

OPAL Tidying Incentives

Exciting News! This week, we have introduced some exciting new incentives to help with our OPAL tidying up.

The Golden Welly

During tidy up time, 5 children who are going above and beyond with their tidying will be awarded a special coin. This could be for tidying a station they were not playing with, helping others and using good team work to tidy, or anything that really stands out as exceptional tidying. The children will put their coin in their class jar, which will be displayed in the main corridor.

Every 2 weeks, these coins will be counted by our Innovation Council and the class with the most coins will receive The Golden Welly Award to keep in their classroom! The winning class will be announced in the achievement assembly and in the Newsletter. At the end of every term, the class who has received The Golden Welly the most gets **extra OPAL play!**

OPAL Tidying Timing Incentive

The target for tidying up after OPAL play is 4 minutes, but when we timed our tidying up time 'officially' at the end of last half-term, we spent 9.47 minutes tidying!

Starting this week, Mrs Fordham will use the big timer in the playground to time us once a week to see if we can improve our tidying up time. We have added a timing area to the OPAL display, so we can keep track of our progress, too! When the school reaches and sticks to our 4-minute target, we will get a **whole school colour run** as a reward. Good luck!
