2026-2027

24th November 2026 **Flu Vaccine (1st Session)**

4th December 2026 **Flu Vaccine (Mop Up Session)**

Dear Parents/Carers,

Welcome to this week's newsletter. Well, we have finally made it through to the end of another busy year!

I'm absolutely thrilled to share that our Sunflower Growing Competition on Monday was a tremendous success, raising £455.55. This achievement reflects the incredible generosity and community spirit that makes Beaupré such a special place. Thank you to everyone who contributed to this wonderful cause. Prizes for the tallest sunflowers and the most money raised were handed out at our assembly today to recognise all the children's hard work.

Our Year 5 pupils have been particularly busy this week, developing their cycling skills through Bikeability sessions that ran throughout the entire week. Watching them grow in confidence and competence on their bikes has been truly rewarding, and these essential life skills will serve them well for years to come.

Wednesday, our Year 6 pupils embarked on their much-anticipated trip to Wicksteed Park. The joy and laughter they had was infectious, and I know they created precious memories that will last a lifetime. Thank you to all the adults who helped for the trip.

Thursday brought another exciting opportunity for our Year 5 pupils as they visited Marshland High School. These transition experiences are invaluable in helping our children prepare for their next educational journey, and I'm grateful for the strong partnerships we maintain with our local secondary schools.

Today, we held our Leavers' Assembly for our Year 6 pupils. It was certainly an emotional goodbye, where the pupils and staff shared their memories of the children's time at Beaupré. Myself, Miss Summers and Mrs Calver were also surprised with some beautiful gifts from the parents. Thank you all for your kindness and generosity. We will miss this class very much, but it is now time for them to spread their wings and move on to high school. We wish them and their families all the very best for the future.

We also said a farewell to Miss Bodimeade who has worked with us as a TA and as a member of our OPAL team since February 2026. We also say farewell to Mrs Best as our OPAL team lead since February 2025. Both have helped develop and grow OPAL and our children and will be greatly missed. We wish them all the very best as they move onto new paths and adventures.

We also had a lovely surprise this week, hearing that Maple Class are in the news! The STEM experience they attended has been included in several news articles, how exciting! You can read more about their trip here: <https://www.cambridgenetwork.co.uk/news/bright-sparks-local-school-children-get-glimpse-science-behind-buses>.

I would like to say a big 'thank you' to all the staff for their hard work again this year and to you for all your support. And of course, to all the amazing children who have worked so hard and continue to take in their stride all the challenges this year has given. Have a wonderful summer, enjoy your time with your family and friends, and we look forward to seeing you all in September.

Mrs Munday
(Headteacher)

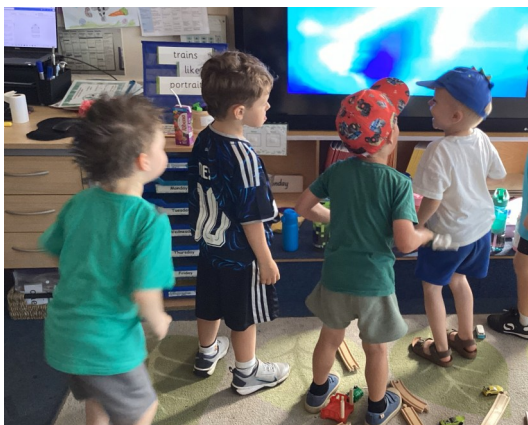

Move-Up Day

We ended last week with a long anticipated event amongst the children and teachers alike: Move Up Day! Classes has an opportunity to meet their new teachers and Teaching Assistants and settle into their future classrooms.

Chestnut

What a wonderful transition day we had welcoming our new friends to Chestnut Class! The children had a fantastic time getting to know each other, including new friends from other nurseries. They loved exploring all that Chestnut Class has to offer, from getting creative with playdough and drawing, to discovering our classroom and garden areas. The bikes and dressing up corner were particularly popular.

We were so impressed by how well behaved, confident and attentive all the children were throughout the day. Their excellent listening skills really shone through. When it was time to say goodbye, we heard lots of "ohhhh" which is a sure sign that everyone had a brilliant time and did not want to leave. We cannot wait to welcome you all back in September.

