in their classrooms and around the school. Very well done to you all!

The Innovation Council

Members

The Innovation Council involves meeting regularly with Miss Monck. The children will have the opportunity to get involved with many aspects of school life. This will include enhancing the woodland, outdoor spaces, sustainability and many other aspects of school life.

Some roles will include: representing the school in special events, sharing ideas on new purchases and how to improve and enhance different areas, including Opal, contributing to the planning of sessions outside, liaising with classmates for further ideas, monitoring the recycling within school and exploring other sustainable ideas helping with the monitoring and upkeep of the school.

Our members are as follows:

Chestnut Class: Matilda

Laurel Class: Alanna & Deanna

Maple Class: Alivia & Toby

Oak Class: Ralphie, India, Sophie & Olivia

Elder Class: Ellie, Lois & Riley

Exciting OPAL News

What a wonderful week we've had in Opal! The children have enjoyed a range of fun activities - from den building to train construction! They have also had lots of creative moments, with many children visiting the creative station to do some arts and crafts.

Despite the weather, the children's enthusiasm for Opal hasn't faded, and they have all had a fantastic time exploring and having fun together this week.

Staffing

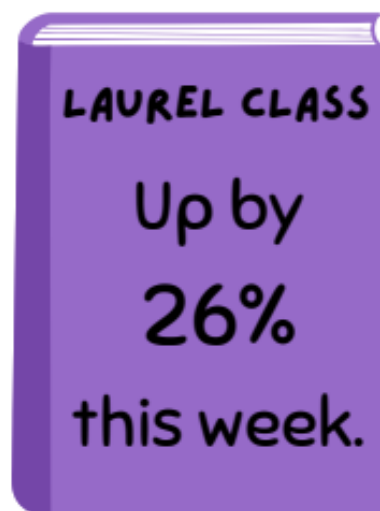

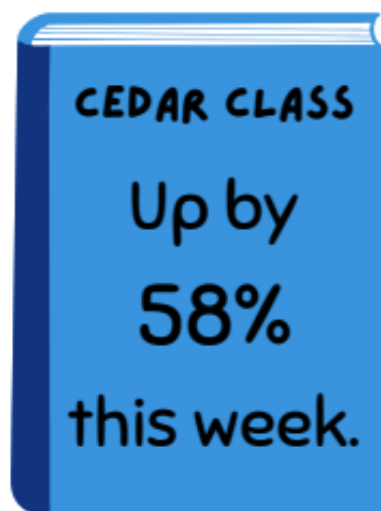

We are pleased to announce that our new School Business Manager starts with us on Monday 20th October. We would like to welcome **Mrs Morley** to Beaupre Primary School, we hope she will be very happy with us.

REMARKABLE READING

This year, we have set our accelerated reader users a challenge – which class can improve their reading the most this year?

At the end of each half term, the class who has improved their word count by the highest percentage will win extra playtime!

Lets see how much we have read this week!

Log into your AR Home Connect account to see your child's personal word count, reading level and more!
