11th May 2020

Dear Parent/ Carer,

I hope you are keeping well and safe.

As we did, you will probably have seen or heard Boris Johnson's announcement yesterday evening regarding the proposed reopening of primary schools, where he gave a possible date of Monday 1st June for children currently in Reception, Year 1 and Year 6. At the moment, this is a suggested date.

We know that this will be a worrying time for you as there is still a lot of uncertainty and the situation seems to change almost daily making it hard to keep up with the most current information. We are aware that you will have many questions, some of which we will be unable to answer at the moment, but we will continue to keep you updated as we move forward.

We are currently awaiting further guidance from the Department for Education and the Local Authority as to how this guidance should be undertaken safely. We will be working to make sure that children return in the safest possible manner to protect them, you as their family and our staff. Please find attached a response from the Local Authority.

All of us want to get children back into school as soon as it is safe to do so. Myself and the staff have devoted their careers to the education of young people and do not want to see the classrooms empty any longer than is necessary but the safety of children, parents and staff will always be paramount.

As part of this process, we will be asking for your feelings around the situation to help us plan effectively for this next phase.

Please try to be reassured that we will move forward together on this and will keep you informed.

Please continue to keep safe,

Mrs Munday
