## Red Class News

*Red class have been learning about bread in Design and Technology. Last week we found out where different types of bread come from. This week we tasted 5 different varieties of bread. We described how the bread looked, smelt and tasted, which ties in with our English work on poems about the senses. We also found out how bread is made using the story of the Little Red Hen and linked this to our History topic on the Great Fire of London, as the fire started in a bakery! The children were very excited to try the different types of bread.*
