

Exciting OPAL News

This week, the children have thoroughly enjoyed exploring Opal activities. The Conker Maker has been a particular highlight, with many children creating necklaces and other imaginative items to take home. The chalks have been a favourite lately too, and it has been lovely to see the children's creativity shining through in so many ways.

As the weather is turning Autumnal, please make sure children have appropriate clothing for the drizzly and chilly days ahead. We have been pleased to see many children coming out to play decked out in their coats and gloves, please keep it up!

We are also looking for donations of cold and wet weather clothing, especially rain macs. When your little ones grow out of their jackets and coats, please keep us in mind! These will make up a stock of spares that we can lend out in emergencies, to ensure everyone can join in the Opal fun, even on the drizzly days.
