

Welcome to This Week's Newsletter!

Welcome to this week's newsletter.

This week started with a wonderful music assembly on Monday. Following the information we shared in last week's newsletter, our extracurricular music tutors came in to demonstrate a range of musical instruments and promote their lessons to our pupils. It was fantastic to see the children so engaged and enthusiastic about the prospect of learning an instrument. For many of our pupils, learning a musical instrument is an opportunity they might not otherwise have access to, and it really is something special. Beyond the obvious musical benefits, learning an instrument supports so many aspects of a child's development, including their wellbeing, confidence and resilience. If you would like your child to take up lessons, please do get in touch with the school office. We will be sharing further information through our newsletters as well.

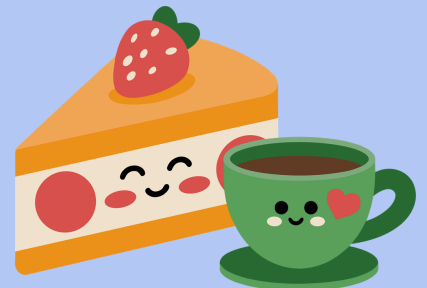

Yesterday, we had the absolute pleasure of hosting our Macmillan Coffee Morning. It was wonderful to see so many members of our school community join us to support this worthy cause, whether that be providing cakes or attending the event. I would like to extend a heartfelt thank you to Miss Summers for organising the event so brilliantly, to all the other adults who supported throughout the morning, and to our pupils from Elder Class, Oak Class who worked so hard to make the event such a memorable occasion.

Following on from the coffee morning, our Year 5 and Year 6 pupils also participated in the mile run, which was another fantastic opportunity to raise money for Macmillan. It was inspiring to see so many of our older pupils taking on this challenge and contributing to such an important cause.

Thank you once again to everyone who contributed to making both events such a success. Your support and involvement is truly valued.

Wishing you all a wonderful weekend.

Mrs Munday, Headteacher

MACMILLAN CANCER SUPPORT

Our Macmillan Coffee Morning

On Thursday, 24th September 2026, Beaupre opened its doors to welcome members of the community to their Macmillan Coffee Morning. The event was hosted by our Year 5 and 6 children. Our children were able to welcome visitors and enjoy cakes and biscuits. Thank you to all of those who donated cakes and to all of those in attendance, helping us to raise lots of money for this crucial charity.

We must make a special mention of Mr Wyatt, with his successful bid of a whopping £60 for our auctioned cake! The delicious chocolate cake, baked by Miss Parker, was then kindly donated to the Beaupre staff! A big thank you to those who also supported cake sales after school, another sale will run after school today.

Beaupre Bake Off

Staff were invited to compete in a staff 'bake-off' to see whose creation would be deemed a winner! With many entries, it was a hard task for the judges: Jen (our school chef) and Miss Monck. Judging was based on both taste and presentation.

After much deliberation, Mrs Calver was declared the winner, with Mrs Shinn achieving second place and Miss Minihane coming a close third. A huge congratulations to our winners and a big 'thank you' to all those who entered. With the selling of these cakes, again, we were able to increase the amount that we could raise for MacMillan.

MACMILLAN CANCER SUPPORT

Mile for Macmillan

After a lovely coffee morning, Years 5 and 6 took to the school field to complete a charity run for Macmillan. With a £1 entry fee, the children ran, jogged or walked around the school field 5 times to raise even more money for Macmillan! There were even one or two children who ran extra laps for fun! It was lovely to have parents spectate, and we were very impressed to see some parent participation too!

Fundraising Efforts

An approximate total of £400 was raised by Beaupre Community Primary School for MacMillan Cancer Support, with even more to be added after today's cake sale! A massive thank you to all who contributed towards this impressive charitable contribution!

Further Information and Support

If you would like to continue supporting Macmillan, there are lots of ways to get involved, including making a donation, fundraising or volunteering.

For those who might be living with cancer or supporting a friend or family member, the charity offers information about cancer, treatment, wellbeing and support services on its website. Please follow the link below for information and support.

In School This Week

House Captains and More!

Now that the children have had a chance to settle down into the new school year, it is time to assign our roles and responsibilities!

Following an exciting morning sharing their manifestos with their houses, voting took place and the newly appointed house captains are:

Kingfishers - Archie and Charlotte
Swans - Harley-Mai and Ula

Marsh Harriers - Matthew and Daisy
Cranes - Ralphie and Olivia

Following their training, the newly appointed Peer Mediators are:

Ryan F, Alice, Amara, Ramsey, Skylar, Carlote, Lacey,
Harley-Mai, Indiah, Ula, Daisy, Phoebe, Sophie, Chase and Matthew.

And lastly, following their lovely letters of application, our new librarians for the year are:

Johnathon, Wilbur, Tiger and Hunter

We look forward to seeing these children take their roles and responsibilities in stride. Well done to you all for the hard work you have done so far!

A Fun First Bike Time

The children had a fantastic time during our very first Bike Time session! They loved riding the balance bikes around our outdoor area and were also introduced to the clamber, where they confidently showed off their climbing and gross motor skills. It was wonderful to see so much excitement, determination and confidence.

Can you help us grow our Bike Time collection?

We would be very grateful for donations of any bikes with stabilisers, pedal bikes, scooters or children's helmets suitable for 4-5-year-olds that are no longer being used at home and are still in good condition. We already have plenty of balance bikes, so we do not need any more of these at the moment.

Thank you for helping us give the children even more opportunities to develop their confidence and physical skills!
