Week 16

Welcome to this week's newsletter.

Welcome back and a Happy New Year to you all! I hope that you all had a wonderful Christmas with your family and friends.

It has been a real pleasure to see all the children back and hear about some of the wonderful things they did throughout the break. The new term started with an assembly focusing on new year's resolutions and ways to improve in the new year. Our pupils shared some thoughtful ideas about personal growth, including reducing screen time, reading more, getting outside and considering others. I think we would all agree that these are things we could all benefit from embracing.

As we move forward into 2026, we look forward to many more highlights and events and continuing to support and celebrate the growth and achievements of every child.

Have a wonderful weekend.