Cedar

Cedar Class enjoyed their move up day. We read Winnie the Pooh's Surprise Birthday and then designed birthday cards for each child to receive on their birthday next year. We also drew some wonderful self portraits.

Move-Up Day

Laurel

Laurel began the day with Miss Monck and learnt all about bananas and why she just loves them. They then created some wonderful banana art by looking closely at the detail on a banana. Afterwards, they created self portraits for their new pegs next year and designed and created their own labels for their free thinking books.

In the afternoon, they spent the day with Mrs Robinson and they created beautiful snap shots of themselves. They also played a lovely game during circle time to really get to know each other and finished off their session by writing postcards to their future selves with hopes and wishes on. All in all, it was a wonderful day and we cannot wait to be your teachers next year!

Maple

Year 4 had a very exciting day, to start our day we completed an activity all about ourselves, our likes, dislikes, and about our family. Then we had to write about our aspirations, what or who we aspire to be and why. We played a time table snakes and ladders, everyone embraced the challenge! We finished our day in groups, competing to see who could build the biggest tower, we only had uncooked spaghetti and marshmallows to build it with and everyone enjoyed getting very sticky! It was a great day! Thank you to the new Year 4's, I can't wait till next year!

Move-Up Day

Oak

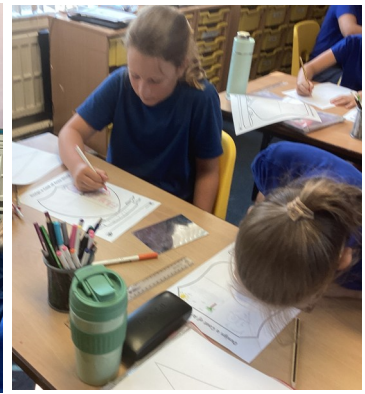

The current Year 4 class had a brilliant jump up day in Oak Class. They started their day with Mrs Connell talking through what attributes contribute to forming a great team to represent Oak Class. The children shared their fantastic ideas and suggested good team work requires sharing, ambition, enthusiasm and phrases such as 'We can, we will.' Their oak leaf templates containing these words will be compiled to create the Oak Class flag, where the children will be expected to demonstrate all of these attributes.

The children also wrote a letter introducing themselves to myself and Mrs Connell, sharing their hobbies, discussing siblings and what they are most looking forward to in Year 5. They finished the day with some time tables to keep exercising our mathematical skills. Myself and Mrs Connell cannot wait to welcome them into Year 5 and very much looking forward to working with them.

Elder

The new Elder Class had a lovely morning getting to know Miss Summers and Mrs Calver. First, they shared a fun fact about themselves, having to guess who had revealed this piece of information about themselves. They then created shields which represented things that they like and then they produced self-portraits for class bunting. After break, they wrote letters to the Elder Class Teaching Team sharing how they want their class to be next year.

In the afternoon, the class created Mesostic poems about themselves and learnt all about the brain and what it needs to learn. After that they created some amazing 'brain art' with poster paints and paper clips. I had such a lovely first ever session in Year 6. Thank you!

Goodbye to Year 6

Last Friday evening, our Year 6's had an amazing festival to celebrate their time at Beaupre coming to an end. The festival theme was brilliant and the children enjoyed dancing and playing to their favourite music. They chilled in the evening sun and enjoyed pizza and chips. The event was completed with a water and powder paint fight where the children had the time of their lives. A huge 'thank you' to the BFG for again organising this amazing occasion for our leavers.

Goodbye to Year 6

On Wednesday, our Year 6's enjoyed their final primary school trip to Wicksteed Park. The children thoroughly enjoyed going on lots of rides, playing on the outdoor equipment and even visiting the animals. The all enjoyed a totally fun-filled day, and represented their school and themselves impeccably. Thank you to adult volunteers on the day.

This morning, an assembly was held to say goodbye to our Year 6's and to celebrate their time at Beaupre. Parents/carers were invited to attend, alongside KS2 and siblings throughout the school. Our Year 6 enjoyed sharing their best memories from their time at Beaupre, and teachers too shared their recollections. The children performed songs of their choice brilliantly and shared what they would like from their future. It was lovely to look at photos from when they first started at Beaupre to present. At the end of the Assembly, parents surprised Miss Summers, Mrs Calver and Mrs Munday by clubbing together to buy them beautiful gifts. A huge 'thank you' to all for this generosity, it is so appreciated. We wish them the very best of luck on their journey to secondary school.

