**Dear Parents/Carers,**

**Welcome to this week's newsletter.**

Welcome back to the final half term of the school year! What an exciting time we have ahead. This half term promises to be a busy and vibrant one, filled with trips, visitors, special events and farewells. Please do keep a close eye on the newsletter for regular updates so you don't miss out on any of the wonderful things happening.

This week has been particularly action-packed for our Year 6 children. They have just returned from their residential visit to Shacklewell Hollow, and what a fantastic experience it has been. The children and adults involved had great fun, and I'm sure we will soon be hearing all about their adventures and seeing plenty of photographs. I'd like to extend a very big thank you to Miss Summers and Mrs Calver, who organised this event and generously gave up their time to make this wonderful opportunity possible for our pupils.

Also, this week, our Year 5 pupils visited Wisbech Castle, library and museum as part of our reading festival celebrations. They took part in a variety of engaging activities alongside pupils from other Wisbech schools, including the special opportunity to meet an author.

Wishing you all a wonderful weekend.

Mrs Munday  
(Headteacher)

# Beaupre's Wildflower meadows

*Over the past few months, we have been working hard to create wildflower meadows within the school grounds, to give our local wildlife a little helping hand. Over half term, they have begun to flourish and we are so pleased with the outcome so far! Already, we have noticed an abundance of butterflies, bees and ladybirds using the newly grown wildflowers which has been so lovely to see. Not only that, but it looks just beautiful too.*

*We have also changed our mowing regime and have begun to leave to outer borders to enhance habitats too. Our children have already spotted a couple of frogs using the lovely long grass which has been very exciting.*

*Maybe this could inspire you at home to create a little wildflower spot in your garden at home, or to leave some of your lawn to grow to help the local wildlife. If you do, we would love to see your creations!*

# Year 6 Residential Trip **SHACKLEWELL HOLLOW**

On Monday, Tuesday and Wednesday of this week, fifteen of our Year 6's enjoyed a residential visit to Shacklewell Hollow. Fenland Adventure hosted this event and the children were able to take part in a wide range of team building physical and mental activities, which included: crate stacking, climbing, bush craft, chariot racing, archery, and many more exciting opportunities, topped off by a crazy water fight! Miss Summers and Mrs Calver thoroughly enjoyed watching the children grow and challenge themselves, but were very tired afterwards!

I love going outside to see the fun happening in OPAL! This week, I went out during one lunchtime to explore and after spending ONLY 10 MINUTES outside, this is what I had observed:

- A child making a chick called Dave with a bottle lid and noodle pot in the creative station.
- Children making their own slide and obstacle course in the den building area.
- 'Meatballs' being cooked in the mud kitchen.
- Creative sequences being practised on the gymnastics mats.
- Children digging and finding interesting artefacts and stones in the digging area. Some even thought they had discovered a tomb!
- Go-karts and scooters being driven around the playground.
- Music playing and bubbles being popped.
- Dolls' houses being played with, along with prams and babies.
- Beautiful chalk art being created on the outside school walls.
- Tree climbing and swinging in the adventure playground.
- A band being formed with the dressing-up accessories and umbrellas.
- Water stations being created with guttering and rubber ducks.

This is exactly what childhood should look like, full of fun and exploration! I was very proud to see that this is what our lunchtimes entail at Beaupre. Please take a look on our website for more information about our wonderful OPAL project.

# BEAUPRE'S SUNFLOWER COMPETITION

Exciting news! Our sunflower competition has officially launched!

Chestnut Class enjoyed working very hard in class, potting up cups and seeds for the whole school and now everyone should have their own sunflower to grow and nurture. A huge thank you to all the staff and children involved with this! We would recommend growing your sunflowers in a sunny, warm spot for at least a few weeks until they are big and strong enough to be planted outside. Please see the poster for more details. Good luck everyone, we cannot wait to

see your sunflowers!

# BEAUPRE'S SUNFLOWER COMPETITION

Each child will be sponsored to grow a sunflower and all money raised will go towards our OPAL project.

Sunflowers must be measured on or before 13<sup>th</sup> July, 2026 using a tape measure from floor to the top of the flower head.

You must take a photo of your sunflower with you standing next to it and email it to the office by the 13<sup>th</sup> July, along with your sponsor money and sponsor forms.
