

# Terrific Week Two

Our second week of OPAL has been bursting with energy and creativity! From group trains and obstacle courses, to dress-ups, comedy sketches and even trampoline building – it's been a fantastic showcase of imaginative and adventurous play.

One of my “Amazing Play” moments was watching a group of Year 6 boys completely immersed in the mud pit, using diggers to shape the terrain and craft their own stunt ramps. It was messy, joyful, and a perfect example of the kind of open-ended play OPAL encourages.