Laurel Class Hunstanton Trip

Laurel had such a lovely day at the seaside last Tuesday and the weather was just right! They started in Old Hunstanton with some lovely beach activities like a sandcastle building competition, paddling in the sea and collecting pebbles and shells. They then went for a lovely stroll along the top of the cliffs and headed towards the main town. Here they had their picnic and decorated their pebbles with paint pens. They ended the day with ice cream to cool down, which was just delicious!

The children were so well behaved throughout and really represented the school beautifully. Well done. We were very proud of you all. Thanks for such a great, memorable day.

Oak Class Bikeability

This week Oak Class participated in Bikeability, completing levels 1 and 2. The training taught the children how to be safe when cycling on the road and helped to build their skills, confidence, and competence to allow them to cycle safely on today's roads.

On the first day the children completed level 1, which took place in a traffic-free environment, focusing on basic bike control, starting and stopping, pedalling, negotiating space, and signalling.

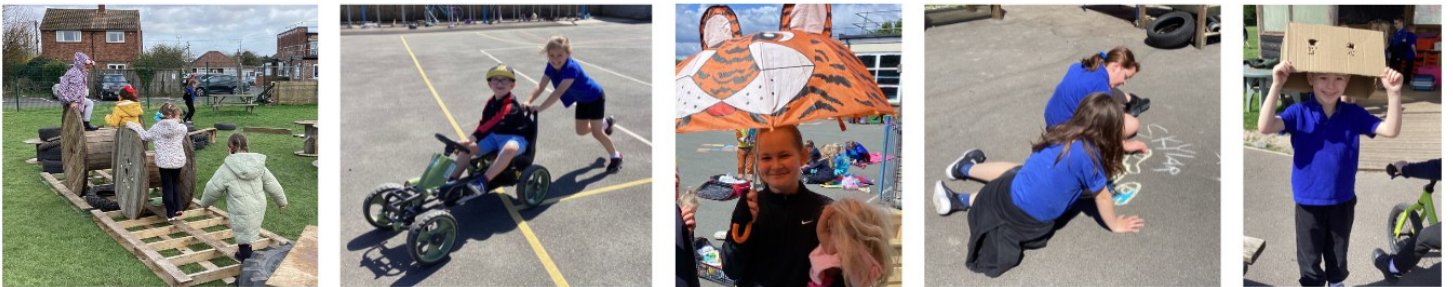

On the second day the children started level 2, which introduces light to moderate traffic, teaching them to handle simple junctions, road features, and basic traffic interactions. The children thoroughly enjoyed learning some new skills and most of the children completed the course successfully. Well done to all those who took part!

An Incredible OPAL Year

What a fantastic year of OPAL we have had! From sunshine and rain to frosty mornings and warm afternoons, the children have embraced outdoor play in all seasons, showing resilience and adaptability year-round.

It has been a real pleasure for the OPAL team to watch the children grow in confidence, develop new skills and build lasting friendships through play. We have loved seeing their imaginations come to life through den building, impressive LEGO creations, role play, creative activities and so much more.

The children have shown fantastic teamwork, resilience and problem-solving skills, making the most of every opportunity that OPAL has to offer. It has been wonderful to see them challenge themselves, support one another and create so many happy memories.

A huge thank you to all of our families for your continued support throughout the year. We wish everyone a safe, relaxing and enjoyable summer holiday, and we can't wait to welcome the children back for another exciting year of OPAL adventures in September!

Mrs Best - Opal Play Leader

Important Information and Updates

New Catering from Stir Foods

We are pleased to announce that from September 2026 onwards, our new catering provider will be Stir Foods.

As part of the selection process, we listened carefully to parent feedback, which helped shape both our choice of catering partner and the menus that will be on offer. We're confident that Stir Foods will bring a fantastic range of delicious, classic meals that children will enjoy.

Welcome packs have been sent out by email, with more information about what to expect. We can confirm that school meal ordering will remain on an online only system using Swift Kitchen. Swift Kitchen logins have been handed out this week in paper form.

