Reading Champions

As part of the Wisbech Schools' Partnership (WSP), myself and the other Headteachers have been working together to find ways to improve and promote reading in our schools. We believe that the best way to do this is from the ground up, not from the top down. We have all therefore, through children writing applications, narrowed down 12 children (six Year 3 children and six Year 4 children) to be our 'Reading Champions'. I will be attending a conference event with the children next week, alongside the other Wisbech schools to begin our journey in inspiring reading and developing a team to lead and promote reading, reading events and provision in our school. This is a very exciting initiative, which will be led by the children.

Our Reading Champions are:

Purple Class (Year 3): Skyla, Brandi, Seth D, Ella-Grace, Jack and Harley

Green Class (Year 4): Thomas, Charlie, Isabella H, Hollie, Lily-Tayla and Ruby

MacMillan Coffee Morning

Please be advised that we will be hosting our annual MacMillan coffee morning, in support of this important charity, on Monday 30th September. The coffee morning will start from 9am until approximately 10am. Newly-elected school councillors and class ambassadors will be in attendance to welcome all parents and friends of the school. Could we please ask that donations of cakes (homemade or shop bought) and biscuits are kindly brought to school on the morning of the coffee morning. These will be collected from the playground before morning registration.

Tea, coffee, cakes and biscuits will be on sale during the coffee morning (with squash being available for children). We will, of course, be hosting our fourth 'Beaupre Bake-off' where staff will have the opportunity to bake cakes and compete to see whose creation will be deemed the winner! We look forward to seeing you there.

Peer Mediation

We are very excited and delighted to let you know that this year's peer mediation service will be starting from Monday! Year 6 children have all had the opportunity to undertake peer mediator training, to apply for the role and to experience the interview process. The successful applicants are: Marcie, Jamie, Levi, Aiden, Jasmin, Charlie, Dalton, Jack H, Lily and Megan (who have been introduced to the school, as peer mediators, during this week's assembly). The role of a peer mediator is to be proactive in identifying and preventing potential conflict between children in the playground. Should children have difficulty in resolving their own conflict through strategies taught in school, peer mediators are available (under the supervision of a pastoral TA) to guide them through resolving their conflict. Peer mediators also act in the capacity of 'worry wardens' so if any child has a concern that they would prefer to talk to another child about, as opposed to an adult, they can speak to one of these children (again this will be under the supervision of a pastoral TA).

World Mental Health Day

Beaupré will be having a well-being afternoon on Wednesday 9th October to celebrate World Mental Health Day; all classes will be taking part in well-being classes/initiatives.

BFG

Monday 23rd September is the AGM for the BFG. Everyone is invited to attend at 6.30pm in the school hall. We need to elect all the positions such as chair, vice chair etc plus have enough members for the committee to run effectively. Should we not be able to fulfil all the positions, we will unfortunately need to fold.

The committee usually meet once a half-term for a couple of hours to organise discos, fayres, etc. Please let's keep this vital group going for our children. We look forward to seeing you there.