We can't wait to welcome Stir Foods to our school community!

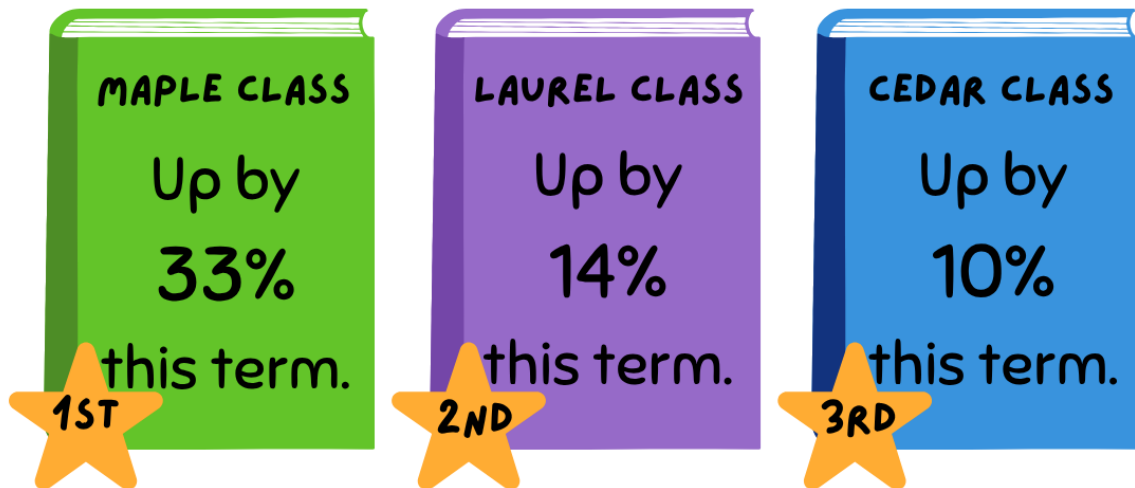

2026-2027 Staffing Structure

Please see below the staffing structure for the upcoming school year.

Class	Teacher	Teaching Assistant
Chestnut - Reception	Miss Hodgson	Mrs Vickers
Cedar - Year1/Year 2	Mrs Jennett	Mrs Shinn
Laurel - Year 3	Miss Monck (2 days - Mon & Tue) Mrs Robinson (3 days - Wed, Thu & Fri)	Mr Hutchings
Maple - Year 4	Miss Minihane	Mrs Maryon
Oak - Year 5	Mrs Riley	Mrs Connell
Elder - Year 6	Miss Summers (Mon-Thurs) Miss Monck (Friday)	Mrs Calver
Pastoral TAs: Mrs Maryon		
HLTA – Mrs Connell, Mrs Maryon, Mrs Shinn and Mrs Calver		

REMARKABLE READING

We are pleased to share with you that the class that has read the most on Accelerated Reader this half-term is Maple Class! Today, the whole class enjoyed their reward of having 15 minutes extra playtime.

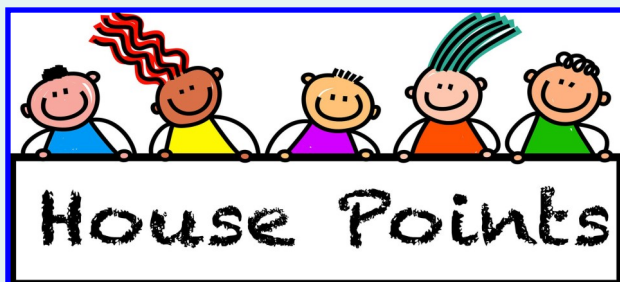

With that, our Accelerated Reader contest draws to a close for this year and what an incredible year of reading we have had! We have been so proud to see all the effort that all the children have made to improve their reading. From challenging themselves to reach their targets in school, to keeping up their daily reading at home, the children have worked hard and dedicated themselves to their reading goals this year.

Well done to all the children and families who have put their all into their reading this school year, we are pleased to share with you that through this combined effort, Beaupre have read a total of

11,964,623 words!

This is roughly equivalent to reading either 16 King James Bibles, 604 Diary of a Wimpy Kid books or over 53 thousand Very Hungry Caterpillars! What incredible proof of all we can achieve when we apply ourselves and work together! Here's to another year of fantastic reading in the next school year!

Awards & Celebrations

Congratulations Swans!

Well done to Swans for all their hard work and good behavior during the year which has won them the house points trophy!

Word Millionaire

Congratulations to our Word Millionaire this year, Riley in Elder Class.

Riley read over a million words this year with Accelerated

Attendance

For the week ending Friday 10th July, Laurel and Maple Classes' attendance was over 96%.

Chestnut

Cedar ★

Laurel

Maple ★★

Oak ★★

Elder

The winner of the 100% attendance this week is Tyler in Oak Class

The winners of 100% attendance for the year are William in Maple and Danny in Elder. The children were presented with a £5 voucher in assembly today.

Caught Reading

Our Caught Reading winner this month is Tola in Elder Class.

Awards & Celebrations Continued

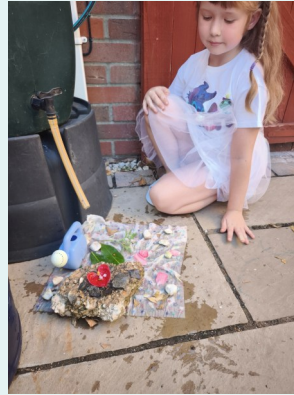

Outside Achievements

Well done to Marianna, who has achieved level 6 in gymnastics.

Well done to Melisa, who won two second place medals, two third place medals, and one fourth-place finish in her gymnastics competition.

Well done to Matilda, who created a house for a Ladybug in the garden. She created a biodegradable water bowl using an anthurium flower.

Well done to Ezra, who came second overall in her gymnastics competition.

Well done to Ellie, who won 1st in floor, 2nd in trampette, 4th in beam and 3rd overall in her gymnastics competition.

Well done to Archie, who received the manager's player/player of the year trophy for football at the weekend .

Well done to Charlotte, Ula and Indiah for their great results in the gymnastics competition.

Great British Summer Saving Scheme

Please see below a note from the UK Government regarding Great British Summer Savings Scheme

Rising prices can make life's little treats harder to afford, especially during the school holidays when costs build up for families. This Government is determined to help, and that is why last month the Chancellor announced the *Great British Summer Savings* scheme.

From 25 June to 1 September 2026, the Government is temporarily cutting VAT from 20% to 5% on children's meals in restaurants, children and family tickets to cinemas, theatres, concerts and exhibitions, and admission to a wide range of attractions. Combined with free bus travel during August for children aged 5 to 15 in England, families and young people will be able to enjoy experiences that make summer special, including visits to the kinds of cultural and educational attractions that enrich children's lives outside the classroom.

Viking Crafts Family Event
Thursday 30 July 10am-4pm

Design your own brooch patterns, try your hand at traditional weaving, and master the art of ancient runes.
Activities run from 10am-1pm and 2-4pm, with a break at lunchtime.
£3 for adults, £2 for children and 50p for under 5s.

**Viking Jewellery Workshop for
Children**

Thursday 6 August 2026, 10.30am & 1pm

Tutor Brian London will be sharing his knowledge of Viking craft skills and helping attendees to create their own jewellery to take home.
This workshop will run twice, at 10.30am and 1pm, and will last approximately 90 minutes. Tickets cost £5 per child, accompanying adults free. This workshop is aimed at 6-12-year-olds, but older children are welcome too.

**Viking Archaeology Experience
Day for Families**

Thursday 13 August 2026, 10am-4pm

On 13th August, families are invited to explore a recreated Viking grave and learn what it takes to be an archaeologist! Investigate grave goods, learn to measure broken pottery, and discover what our fallen Viking ate for his final meal! Activities run from 10am-1pm and 2-4pm, with a break at lunchtime. £3 for adults, £2 for children and under 5s go free

**Viking Warrior School Workshop
for Children**

Thursday 20 August 2026, 10.30am and 1pm

Travel back in time to the 11th Century and learn all about Viking raids, weapons, and battle strategy in our new Viking Warrior School workshops. This workshop will run twice, at 10.30am and 1pm, and will last approximately 90 minutes. Tickets cost £5 per child, accompanying adults free. This workshop is aimed at 6-12-year-olds, but older children are welcome too.
